

Ron Johnson

Johnson is candidate for Sheriff

Ronald Johnson, 48, a member of the Cameron Parish Sheriff's Dept. for the past 13 years, has announced that he will be a candidate for Sheriff in the Oct. 4, 2003 election. Sheriff James "Sono" Savoie has announced he will not seek reelection.

He is married to the former Mary Anne Conner, a native of Creole and they have a daughter, Amanda Johnson Blanchard, 24 and a son, Jacob, who is 16.

Johnson is a 1972 graduate of South Cameron High and attended Sowela Technical College. He worked for Dyson Redi Mix for 17 years where he served as manager. Johnson was employed by the Cameron Parish Sheriff's Department in August of 1989. He graduated from the Calcasieu Training Academy in 1990.

Johnson attended numerous schools such as Accident Reconstruction, Crime Scene Investigation, Field Sobriety School, Interview and Interrogation Techniques, Hostage Situation, and Drug Abuse Resistance Education for Junior High and Elementary Training.

Johnson has held the position of Corrections Officer, Patrol Deputy, Investigator, and is currently the D.A.R.E. Project Coordinator.

For the past 22 years, Johnson has served as a fireman for the Cameron Volunteer Fire Department where he has held the position of Chief, Captain, and serves on the Board of Directors.

Johnson is also trained as First Responder and Rescue Personnel. He held the position of LSU fireman instructor. Johnson has been a past member of the Board of Directors for Cameron Recreation District # 6, and Cameron Water and Sewer District # 1.

Johnson has been a softball coach for the past 11 years, and served as a Cub Scout leader and assistant Boy Scout leader for nine years. He is a member of the Cameron Parish Livestock Committee.

Johnson is currently a member of the Cameron Lion's Club where, he has served as President, he received The Lion of the Year award in 2001. Johnson also received the Cameron Parish Citizen of the Year award in 1999.

He is a member of the Cameron First Baptist Church and is currently serving as a Deacon.

Jury meetings

Instead of holding the two meetings on different days, the Cameron Parish Police Jury will in 2003 hold its agenda meetings at 3 p.m. and its regular meetings at 5 p.m. on the first Monday of the month (with the exception of the September meeting.)

The upcoming meetings will be on Feb. 3, March 3, April 7, May 5, June 2, July 7, Aug. 4, Sept. 2 (changed to Tuesday due to Labor Day), Oct. 6, Nov. 3 and Dec. 1.

Parish gets \$1 million grant for housing

By GENEVA GRIFFITH

Cameron Parish housing, which has been in short supply in the past, will get a big boost with the approval of a \$1 million Section 8 grant which will encourage more housing for low income families in the parish.

The Cameron Parish Police Jury Monday granted Dinah N. Landry, director of the Cameron Council on Aging and Community Action Agency, the authority to accept \$1 million dollars in a Section 8 Grant on which she had been working for four years.

Landry said she plans to get the project under way by March 1. The Police Jury praised her for her work in getting the money.

The Jury, after a lengthy discussion, agreed to allocate \$50,000 a year for economic development. Juror Steve Trahan said he believed that the parish could obtain matching fund grants if matching funds were already available.

A low bid of \$203,811 was accepted from Ferrara Fire Apparatus was for a new fire truck for the Creole Fire Dept. They also approved a low bid of \$51,800 from M & G Construction Co. for guard houses at the six waste collection sites around the parish.

The Jury noted that the low bidder on the handicapped ramps for the three new satellite libraries, Henderson Construction, has defaulted on the bid because he could not secure a performance bond, so the second lowest bid from Ribbeck Construction Co. was accepted so the job can be completed and the facilities opened. His bid was \$48,000.

Sam Istre Const., with a low bid of \$169,700 won the bid for building Jetty Pier restroom facilities.

Little League

The Grand Lake Little League will hold a meeting at 6 p.m., Tuesday, Jan. 14 at the Grand Lake Recreation Center to elect board members for the 2003 season.

All positions are available for election and everyone is encouraged to attend.

ELECTED MONDAY at the Cameron Parish School Board meeting were, from left: Loston McEvers, board vice-president; Doug Chance, new School Superintendent; and Clifton Morris, board president.

