

SUSAN AND RICKY Romero were the first residents of Holly Beach to have Three-Dimensional Digital service installed in their home.

## Digital service comes to Cameron Parish

Cameron Communications has officially launched 3-dimensional digital service in Holly Beach. This unique product provides digital telephone, high-speed digital Internet connectivity, plus clear digital television entertainment all over existing copper telephone wire, simultaneously without any disruptions in service.

On Thursday, August 7th, Holly Beach residents are invited to a Premiere Party at the Holly Beach playground on Teal Street from 4 to 7 p.m., as Cameron Communications celebrates its 75th anniversary and the arrival of 3-dimensional digital service.

Three-dimensional digital is unique because it also allows customers to receive and review caller identification (Caller ID) information directly on their television screen.

A Voice Mail indicator appears on-screen to notify viewers of waiting voice mail messages. DigitalVision provides up to 138 channels of quality entertainment. Digital technology allows for seven Pay-Per-View channels, 30 music selections, onscreen program guide, as well as packages offering up to 24-

premium movie (HBO, Showtime, Cinemax, Starz, The Movie Channel, and Flix).

DigitalVision includes all local channels at no extra cost, and it requires no satellite dish, external antenna, or equipment purchase.

No other area television provider offers an on-screen caller ID and Voice Mail indicator. Three-dimensional digital service will be extended to Cameron in August and into Creole, Grand Chenier, and Johnson Bayou later this year.

Celebrating its 75th anniversary throughout this year, Cameron Communications is a locally owned and operated telecommunications company providing local and long distance telephone service, television entertainment, and Internet connection including FlashAccess DSL.

With over 130 employees, the Cameron Communications family of companies includes Cameron Telephone Company, Elizabeth Telephone Company, Cameron Long Distance, Cameron Publishing and Cameron Telephone Company-Texas.

## Motorcycle rider killed in accident

A 25-year-old Port Neches, Texas man was killed in a motorcycle accident near Johnson Bayou early Sunday morning, according to the Cameron Parish Sheriff's Dept.

Jason Anthony Byrd was killed when the motorcycle he was driving went into a ditch about 1.5 miles east of the Sabine Causeway.

A passenger on the vehicle, Christina Lynn LeJeune, also of Port Neches, suffered a broken neck and was airlifted to St. Elizabeth's hospital in Port Arthur.

Chief Deputy Theos Duhon of the Cameron Sheriff's Dept. said that Byrd may have hit an alligator in the road. He said the victims were found by a passing motorist.

## Dance for Life set at Grand Lake

The house will be rocking when the Little Chienier Playboys kick the night off for Cameron Parish's first Dance for Life to benefit the American Cancer Society. Scheduled for Sat., Aug. 16, the event will be held at the Grand Lake Multi-Purpose Building.

The program includes not only a dance from 8 p.m. to midnight open to all parish residents, but a live auction as well.

All funds raised at the Cameron Parish Dance for Life benefit those touched by cancer. The American Cancer Society works to reduce cancer incidence and mortality through research, education, advocacy and patient services.

This year in the United States, an estimated 1.2 million people will be diagnosed with cancer. Men have a one in two lifetime risk of developing cancer, and for women the risk is one in three. Additionally, the disease will kill approximately 552,000 Americans -- which means 1,500 people will die of cancer each day.

For more information about Cameron Parish's Dance for Life, contact Shirley Chesson, Dance For Life Chairman, at 598-2226, or the American Cancer Society at 433-5817. For questions regarding cancer, contact the American Cancer Society at 1-800-ACS-2345 or [www.cancer.org](http://www.cancer.org)

## Planning meet

The Cameron Riders Rodeo Club will hold a rodeo Saturday, Aug. 2, at the Cameron Rodeo Arena. Books open at 3 p.m. and the rodeo starts at 4 p.m. Prize money will be given.

A meeting is scheduled for Thursday, July 31, at the rodeo arena at 6 p.m. to discuss Saturday's plans. Interested persons may attend.

## Computer camp set at school

A computer camp for grades 1-4 will be held Aug. 5, 7 and 8 from 8:30 to 11:30 a.m. at the Cameron Elementary School computer lab. To reserve a spot at the camp call 775-5089 and leave a message.

## Board 'wrestles' with wrestling coach decision

By CYNDI SELLERS

(The Cameron Parish School Board met July 21, to continue its July 14, meeting which was cut short due to evacuation for Tropical storm Claudette.)

All student records for the Cameron Parish School System will now be collected in one advanced data base. The new Student Information System fulfills state requirements for electronic submittal and will give local administrators faster and greater access to needed information.

