"Cameron ..The Great Outdoors Parish"

THE FORMER Johnson Bayou branch building of the Cameron State Bank has been sold to the Cameron Parish Library to be used as a branch library. The building, which had been vacant for several years, along with the property was sold for \$75,000 by Butch Crain Construction.

## Turnouts to be built between H. B. & Hack.

Among the permit applications which the Cameron Parish Police Jury will consider at its monthly meeting at 5 p.m. Monday is one from the Southwest Louisiana Convention and Visitors Bureau for the construction of turnouts on highway north of Holly Beach.

This is on the Creole Nature Trail which draws thousands of visitors each year to view the marshes, wildlife and birds.

Since Hwy. 27 has no shoulders, motorists have no place to park to view if they want to get

a closer look at the alligators or the roseate spoonbills.

Four turnouts will be constructed between Hackberry and Holly Beach with one on the Sabine Wildlife Refuge and the others on privately owned property.

Parish Administrator Tina Horn said bids will be sought in the near future for the turnout construction.

The jury will also make appointments to Ambulance District 2 board. The terms of Dinah Landry and Edmond Trahan have expired.

## Lady Mustangs in Sweet 16 tourney

The third ranked Hackberry Lady Mustangs continue to build a basketball dynasty. For the third straight year since winning the state Class C championship in 2000, the Lady Mustangs will play in the Sweet 16 Tournament in Hammond.

Veteran head coach Eddie Michalko, who has over 500 wins to his credit and his Lady Mustangs, who are 30-6 overall, took on Fairview (33-5) in the semifinal round Thursday at 2:00. The winner will advance to the championship game at 1:00 on Saturday.

Hackberry advances to the Sweet 16 by way of its wins over Starks, Saline, and Summerfield. The Lady Mustangs defeated Summerfield 55-20 in the quarterfinals. They outrebounded Summerfield 46-20. Leah Billedeaux led Hackberry with 14 points and 14 rebounds. Meagan Broussard chipped in 12 points and had 11

rebounds. Edie Leonards added 12 points.

## Hackberry kindergarten registration

Registration for children entering Hackberry High School kindergarten next fall will be held on Thursday, March 7 at 10 a.m. in the school library.

Children entering kindergarten for the 2002-03 session must have been born on or before Sept. 30, 1997.

Parents who plan to register children are urged to bring birth certificates, social security cards, immunization records and proof of residence to the registration. Parents who do not yet have these records should begin proceedings to secure them.

Mrs. Laurie Jones, Cameron Parish School Nurse, will talk with parents about immunizations now required by law before a child begins school.

## 16 apply for police jury sales job

The Cameron Parish Police Jury has received 16 applications for the position of parish sales representative whose job will be to sell advantages of the parish to potential developers and business owners.

The applicants will be interviewed beginning Friday, March 1 and the jury is expected to fill the position at its April meeting.

The position became vacant recently when James Ducote of Hackberry accepted a position of southwest regional representative of the La. Dept. of Economic Development.

The jury also will consider establishing an Industrial Development Board with three members to work to bring business to the parish.

## Permit asked by District 7

Gravity Drainage District 7 of Cameron Parish has applied for a Coastal Use Permit to install a water control structure near the Sabine Pass Lighthouse in the Johnson Bayou area.

The structure will consist of four 39 in. by 56 in. by 60 in. long cap arches. Each arch will be equipped with a flap gate and weir inlet.

The structure will also include a 24 in. by 60 ft. long cap. An earthen embankment 60 by 120 feet will be constructed using material removed from the water bottom of Light House Bayou.

## Commodities to be given

The Cameron Community Action Agency will distribute commodities Wednesday, March 6 from 8 a.m. to 12 noon and from 1 p.m. to 4 p.m. at the Council on Aging building in Cameron. All the surrounding communities are urged to participate. For more information please call the office at 775-5668.

# \$100,000 approved for study of loop maintenance here

7th District Congressman Chris John announced today that he has obtained a \$100,000 commitment through the U.S. Army Corps of Engineers for the performance of an "assumption of maintenance" study on Cameron Loop at the Port of Cameron.