Chance is new superintendent

By JERRY WISE

Douglas L. "Doug" Chance, 59, a veteran educator with 35 years of experience, was elected as Cameron Parish's new School Superintendent at a special School Board meeting Monday morning.

He succeeds Judy Jones, who is retiring, and went to work immediately.

Chance was elected by a 5-2 vote with Dwayne Sanner, Pat Howerton, Loston McEvers, Marvin Trahan and Rachel Abadie voting for him.

Voting for Al Burguieres, the other candidate for the position, were Clifton Morris and Dorothy Theriot.

It was announced prior to the voting that a third applicant, John DeBarge of Hackberry, had withdrawn his name from consideration due to illness of a family member.

Clifton Morris was elected as board president by a 4-3 vote over Pat Howerton, president for the past year. Loston McEvers was elected vice-president without opposition.

Morris appointed a committee composed of Loston McEvers, Dorothy Theriot and Dwayne Sanner to work out details of the contract with the new superintendent.

The position had been advertised with a salary range of between \$70,000 and \$90,000. The contract will have to be approved by the entire board.

Chance said he intends to move to Cameron Parish as soon as he can find a home.

Addressing the board after his election, Superintendent Chance said he would be a "child centered" superintendent and that every position in the school system will be important.

Chance said that one of projects that he will ask the board to pursue will be observance throughout the school system of the 50th anniversary of Hurricane Audrey in 2007.

GED classes being held in two areas

The Cameron Community Action Agency announces the continuation of GED classes in the Grand Lake Community. The classes are held from 5 to 8 p.m. on Monday, Tuesday and Thursday evenings at the Big Pasture Fire Station. All classes are free of charge and open to the public.

GED classes also are continuing in Cameron on Tuesday, Wednesday and Thursday from 5 to 8 p.m. at the Cameron Senior Center, 723 Marshall Street.

Cameron Outdoors

By LOSTON MCEVERS

The holiday season has passed, two rounds of bad weather, cold fronts and still the same story on duck hunting. Good today, bad tomorrow and worst the day afterward. Some marshes do have enough ducks to produce limits, but I'd say 80% of our marshes are not producing limits, due to lack of birds.

The areas I hunt is a limit today, one or two tomorrow and maybe 4 or 5 the next day. I've been hung up on 4 teals for 4 hunts (green-winged teals), and I'm not complaining.

I understand the Big Burn is also slow as some of the hunting clubs are taking in 49 to 60 ducks a day, with blinds with 1 or 2 ducks. I really don't think it's lack of cold weather, as I have talked to hunters up in north Louisiana and it's the same story, even on geese. I think it's really our duck population has dwindled down, and I see it getting worst. There is no telling what our limits will be for the 2003-04 season or how many days we'll have for our duck season.

HUNTING SEASONS STILL OPEN

Most of our hunting seasons are coming close to an end. These following seasons are till open:

Deer, archery, Area 3 - through Jan. 15.

Canada Geese, certain areas - Jan. 18-26.

Ducks, coots, west zone - Jan. 19.

Woodcock, statewide - Jan. 31.

Geese, statewide - Jan. 31.

Squirrel, statewide - Feb. 9.

Snipe, statewide - Feb. 21.

Rabbit, statewide - Feb. 28.

Quail, statewide - Feb. 28.

Nutria, statewide - Feb. 28.

Geese, Conservation order, statewide.

Only snows, blues and ross geese may be taken under the terms of the Conservation order, in which you may use electronic calls and unplugged shotguns, with no daily bag and possession limits. Shooting hours begin one half hour before sunrise and extends to one half hour after sunset.

If you're a turkey hunter, areas A, B, C all begin on March 22.

FISHING REPORTS

I don't know about you, but I'm ready for spring and fishing. I fish for redfish after hunts, but it's slowed down in our marshes, but still a few fish being caught at the Cameron Jetties and on calm days, anglers are going out of Grand Chenier fishing the closer rigs or platforms. Some are catching a few catfish in Little Pecan Bayou.

Talking about catfish, angler's catfish sets record after nearly a quarter century later.

A 30 pound 5 ounce channel catfish caught by Harold Clubb on August 19, 1977 was finally recognized as a Louisiana record. Back in 1977, Louisiana had all the catfish species into one category, which made Clubb's giant cat the seventh largest catfish ever caught in the state.

