LeDoux has largest gator of the year

By GENEVA GRIFFITH

Donald J. LeDoux, Grand Lake hunter, was named the winner of the Joseph Sturlese Trophy at the Alligator Festival Sunday for having caught the largest alligator in the parish this past season. His gator measured 13 feet, 5 inches long.

A trophy was presented by the Sturlese family at the Festival which was held in the Grand Chenier park.

Senior Queen named at the Festival was Maria Posada, First runnerup was Mary Venable, and 2nd runnerup was Ella Booth.

Zeke Wainwright was in charge of the festival which featured an afternoon of dancing to the music of the Little Chenier Playboys.

A Tiny Tot contest was held during the morning, with contestants in all divisions competing, from babies up through elementary school.

Barbeque dinners were served at noon.

The festival was sponsored by the St. Eugene Catholic Church of Grand Chenier.

Tarpons to play Mamou this Friday

By CHRIS MUELLER

After two straight weeks on the road the number 1 ranked Tarpons will be at home to take on the tough Mamou Green Demons in a key district matchup.

The Tarpons 6-0 (2-0) are getting better each week and that's not good news for the rest of their district opponents including Mamou 5-1 (2-1).

The Green Demons beat Basile last week 26-20. Mamou returns 17 starters from last years 4-6 squad. The Demons strong suit is their defense as they have given up only 67 points this year.

The Tarpons top that allowing only 39 points on the season. The Tarpons are averaging 313 yards and 37 points per game to lead district 5-1A. Defensively the Tarpons are allowing only 139 yards and 6.5 points per game.

Quarterback Brett Baccigalopi has completed 65 percent of his passes for 851 yards and 10 touchdowns, while Kris Benoit leads the team in rushing with 591 yards on 99 carries.

Gametime is set for 7 p.m. Friday night at Tarpon Stadium.

Sabine Lighthouse hayride to be held this Saturday

By GENEVA GRIFFITH

The 4th annual Sabine Lighthouse Hayride will be held Saturday, Oct. 19 at Johnson Bayou sponsored by the Cameron preservation society. It will also feature an auction and a dance.

The Society is working to raise funds to restore the historic lighthouse located on the Cameron Parish side of Sabine Pass. A current estimate which will cost about \$200,000 is to enclose windows, paint and seal the brick on the structure.

The Society hopes to restore the lighthouse and site to its original state in 1887 and a master plan includes a permanent road and parking, a visitors center and a lighthouse museum.

This year the hayride is located at 8232 Gulf Beach Highway at Johnson Bayou. Participants are asked to arrive by 2 p.m. to board trailers to leave by 2:30 p.m. for the 4-mile ride to Lighthouse Bayou.

They will return to their vehicles by 5 p.m.

On the trailer ride out to the

lighthouse visitors will enjoy the sights and sounds of this remote area. Don't forget your mosquito spray and binoculars.

The hayride is a free activity but donations will be accepted.

In connection with the Hayride a dance and auction will be held at the Johnson Bayou Community Center at 5556 Gulf Beach Highway at Johnson Bayou.

Music will be by Barry Badon and the Bayou Boys. Presale tickets are \$12.50 and are \$15 at the door. Chicken gumbo will be served from 6 to 8 p.m. and an auction will be held from 7 to 8 p.m.

A silent auction will be held all day.

The dance will be from 8 p.m. to 12 a.m. BYOB and setups will be available.

Memberships in the alliance are as follows: Individual \$10; Family \$20; Student 45; Corporate \$100; Benefactor \$250. Checks should be made payable to Cameron Preservation Alliance - Sabine Pass Lighthouse, Inc. P. O. Box 773, Cameron, La. 70631.

Joe Soileau Jury's suit is moved to get new sentence to East Baton Rouge

Former South Cameron Memorial Hospital CEO Joseph Soileau, now serving a sentence in a federal prison reportedly near Beaumont, will have to be brought back to court for resentencing. No date has been set yet.

The 5th Circuit Court of Appeals in New Orleans threw out Soileau's prison sentence on the grounds that Federal Judge James Trimble Jr. used the wrong guidelines in sentencing Soileau to five years in federal prison and three year's supervised release.

Soileau was also ordered to pay \$1.4 million in restitution, a \$10,000 fine and a \$100 special assessment.

The former hospital official was charged with defrauding Medicare by billing for services provided by satellite clinics that were not Medicare-certified.

Hospital sets Health Fair

South Cameron Memorial Hospital will hold a Health Fair Saturday, Oct. 26 from 8 a.m. to noon.