"This funding is welcome news for business and industry in Cameron Parish. The Loop is a waterway that has an enormous economic impact for the area, and this study will help us

find solutions for the maintenance and longevity of the channel," stated Congressman John.

Currently, the Corps of Engineers maintains a 1.1 mile portion of the channel that extends eastward along the northern reach of the Loop. The maintenance study announced by Congressman John today, could enable the Corps of Engineers to assume dredging along the remaining 2.2 miles of the Cameron Loop channel. For businesses located along the southern end of the loop, many of whom depend on the business of servicing the offshore oil and gas industry, this news means a positive economic impact for the area.

"Industry located along the Loop has suffered from the shoaling of the channel in recent years, which has made navigation risky for many vessels and impossible for others," stated Congressman John. "Should the Corps be enabled to assume maintenance and dredging of the southern end of the Loop, businesses in the area will no longer have to worry that deep-water vessels will suffer from hindered travel and turn to ports in Texas for access. In the future, this channel could be a permanent and dependable route for offshore boats and vessels doing business in South Louisiana."

"I am extremely pleased that Congressman John was able to obtain the \$100,000 from the U.S. Army Corps of Engineers for the assumption of maintenance study on Cameron Loop at the Port of Cameron," added Louisiana State Representative Dan Flavin. "Once this study is completed, the Monkey Island Bridge project will then be able to move forward. As I have stated many times, the completion of this bridge will bring about vast economic development in Cameron Parish."

Cecil R. Sanner

## Sanner seeks dist. attorney position

Cecil R. Sanner is a candidate for the office of District Attorney for Cameron Parish.

He seeks the post held by Glenn W. Alexander, District Attorney, who announced that he will not run for re-election. Sanner has been serving as an Assistant District Attorney since 1991. The parish-wide election is October 5, 2002.

Sanner is a 1963 graduate of Hackberry High School and received a B.A. Degree in Social Studies Education from McNeese State University in 1967. He graduated from the LSU School of Law in 1970, where he served as Secretary of the Student Bar Association and President of the Flory Trial Club.

Sanner was an ROTC graduate of McNeese State and is a veteran of the U.S. Army and the Louisiana Army National Guard. He retired as a Lt. Colonel from the National Guard in 1991. He commanded the 199th Forward Support Battalion of the 256th Infantry Brigade during Operation Desert Storm.

He has law offices in Hackberry and Lake Charles.

He has served as President of the Camp Fire Council of Sowler and is a recipient of the Gulick Award, the highest honor in Camp Fire. He was a charter member of the Volunteer Center of Southwest Louisiana and also served as President. He is presently serving his second term on the Louisiana Attorney Disciplinary Board and is general counsel to the Southwest Louisiana Association of Realtors.

He has two children; Erin, a resident of New Orleans, and Matthew, who lives in Paris, France.

His great grandfather, Ernest Sanner, was a pioneer settler and rancher in the Hackberry community in the early 1900's. His grandfather, Raymond Sanner and his father, Joe Sanner, served for many years on the Cameron Parish School Board. His mother, Nita Benoit Sanner, resides in Hackberry.

## Citgo, Conoco study dock at Cameron

By SUNNY BROWN  
American Press

Citgo and Conoco are looking for a cheaper way to transport crude oil to their local refineries, including a Cameron Parish dock, refinery officials said Thursday.

The refineries currently ship the oil in tanker vessels through the Calcasieu Ship Channel to their docks.

For the past several years, though, the refineries have been at odds with the Lake Charles Pilots Association over how much the pilots charge to bring the boats up the channel.

A federal law, designed to prevent disasters like the Exxon Valdez oil spill in the 1980's, requires companies to employ professional pilots to move their ships from the Gulf of Mexico to local docks.

In the past several years, the pilots have asked for more money for the service.

The state Supreme Court is in the process of deciding a lawsuit related to the fairness of the tariff structure, which was enacted by the State Public Service Commission.

The cost of pilot fees, along with the potential for increased traffic in the channel as a result of local industrial expansion, has prompted the refineries to look at other ways to transport oil, Citgo's Patricia Hemphill said.

"There are several options," Hemphill said. "We are in the conception stage. We are looking at Cameron and considering other options."