In 1994 the La. Dept. of Wildlife and Fisheries split up the catfish category to recognize blues, flatheads and channel catfish separately, but didn't automatically take previous catfish catches to record book status.

In 2001, Harold Clubb noticed that the state did not list a record channel catfish, so he submitted his original catch certificate, along with a photo of the trophy fish.

After all those years, the Louisiana Dept. of Wildlife &

Rabbit hunt cancelled this year

According to refuge manager Glenn Harris Cameron Prairie National Wildlife Refuge will not conduct the Lottery Rabbit Hunt on the refuge this year. Recent monitoring of the rabbit population by refuge staff has indicated

that the current population is too low to conduct the hunt.

Record high water levels throughout the fall forced rabbits and their predators to occupy the same high ground for several months, likely contributing to the reduced rabbit population.

Cameron Prairie National Wildlife Refuge biologists will continue to monitor the rabbit population and if the numbers increase sufficiently, the refuge will resume the Lottery Rabbit Hunt in 2004.

Fisheries finally made the record setting the catch official, last May of 2002. This angler waited 25 years to have a first place fish in the records. They say you're never to old, even to set a record on large catfish.

Open house set to explain refuges plans

National Wildlife Refuges in southwest Louisiana managed by the U. S. Fish and Wildlife Service are participating in a Comprehensive Conservation Plan (CCP) process and would like to invite the public to participate. The CCP is developed with partners such as state wildlife agencies, elected officials, non-governmental conservation agencies, and interested public.

Refuges in Cameron Parish undergoing the process include Sabine, Cameron Prairie, and Lacassine National Wildlife Refuges. These Refuges are three of more than 535 nationwide within the National Wildlife Refuge System which is dedicated entirely to the conservation of wildlife and their habitats.

One of the first steps in the CCP process is to solicit public input regarding management of the refuges. An open house meeting will be held on Jan. 16 at the Best Suites Inn, 401 Lake Shore Drive, in Lake Charles to give people an opportunity to discuss or comment on management issues.

The public may drop by anytime between 2 p.m. and 7 p.m. to view displays, pick up information, or talk with Refuge personnel. Formal presentations will be given at 2:30, 4:30, and 6:30 p.m.

In 1997, congress passed the National Wildlife Refuge System Improvement Act which set the stage for ensuring that wildlife refuges continue to be managed for the benefit of both wildlife and the American people. The Act articulates a clear conservation mission for fish, wildlife, and plant conservation and also mandates CCP's be prepared for every national wildlife refuge.

Anyone who is interested in the future of the Refuges is invited to participate. For further information on the meeting, please call Natural Resource Planner Judy McClendon at 337-598-2216 or 337-526-3667.

Johnson B. KCs hold Dec. meet

BASKETBALL ACTION

BOYS

Iowa 59; Grand Lake 57- The (2-13) Yellow Jackets slipped past the Hornets in this non-district matchup. Trevor Hebert and Barry Reed scored 17 points each for Grand Lake and Adam Johnston added 13. Grand Lake falls to 9-17 on the year.

GIRLS

Iowa 38; Grand Lake 27 - Sarah Bristler led the Lady Hornets with 9 points. Grand Lake is now 11-12 on the year.

Officials are sworn in here

Cameron Parish Sheriff Deputy Robert Primeaux led in the Pledge of Allegiance at the ceremony and the Rev. Wayne Taylor, pastor of the Sweetlake Methodist Church, gave the invocation and benediction.

With Clerk of Court Carl Broussard doing the honors, a number of Cameron Parish public officials were sworn in at a ceremony held Friday morning in the courtroom in the courthouse.

They included Judge H. Ward Fontenot, who was elected for a fourth 6-year term, and Cecil R. Sanner, who was elected as the parish's new District Attorney.

Constables and Justices of the Peace from the parish's six wards also received their oaths.

Judge Fontenot gave the welcome address and reviewed the history of the 38th Judicial Court. For many years, Cameron was part of the Calcasieu Parish court system, but was able to have its own court created 18 years ago.

Fontenot has been the judge for those 18 years, with Sanner becoming the third District Attorney to serve the parish.