There will be number of free tests given including those for cholesterol, blood pressure, glaucoma, hearing, anemia, etc.

There also will be a number of booths giving out information on various health and social programs.

Refreshments will be served and door prizes will be awarded.

Flu shots schedule

Cameron Council on Aging will sponsor flu shot clinics for senior citizens on the following dates:

Nov. 12 - Grand Lake Nutrition Site - 10-12.

Nov. 13 - Hackberry Nutrition Site - 10-12.

Nov. 14 - Creole Nutrition Site - 10-12.

Nov. 18 - Johnson Bayou Nutrition Site - 10-12.

Nov. 19 - Cameron Nutrition Site - 10-12.

The Cameron Parish Police Jury received a setback this week in its efforts to get a riverboat gaming referendum on the Nov. 5 ballot.

The 3rd Circuit Court of Appeal ruled Monday that a suit filed by the jury to force the Secretary of State to include two gaming proposition on the Cameron Parish ballot must be moved to East Baton Rouge Parish.

Cameron Parish attorney J. B. Jones is representing the jury and is planning to appeal the ruling to the state Supreme Court. He said he was going to Baton Rouge this week to ask

the 19th Judicial District Court there to expedite the case.

The Court of Appeals ruled that 38th Judicial District Judge H. Ward Fontenot erred when he ruled on the case in Cameron Parish on Oct. 1.

The propositions, if they get final approval, would allow Cameron Parish voters to vote on whether they would like to see the Isle of Capris bring one of its riverboats from Lake Charles to the Sabine River near Johnson Bayou.

The Police Jury and the Isle recently signed a development agreement on the proposed boat location here.

Shrimpers may be able to get aid

The Louisiana Housing Finance Agency (LHFA) is providing approximately \$270,000 in Low-Income Energy Assistance funds to economically hard hit shrimpers in 14 Louisiana coastal parishes. The Shrimper's Crisis Energy Assistance Fund provides energy assistance to utility companies on behalf of eligible shrimpers.

The energy assistance funds are made available on a first come, first serve basis. Community Action Agencies in designated parishes are taking applications for energy assistance.

Shrimpers identified as commercial shrimpers, deckhands or processor/dock employees are eligible to apply.

Interested persons are invited to contact the Cameron Community Action Agency at 598-5158 to find out if they qualify for energy assistance under the program. A family of two must have an monthly income of \$1,493 or less to qualify for assistance. The income limit is set higher for larger families.

HUNTING SEASON

Our hunting season were shut down for a couple of days, but got back in the grove this past weekend. many dove hunters were disappointed, as fields still were wet, some still had water and not many doves around, however I was told a few areas on the front ridges had a few doves. Many hunters chose to deer hunt, and with all the water, deer were on the ridges and levees. Report were fair.

Talking about hunting, here in Louisiana, duck hunters really didn't know how many days or what kind of limit we would have for our regular duck season. We were told the hatch was bad, the population was down, and I won't argue about that, but our limit stayed 6 ducks and 60 days, and we're all happy.

What I don't understand is in Utah, the Utah Wildlife Board got 107 days of duck season, & will split their pintail season to only 60 days (2 months), because the pintail population s down. No canvasbacks can be killed.

Shaun Benson had an 11 point deer while Mike Guillory had a 8 point deer this past weekend.

Now listen to this, the Idaho Fish & Game Commission has set their waterfowl dates and limits, 107 days for both ducks and geese, 60 days for pintails and no season on canvasbacks. Their limit is 7 ducks, no more than 2 female mallards, one pintail, two redheads and 4 scaups.

I'll say this, I wont leave Cajun Country, but if I had enough money for two retirement homes, I'd have one in Lake Kissimmee, Florida and one in the Idaho or Utah states, Fish and Hunt!

TALK ABOUT

The West Nile Virus has many of us outdoorsmen, thinking about getting bit by mosquitoes, need to wear long sleeve shirts, long pants and use mosquito repellent.

Talk is Bounce Fabric Softener Sheets, just wipe on and go; Vitamin B-1-aday gives off an odor out through your skin, you can't smell it, but it repels mosquitoes, black flies and gnats. it doesn't work on stinging insects.

Vick's Vaporub; Avon's Skin So Soft bath oil; also some have sun block w/repellent in it and I know that works. Real vanilla (not vanilla extract), pure vanilla half and half with water, works on mosquitoes and ticks.

Light color cloth helps, but what ever you do, don't eat bananas, the mosquitoes will love you. Something about banana oil as your body processes it.