The system, demonstrated by Uland Guidry at the July 21, school board meeting, can be updated daily with enrollment, attendance, discipline, scheduling, grades, and other information. Information in student records will allow the State Dept. of Education to calculate MFP funding, track students who move, establish drop-out rates, etc. in a way not possible before.

The advent of computer

technology has made information gathering more efficient, but has created a need for new rules against misuse as well. Changes to internet policies were made to prohibit destruction or damage to any networking or filtering system and to forbid the send of unauthorized personal e-mail on school computers.

Another rule change was the extension of the discourtesy to adults and authority figures rule, otherwise known as the "Yes Ma'am, no Ma'am" law, through 12th grade.

In reference to supplementary assignments, such as coaching, the board voted to add several items to school board policy. Beginning with the 2003-2004 school year, anyone requesting non-renewal of their supplementary assignment should be aware that they may be moved to another school more in need of their teaching expertise. Also, while the principals may recommend persons for supplementary

assignments, the superintendent will make the final decision for both paid employees and volunteers.

Recommendations on salary adjustments for sponsors of cheerleaders, dance line, pep-squads, and other extra-curricular activities as well as substitute teachers were postponed until Aug. 11. Consideration of the number of coaching supplements at each high school was postponed until spring 2004.

By a vote of 5 to 1, the board approved the recommendation of Supt. Chance to accept Clarence Vidrine as a volunteer wrestling coach for South Cameron High School and allow him to draw \$2,000 for team expenses. The proposal was made in an effort to relieve the workload on Coach Ryan Nash, who coached in three sports last year.

School Board member Dot Theriot objected on the grounds that it was unfair to the current wrestling coach, Pete Picou, to take a program away from him in which he has been successful.

Board Member Marvin Trahan responded that the recommendation in no way reflected on Coach Picou's success or ability, but rather was the only way they could find to equalize the coaching workload. He added that the board, in essence, created the problem by adding baseball to the athletic program without specifying a way to support it. Hiring a new coach, he said, was out of the question because other teaching needs are greater, such as science and advanced math.

Board Member Pat Howerton said this was "not a decision we should make routinely, but we can if we have to." Dr. Chance acknowledged that the proposal was not a perfect solution, but promised to work with the school administration and athletic staff to the best resolution possible.

In employee matters, resignations were accepted from: Cottie Mouton, Grand Lake teacher; Amy Jo Elliot, Johnson Bayou teacher; Martha Fontenot, South Cameron High teacher, effective Oct. 13.

After much discussion, a motion to consider allowing any three board members to call a special board meeting died for lack of a second.

## Parish schools to start Aug. 14th

Cameron Parish Schools will open Thursday, Aug. 14 for the 2003-04 school term, according to Supt. Doug Chance.

Teachers will report Tuesday and Wednesday, Aug. 12 and 13 for professional development.

The school calendar includes these holidays:

Monday, Sept. 1--Labor Day

Nov. 24-28--Thanksgiving holidays.

Dec. 22-Jan. 2--Christmas - New Year's holidays.

Friday, Jan. 9--Fur Festival.

Monday, Jan. 19--Martin Luther King Day.

Friday, Jan. 30--District Livestock Show.

Monday and Tuesday, Feb. 23 & 24--Mardi Gras.

Friday, April 9--Good Friday.

April 12-16--Easter Holidays.

Friday, May 28--Last day of school.

## Blood drives to be held at two locations

Life Share Blood Centers have announced two blood drives for Saturday, Aug. 2.

The donor coach will be at the Hackberry Farmers Market from 8 a.m. to noon.

Blood also may be donated at the Marshland Festival at the Lake Charles Civic Center from 10:30 a.m. to 3 p.m.

Profits from the Festival benefit Hackberry community organizations.

## Hackberry registration

The Hackberry High School registration for all new students for the 2003-2004 school year, grades K-12, will be held Wednesday, August 6, 10 a.m. - noon, in the principal's office. All students must have birth certificates, social security numbers and up-to-date immunization records.

## Beach speed limits to be adopted by Police Jury

An ordinance establishing speed limits for vehicles on Cameron Parish beaches will come up for adoption at the monthly meeting of the Cameron Parish Police Jury set for 5 p.m., Monday, Aug. 4.

The Police Jury was given authority to establish speed limits on the beaches by an act adopted in the recent session of the Legislature. The act also prohibits the riding of vehicles on beach dunes.

The speed limits in the proposed ordinances vary from 10 to 15 miles on the parish's various beaches.

The jury also is expected to accept bids on the sale of surplus equipment at Hackberry, on a cover pavilion at the Jetty Fishing Pier, overlay of Kathy Road and on limestone.

