

CLIFTON HEBERT, Grand Knight of the Cameron Knights of Columbus Council, recently received the Pastor's Award for Outstanding K. C. Member of the Year. He is a church trustee and, according to Pastor Al Volpe, he has been most helpful to the church and the pastor during the past four years.

Pastoral assignments told here

Bishop Edward K. Braxton of the Lake Charles Catholic Diocese has announced a number of pastoral assignments affecting several Cameron Parish Catholic church appointments are effective July 1 as follows:

The Rev. Roland Vaughn was appointed Pastor to St. Peter the Apostle Parish in Hackberry. Father Vaughn, who will remain in residence at Our Lady of the Assumption Mission in Johnson Bayou, replaces the late Eugene McKenna, M. S. Father McKenna died earlier this year.

The Rev. E. Joseph McGrath, pastor of Sacred Heart of Jesus Parish in Creole, was appointed Administrator of Our Lady Star of the Sea in Cameron.

Assisting Father McGrath at Our Lady Star of the Sea will be Msgr. Louis Melancon, who returns to the Diocese of Lake Charles from a Special Services assignment in the Diocese of Lafayette. Msgr. Melancon was appointed Associate Pastor to Our Lady Star of the Sea.

The Rev. Vincent Vadakkedath is reappointed Pastor to St. Eugene Parish in Grand Chenier, effective July 1, 2001 until June 30, 2007.

The Rev. Alfonse Volpe, transferring from Pastor of Our Lady Star of the Sea, was appointed Associate Pastor to Immaculate Heart of Mary Parish in Lake Charles.

Personnel changes are told board

The Cameron Parish School Board was informed of the following parish school personnel changes at the board's monthly meeting Monday:

*Madeleine Colligan, teacher at Cameron Elementary School, will retire July 5, 2001.

*Extended sick leave was approved for Melisa Bonsall, teacher at South Cameron Elementary School, May 14 to June 1, 2001.

*Resignations announced were: John Craig Moss, science teacher, South Cameron High School; Julie Van Metre, math teacher, Hackberry High School; Joycelyn Broussard, lunchroom technician, South Cameron High School (no new hire is necessary as a Grand Chenier lunchroom technician will move to that position); Jerry Fontenot, math teacher, South Cameron High School; Cindy Henry, special education teacher, South Cameron High School.

ADMIRING THE NEW computer which they recently donated to Our Lady Star of the Sea Catholic Church in Cameron are John and Brenda Conner. John recently sold some of his cattle to secure funds to purchase the computer, scanner, and printer which will be used in the church office. The computer was installed by Tony Mooney, another member of the congregation.

\$127,000 grant is told for Jetty Pier

Representative Dan Flavin and Senator Jerry Theunissen recently received notice from the Governor's Office of Rural Development that the Cameron Parish Police Jury has secured a grant in the amount of \$127,000 for the Jetty Fishing Pier at Cameron.

Currently, the Cameron Parish Jetty Pier Facility consists of a 300-foot concrete pier which extends out over the jetties and a 38-space recreational vehicle park. Since the completion of phase one of the pier, fishermen have enjoyed a safe place for saltwater fishing. prior to the existence of the pier, there was a serious threat of accidents when

fishing the popular rock jetty area and along roadways into Cameron.

This grant from the Office of Rural Development will allow for a 200 foot extension to the existing handicapped accessible pier which will allow more fishermen to enjoy a great saltwater fishing opportunity.

As of April 1, the Cameron Parish Police Jury stationed security guards at the facility and charge a gate fee of \$2 per person. There is currently a \$10 a night charge for recreational vehicle parking. The guards open the facility at 6 a.m. and it is closed nightly at 10 p.m.

Allison brings out mosquitoes in force

By DON MENARD
Mosquito Control Director

Heavy rain and extremely high tides produced by Tropical Storm Allison last week, have flooded mosquito breeding grounds throughout Cameron parish our surveys are finding tremendous amounts of mosquito larvae everywhere, which are now emerging and will produce large broods of daytime mosquitoes parishwide in the next few days.