If any of you try these ideas,

please let us know, and tell us the truth if it works.

RARE CATCH

We all know that catching catfish down south is an everyday thing. Well, up in Minnesota an angler caught a blue catfish, which rarely shows up that far north; 52 1/2 pounds, 48 inches in length and a 32 inch girth. The state didn't even have a state record on the species. Biologist believe this was from fish stocked in Wisconsin, on the Minnesota border in the St. Croix River in the early 1970's.

Lot's of anglers down our way don't use nets to land their fish, well this little tale may make you buy a landing net after all.

An angler fishing in Naples, Florida was grabbed by a shark, as he reached to pull a redfish into the boat. The 7 to 8 foot shark released the anglers arm, but left a deep gash, six inches long. Get a net!

Mrs. Brian Boogaerts Boogaerts-Thibodeaux vows are said in Baton Rouge

Angie Thibodeaux and Brian Boogaerts were married Saturday, Oct. 5 at 7 p.m. at the Gatehouse in Baton Rouge. The Rev. Merelin McCon officiated the double ring ceremony.

Parents of the couple are Mr. and Mrs. David (Sharon) Boogaerts of Walker and Jeanette Thibodeaux of Creole.

Given in marriage by her mother, the bride wore a sleeve-

less gown of bridal satin with a chapel-length train.

She carried a bouquet of white roses.

Jennifer Melson served as the matron of honor and Renesha Fountain served as the maid of honor. Bridesmaid was Jennifer Wall.

Flower girl and ringbearer was Victoria Conti and Hunter Melson.

Bestman was Bud Wall and groomsmen included Jeff Melson and Chad McMichael.

Ushers were Brandon Smith and Jason Inman.

A reception followed in the Gatehouse.

The bride is a graduate of South Cameron High School and Louisiana State University. The groom graduated from Walker High School. The bride is employed by the Office of Legislative Auditor and the groom is employed by Baton Rouge Coca-Cola.

After a wedding trip to Orlando, Fla. the couple is making their home in Walker.

Brides in ancient Rome wore saffron robes, and medieval brides wore colorful brocade gowns, but Anne of Brittany was one of the first brides to wear all white when she married Louis II of France in 1498.

Cameron Parish School Board
District 2

Thank you for your generous support on the recent election. I hope the issues of my platform continue to be important to you, as they are to me. The needs of the children should come first, and in order for me to make this happen, I need your support on November 5.

Sincerely,

Raymond E. Hicks

I WOULD APPRECIATE YOUR VOTE
ON NOVEMBER 5TH

(Paid for by Raymond E. Hicks)

TO THE PEOPLE OF CAMERON PARISH...

My sincerest thanks to you, the voters of this parish, who elected me to represent Cameron Parish as your District Attorney.

I was treated with courtesy and respect in my visits with you. During

the campaign I was unable to meet with all voters and to those I missed, I thank you for your understanding.

I pledge to serve you in an efficient and professional manner. It's still about teamwork, honesty and respect.

Sincerely,

Cecil

Junior Leadership Club tells activities during past month

The Cameron Parish Junior Leaders Club has been very busy this past month.

The club picked up litter at two beaches for Beach Sweep, held a get acquainted dance at the Cameron Elementary gym, and hung flyers at the schools to make students more aware of the precautions necessary to prevent the West Nile virus. Later this

month the Jr. Leaders plan to assist with a rabbit workshop, a school fall fest, hang Halloween safety posters, and start collecting canned goods for the needy.

They also plan to join with the United Ways Youth Advisory Council in doing community service projects in the five parish area.

In November the club plans to give the collected canned

goods to the needy for the holidays, help with Contest Day at CES on November 16, start a penny wars fundraiser for a new 4-H flag, attend a wildlife seminar, go on a camping trip November 22-24 at Sam Houston Jones State Park, construct displays for Contest Day, assist with handing out awards, assist at the tri-parish Livestock Judging Contest & Showman-

ship Clinics on November 26 at the Burton Coliseum, and attend a McNeese football game.

If you are 13 or older and in 4-H and would like to join the Jr. Leadership Club, please call the 4-H office at 775-5516 or Ms Dede at 775-8239.

South Cameron Tarpon 2002 Dance Line

THE SOUTH CAMEROON High School 2002 Danceline members shown above are: (back row, from left) Kendal Broussard, Lauren Roberts, Kelli Styron, Shetaura January, Heather Nunez, Callie Willis, Brandi Boudoin; (front row) Jessica Landry, Lindsay Willis, Jessica Murphy, Ashley Reyes, and Ashley Kelley.