The jury is expected to recognize the 75th anniversary of Cameron Communications, which as the Cameron Telephone Co. has been providing telephone service to the parish for 75 years.

The jurors will meet at 3 p.m. for an agenda meeting prior to the regular meeting at 5 p.m.

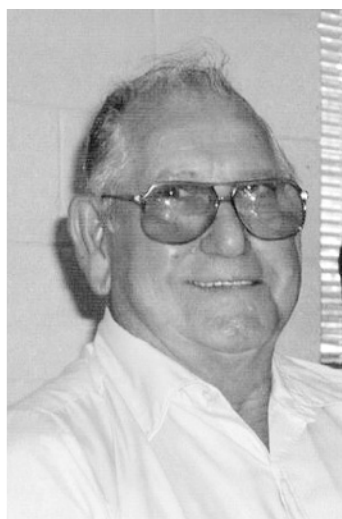

THE LADY CAJUNS' 16 and Under Fast Pitch softball team placed first on July 13 in Slidell at the 2003 Fast Pitch Regional tournament. The team will be eligible to compete in the national tournament to be held in Round Rock, Texas, beginning July 30th. Pictured above are: (first row, from left) Sydnee McCall, Baleigh Conner, Mason Williams, Dane Williams, Pierce Williams; (middle row) Coach Shiela Conner, Erin Dinger, Courtney Conner, Santana Conner, Lauren Roberts, Cassandra Trahan; (back row) Coach Douaine Conner, Amber Trahan, Laken Mock, Meagan Trahan, D'Nae Desonier, Christian McCall, Coach Alan Thibodeaux, and Kelsi Kiffe.

THE 12 & UNDER Cameron Parish Tarpons went undefeated in the league. The league team played in the South Lake Charles Little League District Tournament. The Tarpons placed second in the tournament. The boys worked hard all year long and had a great season. Pictured above are: (standing, from left) Coach Angelia Conner, Jordan Rutherford, Jody Trosclair, Ross Rowland, Alex Bonsall, Sean Bartie, Blake Norred; (kneeling) Dylan Conner, Hunter Canik, Brett Richard, Gabe LaLande, Jade Miller, and Kyle Little.

## Hospital to celebrate 50 years

The West Calcasieu-Cameron Hospital will celebrate its 50 years of service during August. The hospital was open in 1953 with the hospital district including the West Calcasieu area and the Hackberry area of Cameron Parish. The hospital presently operates a clinic in Hackberry.

Hospital administrators are inviting all persons who have passed through the hospital doors in the past 50 years to share their experiences of caring, courage, and compassion at the hospital.

They are looking for:

- Stories of caring and compassion you or your family experienced at the hospital.
- Stories about the courage to heal.
- How generations of your family have been born or cared for at the hospital and what this means to you.
- Your personal memories of the hospital's history.

The stories and letters received will be used for the anniversary celebration scheduled for August, some will be published on the hospital's website, some will be displayed in the hospital and all will be placed into the hospital's archives.

If you are interested in submitting a story or a letter, you may send it to: WCCH Community Voice, Attn: Scott Rasberry, 701 Cypress St., Sulphur, La. 70663.

### (Lake Charles American Press, July 31, 1940) YOUNG PEOPLE'S LEAGUE

Mr. and Mrs. Arthur Hebert entertained the Young People's League of the Grand Lake church Monday evening with a lawn party. Refreshments were served the following guests: Rev. Garland Pemberton, Misses Marie Allen, Evelyn LaBauve, Ber-nice McCain, Betty McCain, Ethel Smith, Dorothy Matt-hews, Ethel and Lena Pool, Vera Holland, Edna Benoit, Beulah Hebert, Christina Hebert, Violet Holland, Ola LeJeune; Messrs. Lee Ber-thelot, Johnny Farque, Car-melian Farque, Arthur Davis, Edgar Pool, Daniel LeJeune; Mr. and Mrs. Curtis McCain.

### (Cameron Pilot, July 31, 1970) NEARLY \$25 MILLION TO BE SPENT HERE

Nearly \$25 million will be spent on Cameron Parish storm evacuation projects within the next two years as a result of the hurricane evacuation bill passed by the recent Louisiana Legislature.

State Rep. Conway LeBleu said that the projects will be one of the largest state highway and bridge programs ever carried out in this area.

Scheduled to be constructed and the estimated cost are:

- \*The new "hug-the-lake" road along the east bank of Calcasieu Lake connecting the Cameron-Creole highway with the Big Lake road and providing a shorter storm evacuation route. Cost: \$12 million.
- \*New medium high level bridges over the Intracoastal Canal at the Ellender and Gibbstown crossings to replace the present pontoon bridges at a cost of \$6 million and \$4,200,000 respectively.
- \*Relocation of the Holly Beach-Johnson Bayou highway to prevent it from being washed out during storms. Cost: \$900,000.