Because heavy rains and high tides occurred on consecutive days, multiple broods are being hatched off, which means that new broods will be emerging on a daily basis for the next several days, re-infesting all areas we've just sprayed.

The entire parish is being checked as often as possible and spraying will be scheduled according to the severity of the problem in each area as mosquitoes appear. Since Some mosquitoes easily migrate 40 miles and

more, repeated sprayings will be necessary before populations will be able to be brought under control.

The public can help by emptying all water holding containers around yards and draining low spots in yards and pastures. To help reduce mosquitoes harboring in barns, garages and other sheltered areas where our spray doesn't reach, people can spray with permethrin which is an insecticide and a repellent. It is available at most feed stores and will help keep mosquitoes away for up to 2 weeks or more. It is very safe, available to the general public and even has directions on the label for spraying directly on livestock to keep mosquitoes and flies off them. Always follow the label directions.

Summer is also the prime time for equine encephalitis to occur, so if you haven't done so yet, contact your veterinarian soon to have your horses vaccinated. The vaccine takes several weeks to become effective

Extra paycheck told

By Geneva Griffith

Cameron Parish teachers and staff members will receive a 13th check in July but the exact amount will not be determined until a June 29 special meeting.

At its February meeting the board voted to give the extra check this year if funds were available at the end of the fiscal year.

At that time the checks had been estimated to be \$1,543 for teachers and \$670 for other

Hydrant tests

Cameron Parish Water District #1 and Fire Dept. will be testing fire hydrants from 4-7 p.m. on Thursday, June 14 and beginning again on Tuesday, June 19 until completed. Work will start at the west end of Cameron and proceed eastward. This may create low water pressure to residential and business customers.

School Board employees.

Supt. Judy Jones said the board has an estimate on the check amounts but wish to wait until June 29 before making them final.

She said the 13th checks will not take away from money used to benefit Cameron students and that this will be a means in the future of recruiting teachers.

Pork school to be held at L.S.U.

By MIKE LAVERGNE
4-H Agent

The LSU Agricultural Center Animal Science Department will offer a level 3 Pork Quality Assurance certification training on Thursday, June 21, on the LSU Campus in Arena 2 of the LSU AgCenter Livestock Show Facility. There is no charge for this training and it will begin at 10:30 a.m.

This training is offered to prepare 4-H and FFA exhibitors to participate in this years swine educational trip. The awards trip will take exhibitors who win the trip to the NAILE Show in Louisville, Ky. The trip will be held in November of each year. This educational trip will replace the swine educational trip that has been held for swine exhibitors in Memphis, Tenn. for the past several years.

The new swine educational trip and show will be open for market swine only and this show will be a terminal show. Exhibitors who wish to participate in the elimination show and attend this trip must be Level 3 certified in Pork Quality Assurance.

For more information about this training or the trip to Louisville, Ky. contact the Cameron 4-H office at 775-5516.

PRINCIPAL ZEKE WAINWRIGHT announced that Grand Chenier Elementary held its last awards assembly on Thursday, May 31. Shown above were members of Mrs. Debbie Heard's seventh graders class, from left t: Melaina Welch, Christian McCall, Eddie Kowalaski, Matthew Styron, Jennifer Schwalbe, Tamara Jo Nunez, Ashley Menard, Ben McAllister, Chris Fountain, Jodi Dyson, Michael Dowd, Mrs. Debra Heard and Mr. Wainwright. These students will be attending eighth grade at South Cameron High School next year.

G. Chenier school has been closed

Bus routes changes told for the fall

The Cameron Parish School Board at its monthly meeting Monday received a report from Ron Vining, maintenance supervisor, concerning the changes in school bus routes this fall when the Grand Chenier school is closed and its students transferred to the South Cameron Elementary School at Oak Grove.

The tentative schedule for transporting Grand Chenier students to South Cameron Elementary as well as South Cameron High is as follows:

Pat Duhon will begin her route at North Island Parish Road 147 and pick up all students that live between there and the Grand Chenier Elementary School. One additional stop will be made for a student needing help climbing steps of the bus. Her first pick up will be scheduled at 6:50 a.m. the same time as her route last year. She will arrive at South

Cameron Elementary school at 7:55 a.m. She will have 47 students assigned to her bus.