No. 1 ranked Tarpons take out E. Beauregard

By CHRIS MUELLER

The South Cameron Tarpons ranked number 1 in the state in class 1A easily dispatched the East Beauregard Trojans 30-6 last Friday night.

The Tarpons' passing game

gets better each week as Tarpon signal caller Brett Baccigalopi completed 15 of 20 passes for 208 yards and 2 touchdowns. T John Henry hauled in 4 passes for 73 yards with one being a touchdown. Trey Lute and Nick Pinch each caught 4 passes for

English as 2nd Lang. classes set

The Cameron Community Action Agency is hosting a social Monday, Oct. 21 at 5:30 to 8:30 p.m. at the COA building on Marshal Street for the participants in the ongoing ESL and GED programs, and for anyone who is interested in learning English as a second language or obtaining a high school diploma.

The ESL classes are structured to teach the life skills: speaking, listening, reading, writing, and other communication skills they need to survive and function in the workplace and community. The classes will also enable parents to help their children with homework.

The free classes are held four nights a week: two three-hour sessions for Vietnamese and two for Spanish. The classes are free and students begin at their own levels.

ESL classes will begin Oct. 22 at 5:30 p.m. For those wishing to participate in the ESL classes but cannot attend the night sessions, accommodations will be made.

For more information call: Tutt Savoie at 775-5145, Gayle Wolf at 598-5158 or Loretta Theriot at 542-4680.

47 yards. Kris Benoit was the leading rusher for the Tarpons with 48 yards on 13 carries.

The Tarpon defense was a huge factor as well, coming close to getting their 4th shutout of the year. The Tarpon defense scored once on a blocked punt. South Cameron intercepted East Beauregard 4 times on the night and recovered 1 fumble. The Tarpons held the Trojans to just over 100 total yards on the night.

Baccigalopi started the scoring for the Tarpons on a 12 yard toss to Nicklaus Pinch. Baccigalopi completed 4 of 5 passes on the drive. Andre Savoie recovered a blocked punt and ran it 16 yards for the Tarpons second score of the night with 6:52 remaining in the first quarter. Boudreaux added the extra point to up the score to 14-0. Boudreaux added a 26 yard field goal for the Tarpons to make the score 17-0 at halftime.

The Tarpons scored quickly in the second half after a Keith McKoin interception gave the Tarpons the ball at the Trojan 1 yard line. Kris Benoit scored to make the score South Cameron 23 East Beauregard 0.

T John Henry scored the Tarpons final touchdown of the night in the 4th quarter on a 14 yard reception from Baccigalopi. Boudreaux nailed the extra point to make the score 30-0 with 5:30 remaining in the game.

The Trojans scored their lone touchdown of the night when Byron Floyd ran it in from the 1 yard line with 3:17 remaining in the game. Patrick Gill set up the score with a nice 60 yard kickoff return.

South Cameron Tarpon 2002 Cheerleaders

THE SOUTH CAMEROON High School 2002 Cheerleaders shown above are: (back row, from left) Shylyn Nunez, Haley Willis, Dixie Desonier, Jaclyn Higgins; (middle row) Melaina Welch, D'nae Desonier, Mercedes Lassien, Brittany Nunez, Christian McCall; (front row) Lexie LeBoeuf, Mika Benoit, Santana Conner, Courtney Conner, and Cassandra Trahan.

Waguespack completes Marine basic

Marine Corps Pfc. Derrick P. Waguespack, a 2002 graduate of South Cameron High School, Creole, recently completed basic training at Marine Corps Recruit Depot, Parris Island, S. C.

Waguespack and fellow recruits began their training at 5 a.m., by running three miles and performing calisthenics. In addition to the physical conditioning program, Waguespack spent numerous hours in classroom and field assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and operated as a small infantry unit during field training.

Waguespack and fellow recruits ended the training phase with 'The Crucible,' a 54-hour team effort, problem solving evolution which culminated with an emotional ceremony in which the recruits were presented the Marine Corps Emblem, and were addressed as "Marines" for the first time since boot camp began.

Parish residents may be eligible for disaster funds

CAPITAL NEWS

Residents of Cameron and other parishes where federal disaster relief funds are available also may be eligible for some state assistance in coping with damage from Tropical Storm Isadore and Hurricane Lili.