LeBleu said that the funds for the projects will come from a state bond issue backed by the state's general funds. There will be many other similar projects all along the Louisiana coast.

He also noted there were several other highway projects coming up for Cameron this year --resurfacing and widening of the road from Creole to the Mermentau River; resurfacing of the road from Boone's Corner at Big Lake to Hackett's Corner at Sweet Lake; and the widening of Cameron's main street.

Others in attendance from Cameron Parish were Mrs. R. C. Doxey, Mr. and Mrs. J. W. Doxey Jr. and family, Mr. and Mrs. Waldon Doxey and family, Mrs. Rupert Doxey and granddaughter, Mrs. Matilda Doxey, Mr. and Mrs. Billy Doxey and family, Mrs. Donna LaLande and family. There were numerous out-of-parish relatives there.

Approximately 100 relatives attended the reunion, the oldest member being Mrs. Myrtle Peveto of Orange, Tex., and the youngest, Walter Doxey, infant son of Mr. and Mrs. J. W. Doxey, Jr. of Cameron.

LIBRARY READING STUDENTS HAVE PARTY  
The Cameron Parish Library treated the story hour members to watermelon party as their mid-summer treat. Twenty-eight children attended the story hour which each Wednesday afternoon is composed of a children's film of a fairy tale or a familiar story book shown by Mrs. Carolyn Johnson, a story read by Miss Cynthia Tanner of Mrs. Charles Perry.

Children who attended the party are: Missy Guthrie, John Johnson, Dean De-sonier, Christine Portie, Charles Vincent, Patricia Vincent, Xann Murphy, DeDe Duhon, Rachel Crain, Craig Wainwright, John Fontenot, Mathew Fontenot, Tammy Trahan, Scott Primeaux, Lee LaLande, Charles Primeaux, David Conner, Terrell Boudoin, D'Juanna Boudoin, Susan Conner, Denene Doxey, Maria Duhon, Beth Danner, Duncan Doxey, Marcus Tanner, Reginald Murphy, Donna Roberts.

Attending the reunion are Mr. and Mrs. E. J. Dronet of Cameron. Dronet, who is assistant manager of the Cameron Branch of the Calcasieu Marine National Bank, was a survivor of the sinking.

The famed heavy cruiser was sunk just prior to the ending of World War II by a Japanese submarine on July 30, 1945, just three days after it had fulfilled its top secret mission to deliver the atomic bomb to the island of Tinian. Of the 1,196 officers and men aboard, over 800 survivors of the torpedoed ship went into the water of the Pacific Ocean, about midnight some 250 miles to the nearest spot of land. These men faced the ravages of hunger, thirst and sharks. During five agonizing days of increasing hopelessness, with

their distress incredibly going unnoticed by the world, their numbers diminished to 317. With the loss of 879 men on this ship, it was and still is the U. S. Navy's worst sea disaster in history.

### LEGION AND AUXILIARY HOLD INSTALLATIONS

Joint installation of the Richard Bros. Post No. 176 and Auxiliary were held in the Post home in Creole last week.

Mrs. Sybil Deshotel, 7th District Executive Commit-tee-woman from Lake Charles conducted the installation service for the officers of the Ladies Auxiliary. They were: President, Mrs. Leona McWhirter; 1st vice-president, Mrs. Hazel Richard; 2nd vice-president, Mrs. Bertha Du-hon; secretary, Mrs. Bernice Bertrand; treasurer, Mrs. Bobbie Primeaux; chaplain, Mrs. Camelia Nunez; historian, Mrs. Betty LeBouef; and Sgt. at Arms, Mrs. Ena Dronet.

J. J. Deshotel, 7th District Commander of Lake Charles was the installing officer of the officers of the post. They were: Commander, Jules Dronet; 1st Vice-Commander, J. P. Boudoin; 2nd Vice-Commander, Kenneth Hop-per; 3rd Vice-Commander, Dewey LaBove; adjutant, Ellis McWhirter; chaplain, Wesley LeBouef; color bearers, Joseph Lee Conner and Woodrow Bertrand; finance officer, Edras Nunez; service officer, Roland Primeaux; and historian, J. Berton Daigle.