Clerk of Court Broussard introduced parish officials in attendance, giving special recognition to retired Clerk of Court J. Berton Daigle, who held that position for 28 years.

Retiring District Attorney Glenn Alexander said that he was proud to be succeeded by Sanner, who was named as an assistant district attorney when he went into office but had to be away from the job for about six months while serving in Desert Storm.

Alexander praised other members of his staff, including the other assistant district attorney, Jennifer Jones.

(Jones will continue her assistant D. A. position under Sanner, who plans to name another assistant in the near future.)

Although he was sworn in Friday, Sanner will not officially become the District Attorney until Jan. 13.

Tips given on how to save on water heating

The Cameron Council on Aging offers the following tips on how to save money on water heating:

Repair leaky faucets at once. One drop a second can waste as much as 50 gallons of water in a week.

Cut the hot water heater thermostat setting back to 120 degrees to 140 degrees, depending on whether an electric dishwasher is used. You can save over 18% of the water heating energy you use at the factory setting.

Cut off the hot water heater during the day when no one is at home. It takes between 30 minutes and one hour for water to be heated for use when you return.

Keep new hot water heaters free of mineral residue. A buildup of mineral deposits can cut down on its effectiveness because it takes longer for water to heat up.

Drain a few times each year. (Do not start this practice on old hot water heaters.)

Add insulation around the water heater you now have, unless it is the superinsulated type, be sure not to block off air vents. You could save \$8 to \$20 per year in energy costs, much more if the hot water heater is located in an unheated area of your home.

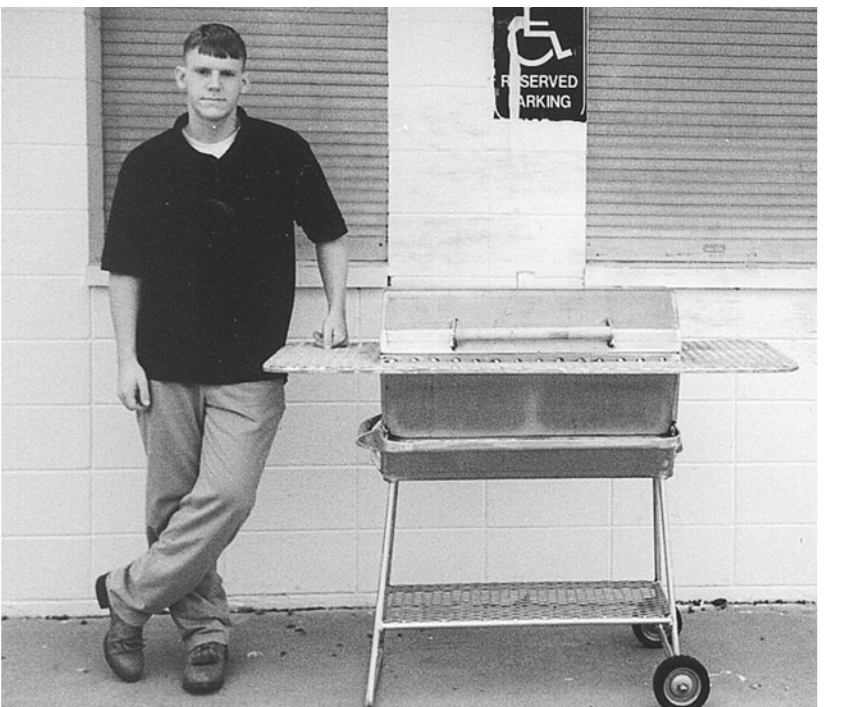

Do as much housecleaning with cold water as possible. Insulate hot water pipes from the water heater to place of use - bathroom, kitchen, etc. to keep heat from escaping from the pipes.

Install flow control devices for kitchen sinks, bathroom sinks and shower heads. Flow rates without the control devices can be up to 12 gallons per minute. The cost of a flow control device varies from 10 cents to \$20.

Take short showers instead of long baths.

THREE CAMERON Parish 4-H leaders are pictured in front of a mock birthday cake commemorating the 100th birthday of 4-H. Shown above are, from left: Dede Nunez, Cameron Parish Shooting Sports Coordinator/Jr. Club leader; Sherry LaVergne, Grand Lake Sr. leader; and Mike LaVergne, Cameron Parish 4-H agent. These leaders were attending the Southern Region Leader Forum at the Rock Eagle 4-H Center in Eatonton, Georgia.