Margaret Little will begin her route at the Grand Chenier Elementary School and pick up students till she gets to the draw bridge. Her first pick up will be 7:00 a.m. She will arrive at SCE school at 7:55 a.m. She will have 50 students assigned to her bus.

Quida Boudreaux will pick up the students who live from the draw bridge to SCE school.

With the difference in ending time from Grand Chenier Elementary's 3:30 p.m. and South Cameron Elementary's 3:15 p.m. students riding these buses should arrive home at about the same time as in the past, if not sooner, Vining said.

He said he was requesting that two new buses be purchased and both will be located in the Grand Chenier-South Cameron area due to the length of these routes.

Petition is delivered to Governor

A petition signed by 424 voters in School District 4 seeking the recall of School Board Member Bill Morris was sent to Gov. Mike Foster last week who will to call a special election in the district.

Registrar of Voters Ruby Kelley said the petition contained 424 names which her office had certified as being those of registered voters in the district.

The original petition contained 426 names but 8 more were added and 8 persons requested their names be removed.

Only three names could not be certified as the signers were not registered or had moved from the district.

Law requires that the election be held on one of the several approved election dates. The next one is July 21 but it is doubtful that this election can be called in time for this date. The next eligible date would be Oct. 20.

Sponsors of the recall petition said they were seeking Morris' recall because of the School Board's recent vote to close the Grand Chenier elementary school at the end of the present school term.

Morris was one of the two board members to vote against the closing but petition sponsors said they did not think he did enough to keep the school open.

At its monthly meeting Monday, the school board heard a report on the changes in the bus routes in the Grand Chenier area due to the students there being transported to South Cameron Elementary.

Ron Vining, transportation supervisor, said that due to an earlier closing at South Cameron Elementary, Grand Chenier students should get home at about the same time as in the past.

Players are honored

The Lake Charles American Press has announced its All Southwest Louisiana big and small schools baseball and softball teams.

Grand Lake had 3 players named to the small school baseball team. Senior pitcher Josh Carlisle, who had a 5-0 record and 1.0 ERA is joined by teammates Kris Howerton and Anthony Hidalgo. Howerton is a senior outfielder who had a 400 batting average and 15 stolen bases. Hidalgo made the team as a utility player. He is also a

senior with a 514 batting average and 20 RBIs.

Named to the All SWLA small school softball team was South Cameron's sophomore pitcher Brittany Mudd. She had a record of 17-6 and 151 strikeouts. Melissa LaLande, a Lady Tarpon senior second baseman and freshman outfielder Santana Conner were also named to the team.

LaLande had a 330 batting average and 18 RBIs. Conner had a 519 batting average.

Grand Lake's Tiffany Breaux and Hackberry's Penni Wing were named to the team as utility players. Breaux is a junior with a 517 batting average and Wing is a senior with a 600 batting average.

Computer classes set

Cameron Parish School Board is sponsoring a kid computer camp for students in Cameron schools.

The classes will be held at Cameron Elementary School in the computer lab. They will start July 23 - 25 from 9 to 12 noon for Kindergarten to fourth grades. 1 - 3 p.m. for grades fifth to seventh.

Please call Angie Weldon at 775-7142 or you may call the school at 775-5518 from 8 to 12 noon to register. There is space for 20 students in each section.

50th wedding anniversary

Mr. and Mrs. Charles (nee-Adrienne Vaughan) Doshier of Cameron will celebrate their 50th wedding anniversary Sat., June 16 from 1 - 3 p.m. at Wakefield Methodist Church in Cameron. They were married June 16, 1951.

They have three children, six grandchildren, and four great-grandchildren.

Registration to be closed

Ruby Kelley, Cameron Parish registrar of voters, has announced that registration for the July 21 elections will close June 20.

Tax elections will be held in Water District 11 and Fire District 14, which includes the Big Lake, Grand Lake and Sweet Lake areas, District 3, Precincts 1 and 2.