### FAMILIES HAVE REUNION

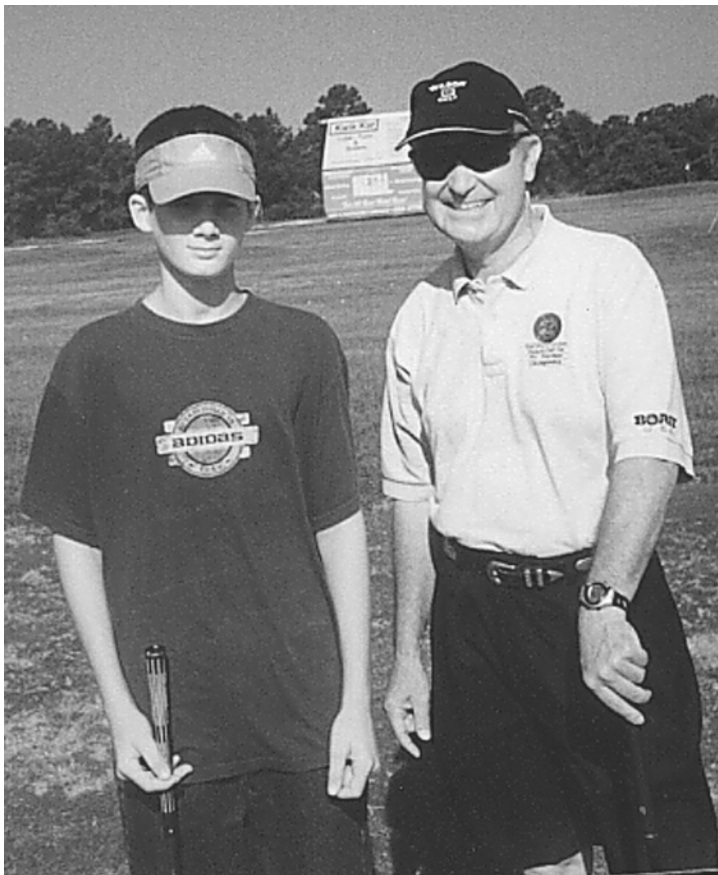

The descendants of the Andrew Doxey and Ida Durr Doxey family, pioneer settlers of Grand Chenier, gathered at the American Legion Home at Grand Chenier on July 18, to celebrate the first family reunion of the Doxey-Durr families.

Approximately 100 relatives attended the reunion, the oldest member being Mrs. Myrtle Peveto of Orange, Tex., and the youngest, Walter Doxey, infant son of Mr. and Mrs. J. W. Doxey, Jr. of Cameron.

Others in attendance from Cameron Parish were Mrs. R. C. Doxey, Mr. and Mrs. J. W. Doxey Jr. and family, Mr. and Mrs. Waldon Doxey and family, Mrs. Rupert Doxey and granddaughter, Mrs. Matilda Doxey, Mr. and Mrs. Billy Doxey and family, Mrs. Donna LaLande and family. There were numerous out-of-parish relatives there.

THE CAMERON LIONS Club held its weekly noon lunch meeting on Wednesday, July 23. Sammie Faulk, with the Southwest Louisiana Tourist Bureau, was the guest speaker. He discussed economic development and future tourism projects for Cameron Parish. Shown above, from left, are Lion President Penelope Richard, Sammy Faulk, and Lion Cecil Sanner.

JODY THOMAS of Creole took advantage of McNeese's Leisure Learning program to take a golf class. He is pictured with Doug Fair, RGA instructor for the Kids' Program at McNeese.

## Avoid polluting

Applying fertilizer carefully is one way you can check pollution, according to LSU AgCenter horticulturist Dr. Tom Koske.

Follow these tips to make sure the fertilizer you use remains on the lawn and out of the water, the LSU AgCenter horticulturist recommends.

\* Try to keep fertilizer off paved surfaces. If granular fertilizer gets onto paved surfaces, sweep or blow it onto the lawn.

\* Avoid getting fertilizer into natural drainage areas or swales on your property.

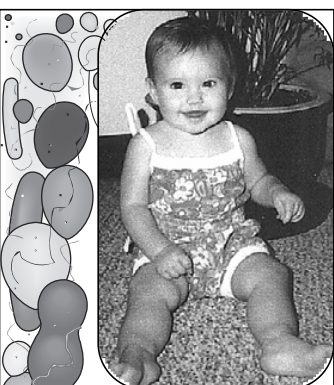

\* Test soil every three years, and then fertilizer and lime your lawn accordingly. Apply only what is needed.

\* Leave grass clippings on the lawn. This recycles nutrients and can reduce the amount of fertilizer you need to apply. If you remove the clippings, compost them.

\* If you water your lawn, do not let water run off the lawn. You may need to water in short cycles to achieve the deep wetting with less surface runoff.

\* If your soil is sandy, or if you live in an area with a high water table, try to use a slow release nitrogen source and do not apply more than 1 pound of nitrogen per 1,000 sq. ft. in any one application. That may last two months.