Conoco's Lynn Hohensee said,

Brett Wicke

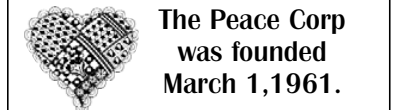

## Brett Wicke Cattlemen's Assoc. Queen

Brett Wicke of Grand Lake was crowned the Louisiana Cattlemen's Association Queen on Jan. 12 in Baton Rouge. The contest included contestants from across Louisiana. They competed in personal interview and were required to answer an impromptu question on stage at the LCA banquet.

Brett will be in the LCA Beef Month Tour. She will be traveling the state during March, appearing on television and radio shows, spreading the news about beef and the cattle industry.

Brett is the 17 year old daughter of Gary Wicke and Cindy Wicke. Her parents and her grandparents are cattle growers. Also, she shows steers and commercial heifers and was a member of the 4-H Livestock Judging Team.

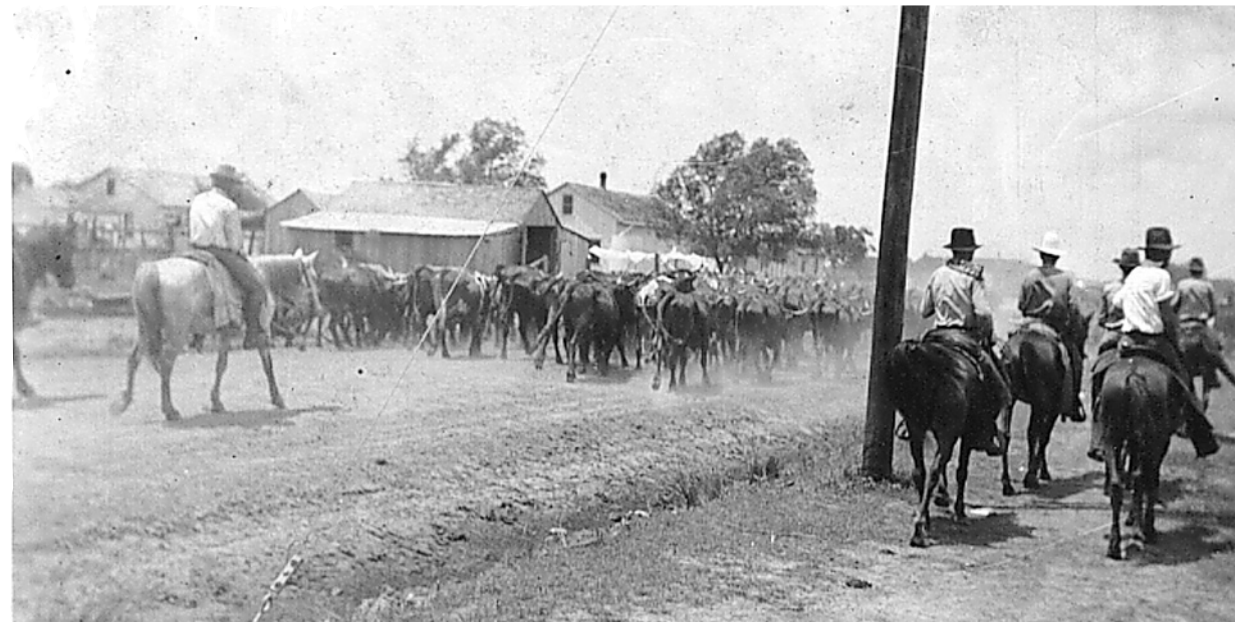

Brett was named Cameron Parish Premier Beef exhibitor and received the Masonic Honor and Integrity award. She maintains a 4.0 GPA at Grand Lake High School.

The Peace Corp was founded March 1, 1961.

CAMERON PARISH Ambulance District 2 ambulance crews from Johnson Bayou and Hackberry were each presented with an Automatic External Defibrillator by Police Jurors Dusty Sandifer and Steve Trahan. The equipment will be used to assist ambulance crews in caring for patients in cardiac arrest. The AED trainer was also donated by Physio Control and will be used for training purposes.