JOHN RICHARD of Cameron is shown with the barbecue pit that he won recently in a raffle conducted by the South Cameron Rodeo Booster Club. John is a rodeo team member himself. Funds raised will be used to help sponsor the South Cameron High School Rodeo.

Rides are provided here

The Cameron Public Transit System wishes to announce Rideser Appreciation Week, Jan. 27 - 31. The System operates throughout Cameron Parish providing transportation services to those in need.

Handicapped equipped vans assist those in wheelchair, on scooters or those using other medical devices to obtain transportation services to various areas.

On Tuesdays and Thursdays, trips are made to the Lake Charles area.

Call 775-5668 for more information or to schedule a ride. Fares are charged.

Carving is being raffled

A duck carving by Cameron artist Robert Schwark, Jr. is being raffled off to raise funds for the Fur Festival this week. Tickets may be purchased at local banks, on the Festival grounds and at the evening programs. The drawing will be held at the Saturday night program.

Holly Beach history retold; hotels there early in 1900s

Cameron Pilot, Jan. 8, 1970. EARLY HOLLY BEACH

By MRS. WALTER STANLEY

The Daigles of Cameron Parish reportedly had hotels in the early 1900's at Holly Beach. One of them drowned in a 1910 storm.

People came to the Gulf for medicinal purposes. The salt water and sand was thought to have curative powers.

Prior to the building of roads, Alcia Daigle floated a houseboat by waterways from Grand Lake to Holly Beach. It was hauled on his lot from the beach and

Fisherman's and trapper's book available

By: KEVIN SAVOIE
LSU Extension Agent

Over the years, many of you have used the LSU AgCenter's Commercial Fisherman's and Trapper's Record Book to keep a record of all your expenses and earnings. With the new year upon us, now is a good time to get your new record book. Also available, are sales tax exemption applications for commercial fishermen. If you would like a record book or sales tax exemption application, call, write, or drop by my office in Lake Charles. My phone number is 337-491-2065.

Applications for commercial fisherman's sales tax exemptions may also be obtained by calling Louisiana Department of Revenue offices in New Orleans 504-568-5226 or Baton Rouge 225-219-7356. The application must be filled out, signed, and notarized before being sent back to the Department of Revenue.

A copy of the person's last federal income tax return must be included to prove that the applicant made at least 50% of his income from commercial fishing. Also included must be copies of the Department of Wildlife and Fisheries vessel license and either the state vessel registration or Coast Guard vessel documentation papers. It takes the Department of Revenue about two weeks to process the paperwork after they receive it.

Other reports that were presented to the club were by Jessica Weaver (Parliamentary Pointers) and Elizabeth Smith (CRD Report).

Mrs. Sherry LaVergne, club leader, announced that Trinity Cline and Cody Lemaire had participated in the Cal-Cam and La. State Fair Livestock shows.

remained a landmark until destroyed in 1957.

Roads were built in the 1930's and the lure of the beach has brown stronger each year.

Mr. and Mrs. Joe Corbello moved with the advent of roads. Mr. Corbello and Mr. Daigle operated a hunting club for years which brought hunters from all sections of the state and the far north.

Steadily the place became known and enterprising souls began to speculate. A business here and there, changing hand occasionally, began to emerge.

Farmers from Iowa, Kaplan, and eastern parishes built summer camps in the early '30's. It grew remarkably until Hurricane Audrey.

Potentials is credited for the popularity of this resort. Friendliness can be listed as a resource. There are no strangers there. No one is ever turned down for chit-chat or information. A spirit of amenity has done much to foster promotion.

If a mood for solitude strikes, one walks on shifting sand and a rolling surf can dull any tension. If conviviality is desired the beach is the place to go. Holly Beach is not glamorous or luxurious but it is "people."

On Saturday, January 18, 2003, a **continuation** of two property taxes, which help form the basis of our recurring revenue, will be presented to the voters of Cameron Parish. These property taxes are used for maintaining and operating the public schools in Cameron Parish. The continuation of these levies is critical to the **financial stability of our school system.**

These taxes generate approximately **2.1 million dollars** (9.23 mills and 6.58 mills) in revenue so you can certainly see the adverse effect this loss in recurring revenue would have on our school system.