THE GRAND CHENIER Elementary School closed at the end of school term and will not be reopened next fall. The action was taken by the Cameron School Board recently due to declining school enrollments. These students will attend South Cameron Elementary School in the future.

PICTURED AT Mass and dinner held on May 20 at Our Lady Star of the Sea Catholic Church to honor local graduates were the above: Tabatha Beard, Outstanding girl graduate; Kristen Sturlese, Outstanding CYO member; Joshua Picou, Christian Athlete award; Father Al Volpe and Judy Jones, Parish School superintendent.

Mrs. LaBove Traffic officers rites held to visit here

Funeral services for Rosie Mae "Rosa" LaBove, 70, of Hackberry were held Wednesday, June 13, in First United Pentecostal Church.

The Rev. Jimmy Sanner officiated. Burial was in Mimosa Pines Cemetery in Sulphur.

Mrs. LaBove died Sunday, June 10, 2001, in her residence.

A native of Jennings, she had lived in Sulphur for the past 40 years. She was a member of Calvary Baptist Church of Jennings.

Survivors include three sons, Tommy Lynn LaBove, Brian Keith LaBove and D. A. LaBove, all of Sulphur; two daughters, Angelina Perrodin of Hackberry and Eunice Shores of Sulphur; five grandchildren; and two great-grandchildren.

An added feature at this year's Vacation Bible School at Star of the Sea Catholic will be the appearance of two motorcycle officers from the traffic division of the Calcasieu Sheriff's Dept. Officers will display tactics for safe bicycle riding and will demonstrate some riding maneuvers on their motorcycles.

In addition to traffic division, two mounted police officers will also travel to Cameron with their horse mounts. This year's program has a western flare and their display of riding and roping will also be included thanks to the response of Sheriff Beth Lundy to Father Volpe's request for the children.

At the close of the program two new bicycles will be awarded boy and girl.

ROGER AND ANNE Ladd, left, were named Family of the month and Rodney Guilbeau, right, was named Knight of the Month for May by the F. J. Pavell Knights of Columbus Council 8323 of Johnson Bayou-Holly Beach at the May 21 meeting.

Lake Charles American Press, June 10, 1938. NEW OIL FIRM IN HACKBERRY

Application for charter of D.D.S. Oil & Gas Company, which is getting ready to put down a well in the East Hackberry field, today has been filed here with E. Claude House, clerk of court.

Officers of the company, with a capital stock of \$20,000, comprised of 200 shares at \$100 par value each, are Daryl Davis, president and manager; Joe E. Daniel, vice president, and R. R. Stone, secretary-treasurer.

The company's Daryl Davis 1 well will be drilled on the north ten acres of lot nine of the Doiron subdivisions, sections 37, 38, 39 at East Hackberry. Four hundred feet of runway has been constructed, derrick completed, and a rig is being moved to the location.

The well is to be an indirect offset to the Union Sulphur's State 1 on Unsurveyed Island. A shallow sand around 2,900 feet is the goal.

Davis purchased the 10-acre tract from heirs of H. E. Bickford in December, 1936.

Cameron Pilot, June 13, 1968. STORY OF A LIVING PIONEER

(By MRS. TOM TAYLOR) Darius Robideaux, long-time employed of the Sweet Lake Land & Oil Co., is one among the few who has been blessed with the allotted three score years and ten, plus several good years of active living. Mr. Robideaux is 88 and has an amazing memory.

Mr. Robideaux was born in Ontario, Canada, March 3, 1880. When he was 9 his parents with his brother and three sisters moved to Grand Bend, Mich., going with them were the Sadrac DisJardine family of 12 children. They established their home in Huron County 1 1/2 miles from Lake Huron.

The caravan was composed of three covered wagons. The Robideauxs had one wagon and the DisJardines had two. They settled in Michigan for 6 years, then began their trek for the Southland.