THIS PICTURE of Cameron Parish cattlemen driving a herd to market was taken in 1935 in the Creole area. Cattle raising has been a mainstay industry in Cameron Parish for many years.

## Students prepare website

By GENEVA GRIFFITH

Five teams of students at South Cameron Elementary and High Schools are working to establish web sites on the internet to share their work with other students.

They will be competing on an international scale with other students who are setting up other web sites.

This week Katherine Wicke, Rose Martel, Alex Broussard, Arlis Duhon, and Chad Benoit visited Rockefeller Wildlife refuge at Grand Chenier and interviewed Frank Seebacher, a biologist at the local refuge on their project, "The Relationship

of Crocodiles and Alligators." The group's counselor is Mrs. Peggy Griffith, 6th grade teacher at South Cameron Elementary School.

Professor Seebacher has been working on his project two years and has made several trips from Australia to Rockefeller Refuge to work with the local biologists.

He said that he has learned from his work with crocodiles and alligators that they have a close kinship.

The local students hope to establish correspondence with other students from around the world on alligators.

**SHOWN ABOVE** is Mrs. Tootsie Doshier with her camouflage granny square afghan she made. She is one of the people who took the beginner crochet classes held at the library recently. The crochet group will meet at the library on Thursday nights beginning March 7th at 5 p.m.

### STUDENTS INTERVIEW "FESTUS"

Michael McCall, editor-in-chief of The Tarpon Beat, Cheri Griffith, feature editor, and Miss

Pam Riggs, sponsor, attended a press conference last week given by Ken Curtis, "Festus" of Gunsmoke of Dodge City fame, at the Charleston Hotel in Lake Charles.

Festus was featured at the Southwest Louisiana Fat Stock Show and Rodeo at McNeese. He was interviewed by the staffs of area high school newspapers.

### WORK TO START ON CHURCH

Construction of the new church for Our Lady Star of the Sea Catholic Parish at Cameron is expected to begin in June or July, the Rev. Alcide Sonnier, pastor, said this week.

Cost of the new church and its furnishings is expected to be about \$120,000 but the building probably will be valued at a much higher figure since Father Sonnier plans to supervise the construction and parishioners will do much of the work.

Father Sonnier, who also drew the design for the new church, said subcontracts will be let for various phases of the work.

The building will seat 412 persons, as compared to the 280 seated by the present church on the courthouse square.

The new church will be built directly in front of the church rectory on the east side of town and will be behind the shrine erected a few years ago.

The building will be of brick construction with laminated beams and a tile roof. It will have central heating and cooling.

### BLUEBIRDS MEET

The Helping Bluebirds met

## Cam. Elem. 4-H meets

The Cameron Elementary 4-H Club's February meeting was called to order by Vice President Thomas Trosclair.

Jody Trosclair discussed recent articles submitted to the newspaper. Ross Rowland discussed decorating the bulletin board in the hall for Easter. Shelby Willis and Erika Pickett gave parliamentary report. The new business reported as

as follows: Achievement Day, Grand Lake High, April 13. Challenge Camp, Mar. 8-10; District Cookery Contest, Mar. 20-21 - Katie Novorsky will compete in this.

The educational program for this month was a demonstration by officers on how to dye Easter eggs. All 4-H officers helped with the dying for the members.

Chance at 4-H Shooting Sports event

## Shooting sports program told for parish 4-Hers

### What is 4-H Shooting Sports?

The Cameron and Calcasieu Parish 4-H programs are offering a new program in our area. 4-H Shooting Sports Program has been started in 34 Louisiana parishes with 11 parishes participating in the State Tournament. Here are the answers to some questions that some people might have about this program.

**When and Where is the next Shooting Sports activity?** The Cameron and Calcasieu Parish 4-H have combined their groups and will meet on April 20 at 9 a.m. at the Lake Charles Gun Club on Ward Line Road for a bi-parish competition that will determine who will be on the teams that will represent Cameron or Calcasieu Parishes in the State Tournament scheduled for April 26 and 27. For more information call Mike at 775-5516 or Jimmy at 475-8812.