State Revenue Secretary Cynthia Bridges said last week that the state can refund sales tax paid by individuals who lost moveable property if the loss was not reimbursed by insurance. The refunds authorized by the Louisiana Sales Tax Law are available only to residents of parishes where federal funds have been made available for long-term recovery efforts from the storms, she said.

The refund covers sales taxes paid on the original purchase of property destroyed by Isadore or Lili, not sales taxes paid for replacement movables. To qualify, the item must have been moveable when it was destroyed as well as when it was purchased, according to the statute. The refund would not cover components that had become part of buildings, homes or other fixed structures at the time of the loss.

For instance, the loss of an individual's clothing, boats, appliances or furniture would

qualify for a sales tax refund, but destroyed wall-to-wall carpeting, lighting fixtures, heating and cooling systems or wall structures would not.

The loss, besides being unreimbursed by insurance, must be suffered for moveable property owned by an individual rather than a business and used in that person's apartment or home. The owner must have paid state sales and use taxes in Louisiana on the purchase of the property, so anything bought out-of-state or received as a gift would not qualify.

Cameron is among the 28 parishes eligible to apply for sales tax refunds because of Hurricane Lili. Damage from Tropical Storm Isadore a week earlier qualified residents of 12 parishes to apply for sales tax refunds. Plaquemines, St. Bernard and St. Charles parishes were included on both lists.

The claims must be filed with the Department of Revenue using Form 1362, Form R-13621, Form R-1362S and Form R1363. The forms may be obtained from the department office in Lake Charles, or they may be found on the department's website at www.rev.state.la.us under "Tax Forms" and the sub-heading "Sales Tax."

PICTURED ABOVE are members of the Cameron Parish Outreach Response Team. Seated are Laurie Broussard, Tonya Pence, Dinah Landry, and Angela Jouett, parish coordinator. Standing are Cecil Sanner, William Daigle, and Wayne Taylor. Not shown are Cheryl Daigle and Denise LeBlanc. Anyone wishing to participate in the program that targets violence toward women and children should contact Jouett at 370-6736. The next meeting of the group is at 5 p.m., Oct. 22 at the Grand Lake Fireman Center. Interested persons are invited to attend.

JAMES SAVOIE of Cameron is pictured with the youth in-line hockey team that he sponsors at the Dry Ice rink in Lake Charles. Justin Menard, on the left, is his grandson. Justin is the son of Ricky and Candice Menard of Lake Charles. Savoie owns a refrigeration firm in Cameron.

Mess-up Cake

1 Duncan Hines Supreme Cake Mix Mix as directed on box and bake. While cake is hot, you take a knife and chop it all up, pour a regular-size can of sweetened condensed milk all over it, and then pour about 1/2 cup of chocolate syrup over that. Let cool and top with cool whip. (You will have to refrigerate left-overs - if there are any. Everytime I make this it's a hit.)

Head Start open house Oct. 17

Cameron Parish Head Start is having an open house in observance of Head Start Community Awareness week beginning Thursday, Oct. 17 at 10 a.m. in each center to inform each community of the services Head Starts provide.

Centers are located at: Cameron Center, 128 D Street, Cameron; Hackberry Center, 110 Volunteer Lane, Hackberry; Grand Lake, 965 Hwy 387, Grand Lake.

If you have any questions please call 775-2910.

Thank You,

Thank you voters of District 4 for the confidence and trust you have placed in me.

I look forward to serving all of the residents of District 4.

Working together, we will make the education of our children our number one priority.

A special "thanks" to Shelia Conner for conducting a good and clean campaign.

Cameron KCs to share hall with the VFW and American legion

Our Lady Star of the Sea Knights of Columbus Council 5461 of Cameron named as Knight of the Month Milton Theriot and as Family of the Month John Asburn Roux and wife Velda for the month of October.
On Friday, Oct. 18 the council will sponsor the School Bonfire Rally. Also the birdwatchers will use the hall Friday and Saturday, for their meetings. The Athletic Association will have a Super Bingo on Sunday, Oct. 27 at the hall.
The council voted to let the VFW use the hall to hold their meetings on the first Monday of each month and the American Legion on the third Tuesday of each month.
New member Bobby Stutes was welcomed into the council

after his initiation at St. Margarets in Lake Charles.

The building committee will hold a meeting to begin work on the hall, grounds and cemetery. John Portie and Roy Nash will head a committee to clean the church grounds and buildings. The council will hold bingo and barbeque on Sunday, Nov. 24 to raise funds for Christmas food baskets and insurance.