This was an arduous journey, Mr. Robideaux affirmed. He related one of his memorable experiences...riding horseback alongside of the wagons from Ft. Ritter, Indiana to Watson, Miss., over rough trails. "Every morning when we would begin to hitch our horses to the wagons, we had to keep a close watch on Jess DisJardine who was just a little fellow then. One morning he made his getaway and after much searching he was found in a dense canebreak. The howling wilderness and the jogging, stuffy covered wagon, I suppose, was just too much for little Jess."

On Sept. 28, 1895, after traveling hundreds of miles, crossing 13 ferries, they arrived at their destination—the home of an uncle, the Rev. Eucleis Paradis, a Presbyterian minister, in Welsh, La. It took them 3 months and 4 days to make this journey.

Mr. Robideaux commented on the hospitality of the southern people. To these tired and weary

travelers how much it must have meant.

It was back in 1906 when Mr. Robideaux was employed by the late Mr. H. G. Chalkley, Sr. He was chief engineer of their pumping plant at Indian Bayou, for many years. At age 75 he retired from active duty and was replaced by his son-in-law, S. W. (Weir) Flournoy, a brother of Mrs. Charles Precht, Sr., of Sweetlake.

About four years ago, Mr. and Mrs. Robideaux bought a place in Iowa and are making their home there. Two of their daughters, Dorothy and Mable live with them.

Mr. Robideaux's brother and three sisters are still living. they reside in California. His brother Adam is well known in this area. He was a resident of Sweetlake for several years, employed by Sweetlake Land & Oil Co. Of the 12 DisJardine children, only two are living, Jess DisJardine of Hayes and a sister who resides in California.

Mr. Robideaux was married to Josephine Buras of Buras, La. in 1902. To this union was born 8 children, 17 grandchildren, 53 great-grandchildren, and 2 great-great-grandchildren. Mrs. Dwight LeDoux of Sweetlake is one of their great-granddaughters.

JURY TO PUSH REGULATION

The Cameron Parish police Jury was scheduled to send a delegation to Baton Rouge this week to meet with the state highway department concerning a resolution on the three pontoon bridges in the parish adopted last week.

Introduced by the new Ward 2 juror, Lyle (Butch) Crain, the resolution asks the Corps of Engineers and the Louisiana Highway department to reach an agreement that the pontoon bridges will not stay closed to highway traffic for more than 20 minutes at a time.

Crain told the jury last week that it was a disgrace to keep motorists waiting up to an hour and a half while a long string of barges went by. He said that since the bridges have radio contact with the tugboats, it would be simple to slow down barge traffic once in a while before it reaches the bridge when there are a lot of cars going over the bridge. That way motorists would not be held up too long.

It was also reported that in one or two instances there have been cases when ambulances with badly injured persons that have been held up by the bridges.

THE RAIN CAME

Last week our concerns were, we're in a drought, however, this is Southwest Louisiana, and if you don't like the weather today, tomorrow it can change.

Tropical Storm Allison dumped rains from 2 inches to over 15 inches along our coast. We're sure to see a change in our fishing habits, as freshwater fish will scatter and although we had high tides, the rain water will

help flush the salt and just maybe the salinity will level off and not affect the saltwater fishing that bad, unless we continue getting lots of heavy rain. We do have plenty of water but still not as much as our neighbors to our east and to our west.

NEWS BRIEFS

Louisiana residents 65 years old and older will no longer have to purchase non-resident licenses to fish in Texas. Senior anglers will be able to use their Louisiana senior fishing license when fishing in Texas waters. Border waters are still like it used to be for senior who turned 60 before June 1, 2000.

If you owe a fine from past wildlife violations, and haven't paid up to date, with the new electronic license sales, it will show up and you will be refused a license until your fine is paid in full.

Luke 4: 18 & 19

The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord.

Preliminary Notification of Possible Impact to an Important Land Resource

The United States Department of Agriculture Rural Development is considering a pre-application for financial assistance sponsored by the Cameron Parish Police Jury located in Cameron Parish, LOUISIANA.

The specific element of this proposed action is the construction of a Parish Law Enforcement Center in Cameron Parish near the Parish Courthouse. The proposed development will take place in Section 31, Township 14 South, Range 9 West on the existing Courthouse grounds.