**What is Shooting Sports?** The Shooting Sports program is part of the Outdoor Skills Program

and is designed to raise the self-esteem of the youth involved. It has several different areas such as the Hunting/Wild-life discipline, which teaches things such as conservation, hunting skills, safety, and much more. Also taught are shotgun, archery, rifle, black powder, BB gun, and pellet gun.

**Where will the youth shoot?** The Lake Charles Gun Club has generously donated their facility for the youth to shoot and have their classes each month. Both Calcasieu and Cameron Parish will have separate teams that will be sent to the state competition. Youth can practice their skills on their own at the range during their regular business hours.

**Is Shooting Sports only about shooting?** No, about 90 percent of the Shooting Sports Program are safety and conservation, careers, and life long skills. A typical day at the range would start with 30 minutes of safety taught along with some other kind of drill, then the youth is taken by a trained instructor to shoot. The youth shooter NEVER touches the ammunition.

**How are instructor trained?** Potential instructors are trained for 12 hours then given a state and nationally approved test that must be passed before becoming a certified Shooting Sports instructor. They must also undergo a background check for convictions of any kind. If you are interested in becoming an instructor and helping the youth of our area, please call Mike at 775-5516 or Jimmy at 475-8812.

**How safe is Shooting Sports?** In the nearly 30 years that

well as eastern bluebirds and humming birds will start hanging around feeders.

If the weather is right, largemouth bass will also begin spawning towards the end of the month.

Spring starts Mar. 20, while we celebrate Easter on the last day of March, as well as see frog season ending for 2 months.

**DATES TO REMEMBER**

Through March 10, west zone, conservation order for light geese (snow-blues-Ross) use of electronic calls, unplugged shotguns, no bag or possession limits; shooting hours are one-half hour before sunrise to one-half hour after sunset.

Mar. 1, Rockefeller Refuge opens.

Mar. 15, Lacassine Refuge opens, outside pool.

Mar. 15, Sabine Refuge opens, with the 99th anniversary of Sabine Refuge on Mar. 14; a possibility it could open one day early.

Pool 3 will be catch and release only.

Apr. 29, Lacassine Refuge pool pens inside. Catch and release only. 25 HP motors only. Unit D asks electric troll motors only. All boats launch at the two public cement boat launches. Remember, there's a speed limit on the access road, strictly enforced.

Mar. 3, Lemesche Bass Club Rockefeller Refuge bass and redfish shootout, sunrise, east end, weigh-in 3 p.m.

Mar. 6, Lemesche Bass Club meets at K.C. hall in Creole, 6:30 p.m.

Mar. 17, Lemesche Bass Club tournament, Big Burn, pick a partner, sunrise to 3 p.m. weigh-in.

## Hackberry, J. Bayou boys lose in playoffs

**Singer 81; Johnson Bayou 60** -The JBHS Rebels basketball season came to an end Friday night as they were defeated by the Singer Hornets in the bi-district round of the playoffs. The Rebels made it into the playoffs as a wild card team and came up against a tough Singer team.

Johnson Bayou had four players scored in double digits. Dominique Sandifer chipped in 16 points. Kyle Badon added 12. Jared Trahan scored 11 and Adam Young added 10 points. The Rebels

end their season with a record of 9-23.

**Hackberry 61; Starks 40** - The district 10C champion Mustangs advanced to the regionals with a victory over wildcard entry Starks Panthers. Brett Stansel and Blake Murphy chipped in 15 points each to lead the Mustangs. Jake Buford added 14 points.

The Mustangs took to the road Tuesday night to face their next opponent, Summerfield, the District 1 runner-up. Summerfield defeated Calvin 72-40 in the bi-district round.

The Hackberry boys basketball team lost to Summerfield in the regional playoffs Tuesday night by the score of 68-51. No stats were available at press time.

## I, GARY SMILEY, APOLOGIZE FOR POLLUTING THE ENVIRONMENT

I am publicly apologizing to the citizens of Cameron Parish, the Cameron Parish Police Jury, the Thirty-Eighth Judicial District Court, the Cameron Parish District Attorney's Office, the Louisiana Department of Environmental Quality, and the Louisiana State Police for illegally plugging and abandoning monitoring wells without a license and illegally tampering with monitoring well devices.