In addition, look for Gardening and Get It Growing links in the Feature section of the LSU AgCenter Web site: [www.lsuagcenter.com](http://www.lsuagcenter.com)

Accepting the check for \$5,000 are Jim McGough, CAC-BSA Chairman and Bryan Feather, BSA Scouting Director. The Calcasieu Area Council of Boy Scouts of America serves over 5,000 boys and girls in Beauregard, Calcasieu, Cameron, Jefferson Davis and Vernon Parishes. The donation will be used to support scouting programs and activities throughout the coming year.

## Wetland Walkway closed

The Wetland Walkway at Sabine National Wildlife Refuge will be closed to the public for safety purposes during periods of equipment operation weekdays from July 25 to August 29. When the entrance gate to the Wetland Walkway Parking Area is closed, the restrooms and the walkway are also closed. "If someone is planning a trip to the wetland walkway

throughout this period, I recommend that they call the office at 337-762-3816 prior to coming to find out about daily closures," says Diane Borden-Billiot, Refuge Outreach Coordinator.

Improvements that are being made to the Wetland Walkway are part of an ongoing refuge project concentrating on the removal of exotic species such as tallow trees. Additionally, soil improvements to the levees along the walkway are being made in preparation for planting native species to attract birds and butterflies.

Refuge personnel and Youth Conservation Corps high school students completed the first phase of dirt work at the walkway during June and July this summer. The second phase of dirt work began today and will continue through next month.

## CARD OF THANKS

THE CELEBRATION of our Golden Anniversary cannot go without some public expression of deep appreciation. So many relatives and friends joined in the cooking, decorating or were there to share in our joy. Our sincerest gratitude to each and everyone of you, far too many to mention; your presence made our day more complete. We must mention a special thanks to our children: Kathy, Kirk and Chris and their families; also to our dear Fr. McGrath. God bless all of you. Gilbert "Poo" Landry, Jr. and Marilyn

## THANK YOU,

The Lady Cajuns girl's softball team would like to thank everyone who contributed to the success of their raffle. Because of your generosity, the girls were able to compete in 4 invitational tournaments, 1 regional tournament, and 1 national tournament. Again, thanks to everyone for the contributions made to the youth of our community.

## • PUBLIC HEARING • CAMERON PARISH POLICE JURY

The Cameron Parish Police Jury will hold a public hearing at 3:00 p.m., Thursday, July 31, 2003 in the meeting room of the Cameron Parish Police Jury, 110 Smith Circle, Cameron, LA. The purpose of the meeting is to obtain views on the housing and community development needs of the Parish and to discuss the submission of an application for funding under the State of Louisiana FY 2004/FY 2005 Louisiana Community Development Block Grant (LCDBG) Program.

The following items will be discussed at the hearing:

- The amount of funds available for proposed community development and housing activities;
- The range of activities available that may be undertaken, including the estimated amount of funds proposed to be used for activities that will benefit persons of low and moderate income;
- The plans of the applicant for minimizing displacement of persons as a result of activities assisted with such funds and the benefits to be provided to persons actually displaced as a result of such activities;
- The Parish's past performance on LCDBG projects funded by the State of Louisiana.

All citizens, particularly persons of low to moderate income and residents of blighted areas, are encouraged to submit their views.

Accommodations will be made for persons with disabilities and non-English speaking individuals provided a three day notice is received. Those citizens unable to attend this hearing may submit their views and proposals until August 4, 2003 to the Police Jury President at the following address: Charles Precht, III, President, Cameron Parish Police Jury, P.O. Box 366, Cameron, LA. 70631.

## NOTICE FOR BIDS

Acting under the authority of the Legislature of the State of Louisiana, the Cameron Parish School Board will receive sealed bids for the leasing of all surface rights including the rights of range, trapping, hunting, fishing, and farming, on the following described lands:

**SECTION - TOWNSHIP - RANGE; DESCRIPTION**

16-12-13; Approximately three (3) miles East of Sabine River. Two (2) miles South of Calcasieu Parish Line.

16-14-3; Partial Section (332.96 acres) three (3) miles West of Vermilion Parish Line; bordering Grand Lake, excluding that portion bordering Grand Lake on the Intracoastal Canal and Collicon Bayou containing approximately .81 acres.

16-14-3; Lot #1 - 30'W X 125'L, containing approximately .0861 acres

16-14-3; Lot #2 - 62'W X 126'L, containing approximately .18 acres

16-14-3; Lot #3 - 62'W X 100'L, containing approximately .142 acres

16-14-3; Lot #4 - 60'W X 291'L, containing approximately .401 acres

16-14-7; Located three-fourths (3/4) mile East of Highway 27; one (1) mile Northeast of Creole Intersection.