As the newly elected Superintendent of Schools of Cameron Parish, I pledge that the monies generated from your taxes will be used to continue to improve the education of our children and to maintain and operate our schools in the most cost-efficient manner.

FINDINGS OF NO SIGNIFICANT IMPACT NOTICE

USDA Rural Development has received an application for the financial assistance from Cameron Parish Sewer District #10, 2436 Mallard Rd., Cameron, LA 70631, Cameron Parish. The proposed project includes the construction of a community wide sanitary sewer system and wastewater treatment facility for the Town of Holly Beach. The entire project area is located in a FEMA designated floodplain, and an area designated as a Coastal Zone Management Area. A portion of the project area has been determined to lie within wetlands and is subject to U.S. Army Corps of Engineers' (CORPS) jurisdiction.

As required by the National Environmental Policy Act, Rural Development has assessed the potential environmental effects and has determined that the project will not have a significant effect on the human environment and the Environmental Impact Statement will not be prepared. There are no alternatives to construction in a FEMA designated floodplain because the entire area is located in a floodplain. Prior to any construction the District will apply for and obtain Consistency or a Coastal Use Permit (if required) from the Louisiana Department of Natural Resources. The conversion or filling within areas designated as wetlands will be minimized to the extent possible. Any and all permits required by local, state, and federal mandates (including the Corps section 404 and Section 10) will be obtained and the applicable permit stipulations employed.

Copies of the Environmental Assessment are available at the Rural Development Area Office located at the USDA Service Center, 905 Jefferson Street, Suite 320, Lafayette, LA 70501-7913. For further information interested persons may contact Mr. Gerard Labat, Rural Development Specialist, Rural Utilities Service by telephone at (337) 262-6610, extension 126.

A general location map of the proposed sewer system service area is shown below.

PROCEEDINGS

Cameron Parish Public Library
 Board of Control
 December 4, 2002

The Cameron Parish Public Library Board of Control met in regular session on Tuesday, October 28, 2002 at the Cameron Library at 1:00 p.m. The following members were present: Sallie Sanders, Wanita Harrison John Calzada, Cindi Sellers, Madeline Solina, and Edward Petersen. Guests in attendance were Darrell Williams, Charlotte Troclair.

Wanita Harrison led the prayer and Edward Petersen led the Pledge of Allegiance.

On the motion of Madeline Solina, seconded by Cindi Sellers and carried the board accepted the minutes.

Darrell Williams discussed the financial report. Mr. Petersen suggested Mr. Williams check into the loan the library has to verify whether it has a penalty for paying it off early or not. Ms. Solina requested Mr. Williams to include in the financial report not only the percentage but to include the dollar values. On the motion of Madeline Solina, seconded by Wanita Harrison and carried the board accepted the monthly financial report.

Mrs. Solina inquired whether Ms. Troclair was coding invoices at this time. Ms. Troclair reported the library had not yet received the codes and that she had spoken to Mr. Williams and he informed her she would have to get the list of codes from Emily and it should be no problem.

Ms. Troclair reported she was waiting to begin to code the invoices at the beginning of the new year. Mr. Calzada replied that was a good decision to start with the new year.

On the motion of Ms. Solina, seconded by Mr. Calzada and carried the board agreed to accept the maintenance personnel job description.

On the motion of Mrs. Solina, seconded by Mrs. Sellers and carried the board agreed to send a letter to AAA Construction informing them there was no approved change order for Johnson Bayou corrections.

On the motion of Ms. Solina, seconded by Mr. Calzada and carried the board agreed to accept the bid of Greg Boudreaux for the circulation desk in Hackberry for a price of \$5415.00.

On the motion of Ms. Solina, seconded by Mr. Petersen and carried the board agreed to a 5% cost of living increase to full time library staff and director to be effective December 1, 2002.

Elections of officers was tabled until a new member is appointed in January, 2003.

The next meeting was set for January 14, 2003 at 4:00 p.m.

There being no further business and upon motion of Madeline Solina and seconded by John Calzada the meeting was adjourned.