I recently pled guilty in the Thirty-Eighth Judicial District Court to one count of plugging and abandoning monitoring wells without filing an application with the Louisiana Department of Transportation and Development and one count of tampering with monitoring devices. I am an environmental criminal. I have been sentenced to imprisonment for one year with the Louisiana Department of Corrections with my sentence to be suspended upon the condition that I serve three years of supervised probation with the special conditions that I make restitution to the Cameron Parish Police Jury in the amount of Eight Thousand Two Hundred Twenty Five and 50/100 (\$8,225.50) Dollars and restitution to the Louisiana Department of Environmental Quality in the amount of Four Thousand One Hundred Seven and 25/100 (\$4,107.25) Dollars, and I have also been ordered to make a donation to the Southern Environmental Enforcement Network in the amount of Five Thousand and 00/100 (\$5,000.00) Dollars for the purpose of providing training to regulatory, law enforcement, and prosecutorial organizations to facilitate successful environmental crimes, investigation, and prosecution. I have also been ordered to make this public apology.

I want to assure the citizens of Cameron Parish that I will take all steps necessary to ensure that in the future I will respect all environmental laws, and I hope that other potential violators will learn from my experience.

Gary Smiley

## PROCEEDINGS

Lower Cameron Parish Ambulance Board of Directors Meeting  
 January 16, 2002

Members present: President Phyllis Pinch, Vice-President Sethie Troclair, Secretary Anthony Mooney, Loston McEvers, Michael Booth.

Meeting was called to order by Phyllis at 4:40 p.m. Pledge was recited and the Lord's Prayer followed.

Copies of the minutes were handed out. Loston motioned to accept the minutes, Michael seconded, none opposed - motion carried.

Byron then presented the Director's report:

1. Quote for the awning was produced. The awning is to be 34 x 24 and attached to the station for better support.

2. He then presents the statistics for the month of December: 42 emergencies and 18 transfers. Emergencies: Transports (31); Refusals (6); and Cancels (5). Transfers: Hosp. to Hosp. (18). Standbys: District 2 (5). Sports events (1).

3. Copies of the bank statement were handed out for Board approval.

4. Letters of acceptance for the Broussard group to come in and do our yearly audit were handed out. These must be approved by the Board and signed by the President.

5. Copies of the budget for the year 2002 were handed out for approval of the Board.

6. Byron produced the laptop returned to us, along with a copy of the original invoice. The invoice had several things highlighted which had not been returned when Mr. Javins sent it back to us.

At this time the Board was asked for comments. Loston made a motion that we accept the bid for the awning, seconded by Tony, none opposed - motion carried. Next, Loston motion that we accept the budget for 2002, seconded by Sethie, none opposed - motion carried. Phyllis then signed the letter of approval for the Broussard group to come in and do the yearly audit. Loston then suggested that we send Mr. Javins a certified letter requesting those items not returned with the computer, or at least an explanation as to why they cannot be returned. He also suggested that a copy of the letter be sent to the District 2 Board and the Police Jury to avoid any more hearsay or problems. The motion was seconded by Michael, none opposed - motion carried. This concluded the Director's report.

Sethie Troclair then motioned that the Board reimburse the students for their books for the A & P class. Tony seconded, none opposed - motion carried.

Scott Trahan then extended an invitation to the Board to attend the agenda meeting of the Police Jury in order to make them aware of the outstanding bills owed to District 1 by District 2. He asked for a copy of all the bills. He also asked that the secretary send out reminders to the Board reminding them of the meeting. The secretary agreed to do this upon hearing back from Mr. Trahan.

Byron then presented this resolution to the Board for approval and a signature.

RUN: Feb. 21, 28 (F 40)

## — NOTICE —

Beginning March 01, 2002, Cameron Parish Waterworks District No. 2 will drop water rates \$1.00 per month. This will show up on your bill you receive in April. If you have paid ahead, it will be a credit to your account.

Based on our current financial condition, the Board of Directors believe that the Water District No. 2 can properly absorb this rate reduction, at least for one year and then re-evaluate the financial status in case the system suffers any major repairs and maintenance costs.

The Board does reserve the right to reinstate the reduction if the Water District's financial condition deteriorates in the future.