16-14-13; South end of Sabine Wildlife Refuge; five (5) miles North of Gulf of Mexico in Johnson Bayou area.

16-14-14; Three (3) miles East of Sabine Lake on Starks Canal.

16-15-3; Located in Grand Chenier area; three (3) miles West of Vermilion Parish Line.

16-15-4; Approximately one (1) mile North of Highway 82 in Grand Chenier area; North of Rockefeller Refuge.

(A description map may be seen in the School Board Office during normal working hours.)

All bids must be sealed; the envelope marked "Bid - Section 16, Township, Range" and may be forwarded through the U.S. Mail to the Cameron Parish School Board, P. O. Box 1548, Cameron, LA 70631. Bidder must offer an annual rental of not less than \$2.00 per acre for a lease with a primary term of five years to end July 31st, 2008. Annual renewal rentals will be due each year by July 31st, in order to continue the lease in effect. Cash payment or a certified or cashier's check, or teller's check, or an official check issued by a bank in favor of the Cameron Parish School Board for the amount of the annual rental for the first year shall accompany and be deposited with the bid (no checks other than types noted above are acceptable).

Bidders are reminded that the lease is for the unexpired term.

If farming rights are utilized, bidder may offer annual rental plus a fractional part of not less than one-sixth (1/6) of any and all crops produced and saved during the year. The value of the one-sixth (1/6) share shall not be considered in the awarding of the lease unless the bidder guarantees a specific amount which shall be added to and accompany the bid. Should the one-sixth (1/6) value of crops be less than the cash guarantee paid at the time of the lease, the Cameron Parish School Board shall demand such additional payment as necessary to bring the value adjustment to a full one-sixth (1/6) of crops produced and harvested on any and all listed sections, and thirty-five percent (35%) of cash market value of all alligators harvested by lessee. Lessor reserves the right to gather

sixth (1/6) of crops produced and harvested on any and all listed sections, and thirty-five percent (35%) of cash market value of all alligators harvested by lessee. Lessor reserves the right to gather and dispose of alligator eggs from the lease premises, without any compensation to lessee.

The surface rights and privileges granted in the lease are restricted to range, trapping, hunting, farming, and fishing and these rights shall in no way, manner, or form interfere with the granting of a mineral lease or the full utilization of all rights and privileges granted in any mineral lease.

It is further agreed and understood between the contracting parties hereto that this lease shall be heritable, but shall not be subject to mortgage, pledge, hypothecation or seizure and sale, nor shall the said lease be assigned, subleased, or otherwise transferred by the said lessee unless authorized by prior written approval of the lessor. Such assignment, sublease or transfer of said lease shall be subject to terms and conditions as may be deemed proper by the lessor. Terms and conditions for subleasing may be obtained by contacting the Cameron Parish School Board land manager.

The Board reserves the right to reject any and all bids received.

discussed. As per our policy, any new subdivisions and/or trailer parks that come in must put in an 8" line and each residence has to have an individual meter.

The bulk water policy will stay as is.

There was a discussion regarding OSHA guidelines. James Cox will obtain additional information on this subject by the next meeting.

Board President Jeffrey Jouett received a letter from a customer requesting a change in the way camps are billed for water usage. After careful consideration, the board decided to leave the billing the same for camps as for year-round residents.

The Superintendent's monthly report was given by James Cox. His report included the following items:

- Overtime report
- Chlorine building fans
- Backhoe repairs
- Consumer Confidence Report was put in Cameron Pilot
- thm samples were taken last Friday
- Well problems/electrical problems
- Plastic meter boxes vs. concrete boxes
- Usage report
- Delinquency report

On motion of Billy Johnston, seconded by Andre Abadie and carried, the board approved the purchase of six chlorine fans to be installed in the chlorine buildings.

On motion of Grace Robideaux, seconded by Andre Abadie and carried, from this point forward plastic meter boxes will be the standard for new installations and needed replacements.

On motion of Andre Abadie, seconded by Gerald Richard and carried, the district will obtain a subscription to the Cameron Pilot.

A financial report was given for the month ending May 31, 2003.

On motion of Billy Johnston, seconded by Andre Abadie and carried, the financial reports were accepted.

On motion of Andre Abadie, seconded by Billy Johnston and carried, all bills were approved for payment.

There being no further business, on motion of Gerald Richard, seconded by Billy Johnston and carried, the meeting was declared adjourned.

**HUNTING SEASON AROUND THE CORNER**

Time has passed by so fast this year, that we're already in the month of August. As we watch our days already starting to get shorter, we know fall is approaching.