If implemented, the proposed action could have potential impact on the 100 year floodplain, wetlands, farmlands, coastal zone management area, and historic sites.

The purpose of this notice is to inform the public of this possible result and to request comments concerning (1) the impact of the proposed project on important land resources, (2) alternative sites or actions that would avoid these impacts, and (3) methods that could be used to reduce these impacts.

The proposed action is available for review at the following location:

USDA Rural Development
Mr. Gerard Labat, Rural Development Specialist
905 Jefferson Street, Suite 320
Lafayette, LA 70501
(337) 262-6610

Any person interested in commenting on the proposed action may do so by sending such comments within 30 days following the date of this publication to the above address.

A general location map is available at the USDA Rural Development Office described above.

LEGAL NOTICES

PROCEEDINGS
A regular monthly meeting for Cameron Parish Waterworks District No. 2 was held Wednesday, May 2, 2001, at the Waterworks office in Hackberry, Louisiana at 7:00 p.m.

PUBLIC NOTICE

NOTICE IS GIVEN pursuant to Section 21(D) of Article IV of the Louisiana Constitution for 1974 that BellSouth Telecommunications, Inc. has filed tariffs with the Louisiana Public Service Commission on May 21, 2001. This filing reduces time-of-day discounts for long-distance calls greater than 40 miles. Additionally, tariffs were filed May 31, 2001, which increase rates for Directory Assistance (DA) service outside the local calling area but within the area code and for DA service outside the local calling area and outside the area code. All changes are scheduled to be effective August 1, 2001. If you wish additional information regarding these tariff filings, you may contact your BellSouth Representative.

**PUBLIC NOTICE
CAMERON PARISH COASTAL USE PERMIT APPLICATION**

Interested parties are hereby notified that the Coastal Management Section of the Cameron Parish Police Jury has received the following apparently complete application for a Coastal Use Permit in accordance with the rules and regulations of the Louisiana Coastal Resources Program and R. S. 49, 213.1, the State and Local Coastal Resources Management Act of 1978, as amended.

L.C.U.P. Application #P010616.
Name of Applicant: EPR LLC, 1202 C. Kirkman Street, Lake Charles, La. 70601.

Location of Work: Big Lake, Sections 31 & 32, Township 12 South, Range 9 West Cameron Parish, Louisiana.

Character of Work: Proposed construction of three (3) homes/camps. The homes/camps will be built on piers, but the ground surface beneath the homes/camps will be aggregate. Approximately 17,800 cubic yards of hauled in material (clays and silts) will be deposited in the areas beneath, east and south of the homes/camps to obtain the desired elevations of the area. Another estimated 200 cubic yards of aggregate to be placed beneath the homes/camps.

The decision on whether to issue a permit will be based on an evaluation of the probable impacts of the proposed activity in accordance with the state policies outlined in R.S. 49:213.2. The decision will reflect in the national concern for both protection and utilization of important resources. The decision must be consistent with the state program and approved local programs for affected parishes and must represent an appropriate balancing of social, environmental and economic factors. All factors which may be relevant to the proposal will be considered; among these are flood and storm hazards, water quality, water supply, feasible alternative sites, drainage patterns, historical sites, economics, public and private benefits, coastal water dependency, impacts on natural features, compatibility with the natural and cultural setting and the extent of long term benefits or adverse impacts.

Certification that the proposed activity will not violate applicable water and air quality, laws, standards and regulations will be required before a permit is issued.

Any person may request, in writing, within the comment period specified in this notice, that a public hearing be held to consider this application. Request for public hearings shall state, with particularity, the reasons for holding a public hearing.

Plans for the proposed work may be inspected at the Cameron Parish Police Jury Annex Building, Coastal Management Division, Courthouse Square, P.O. Box 366, Cameron, Louisiana, (337) 775-5718. Written comments should be mailed within 25 days from the date of this public notice to Cameron Parish Police Jury, Coastal Management Division, Post Office Box 366, Cameron, Louisiana 70631.

Sincerely,
/s/ Earnestine T. Horn,
Coastal Zone Administrator
CAMERON PARISH POLICE JURY