This is a good time to buy your hunting license to avoid the rush. Too early you say, well dates set for September hunting aren't too far off.

Archery deer season in our Area 3 is set for Sept. 13; mourning doves set for Sept. 6-14; our 16 day teal season is set for Sept. 13-18, as well as rails and gallinules, the same date.

Alligator hunters will get their special licenses as the season starts Sept. 3 to Oct. 2.

Don't forget to hunt migratory birds, this includes doves, you have to get "HIP" permit for hunting. This is no expense to you, just give out last year's birds you bagged, days you've hunted and you're ready to go with your needed licenses.

It's time for deer food plots, scouting for not only a deer blind, but a spot for teal hunting, as well as dove hunting.

Large numbers of ruby-throated humming birds will pass through our state enroute to Central America. Family groups of swallow-tail kilties also pass through our area.

The first blue-winged teals and even pintails will begin appearing in our marshes. We'll hear the pig frogs calling from the marshes and you may as well get the lanterns and lights ready to gig flounders at night.

August is the month to start picking muscadine for wine.

August is also the month for anglers, as the Big Bass Bonanza on the Calcasieu River is this weekend, Aug. 2-3. This is a big one, with large fish every hour plus other ways of winning some cash.

Bull redfish will begin congregating near tidal passes like the Grand Chenier and Cameron jetties, as well as Joseph Harbor. Some of the best largemouth bass fishing at night at Toledo Bend takes place this month.

Here are a few Louisiana record fish caught in August: a 4.88 pound spotted bass caught by Vernon C. Johnson Jr. in 1996 on the Tickfow River; James Taylor's 47.5 pound striped bass caught in August on Toledo Bend, 1991, there are in the freshwater division.

In the saltwater division, here's records for August fish caught: great barracuda, A. C. Mills, 50 lbs., 1970; the Atlantic Croaker, Douglas J. Bertrand, 8.0 lbs. Aug. 1972; marbled grouper, John Costello, 14.50 lbs., 2000; gag grouper, Mike Wyant, 62.38 lbs., 2002; yellowmouth gr-

ouper, Ed Fike, 23.0 lbs., 2000; Almaw Jack, David Walker, 38.02 lbs., 2002; jack Crevalle, Leon Richard, 57.58, 1997; Spanish Mackeral, Mike LeBlanc, 10.56, 1972.

Talking of record fish, we see our Louisiana's largemouth bass record of 15.97 caught on Caney Lake in Feb., 1994, by Greg Wiggins as a big fish, but in Lake Fork, Texas, where a 18.18 largemouth is the record and has three-quarters of the states 50 fish over 15 pounds, we also see as a big fish.

Now let's talk Lake Dixon, Calif., that may take all the attention away from Lake Charles. In May Jed Dickerson caught and released a 21.7 pound largemouth, the fourth largest bass ever landed and he claims there's a larger one there. Just two weeks prior a 19 pounder was taken from Lake Dixon. This is really getting close to the world record largemouth and we all thought the state of Florida would be the world breaker state.

Just to remind our local freshwater anglers, all Miami Corporation permit fishing will close on Sun., Aug. 24, at sunset for another year. This includes the Big Bird, Amoco and all Miami lands.

**LEMESCHE BASS CLUB**

The Lemesche Bass Club will hold their meeting on Wed., Aug. 6. The first club tournament will be Sun., Aug. 24. Fishing will be out of Amoco Field, sunrise to 3 p.m. weigh-in. This will be a pick your partner tournament.

**Hackberry subdivision named**

Samuel R. Breaux II of Sulphur has applied for a Coastal Use Permit for a proposed development of a residential subdivision located on Joe's Cove off of the Calcasieu Ship Channel.

The proposed project includes a 1,010 foot long road, a 800 ft. long, 50 ft. wide and 8 ft. deep canal. There will be bulkheading along the proposed canal and clearing for 20 lots for homesites.

Ditches along the road will be dug and the spoil used for road fill. About 8.3 acres of wetland habitat may be impacted as a result of this project.

Boat slips will be provided with the lots.

**Restoration meeting set**

Federal and state agencies along with other coastal engineers and scientists will hold public meetings in coastal Louisiana-including Cameron--to discuss coast-wise ecosystem restoration plans.

One of the meetings will be held at 5:30 p.m., Thursday, Aug. 7 in the Cameron Parish Police Jury Room in Cameron.

Other meetings will be held in Belle Chasse, Larose and Morgan City.

For more information on the meetings call Julie Morgan at 504-862-2587.

The meetings will be conducted by the U. S. Corps of Engineers and the La. Dept. of Natural Resources.