ATTENTION LANDOWNERS WITH BP PIPELINE RIGHT OF WAYS

The BP Grand Chenier Operations Area is currently updating and replacing damaged pipeline markers on its Cameron Parish pipeline systems. Company personnel will access the right of ways by airboat and small 4-wheel drive vehicles for the purpose of completing the marker upgrades. Local employees familiar with the area and aware of landowner concerns in regards to security and safety of property and livestock will be performing the work. The marker upgrades are to commence starting **OCT. 14, 2002** and continue approximately two weeks to completion. We at BP have an ongoing interest in maintaining the benefits derived from all of the area's resources as well as the safety of our neighbors. Natural gas and liquid hydrocarbons are safe and efficient fuels for heating our homes, cooking our meals, and aiding in transportation. However, in the onshore environment, excavating where pipelines may be present can cause damage to pipelines and create a safety hazard. So, before you excavate in the onshore environment, "know what's below." If you become aware of a pipeline leak, suspect such, or have an emergency of any kind involving a pipeline, evacuate the area immediately and contact the proper authorities. If there are questions you need to ask us about this ad or a pipeline involved that belongs to BP contact us at **(337) 538-2269** for onshore pipelines.

Bp helps you Know What's Below by:

- Raising awareness through ads like these;
- Working with Federal agencies to ensure our pipelines are permitted and shown on nautical charts;
- Reporting incidents and/or safety-related conditions concerning our pipelines to the proper authorities;
- Including regulated pipelines in the state's One-Call system.

What can you do to Know What's Below:

- Be aware that striking or snagging a subsea pipeline can rupture and endanger your vessel or crew;
- Avoid running aground since some pipelines may have been unearthed due to storms and the surf over time;
- Check your charts for pipelines in your area of operation, especially before weighing anchor, lowering equipment, trawling, dredging, etc.
- Use the Louisiana One-Call system (1-800-272-3020) prior to excavating.

For more information or other assistance concerning our pipelines, call the BP Hotline at (281) 366-7500.

NOTICE OF PUBLICATION

By virtue of and in conformity with the procedures of Section 151 through 158 of Title 30 of the Louisiana Revised Statutes of 1950, as amended, sealed bids will be received at the office of the Cameron Parish School Board in Cameron, Louisiana, on or before the 4th day of November, 2002 at 4:00 p.m., at which time all bids received will be opened by the Cameron Parish School Board for a lease covering the oil, gas, and other liquid gaseous hydrocarbon mineral rights in, to and under the following described property:

North Half of the Northwest Quarter (N2 of NW4); the Northeast Quarter (NE4) and the East Half of the Southeast Quarter (E2 of SE4); containing 320 acres, more or less, lying in Section 16, Township 12 South, Range 12 West, Cameron Parish, Louisiana.

Bids may be for the whole or any particularly described portions of the tract advertised herein.

All bids are to offer a CASH PAYMENT, one-half (1/2) of which is to be bonus as full and adequate consideration for every right granted by the lease and one-half (1/2) of which is to be rental for the first year of the lease, for a lease having a primary term which shall not exceed three years.

ANNUAL RENTAL for the second and third years shall not be less than the aforesaid cash payment. The lease is to be granted without any warranty or recourse against lessor whatsoever, either expressed or implied, not even for return by lessor of any payments received under the lease or being otherwise responsible to lessee. Minimum royalties shall be one-fourth (1/4) of all oil and gas produced and saved or utilized. This lease excludes free sulphur, potash, lignite, salt and other solid minerals. Lessee shall not have any rights to explore, drill for, mine, produce or take any action whatsoever in regard to any such solid mineral deposits.

All leases awarded shall be executed upon terms and conditions provided in the current Cameron Parish School Board lease form with all applicable riders appended thereto, including Approved Rider for Attachment to State Agency Lease Forms, and including, but not limited to, provisions as follows: Should lessee fail to begin the actual drilling (spudding in) of a well on the lease premises within one year from the date of the lease, the lease shall terminate as to both parties to the lease, unless on or before such anniversary date, lessee shall pay a delay rental [which shall in no event be less than the aforesaid cash payment offered for the lease], which shall cover the privilege of deferred drilling operations for a period of one year. Upon like payments annually, drilling operations may be further deferred for successive periods of one year each during the primary term of three years. The lease shall provide for drilling of offset wells where necessary to protect the Board's interest and shall contain the provisions against the assignment of sub-lease of the lease unless approved by the School Board. The lessee shall have the right to enter into pooling or unitization agreements with respect to development of the leased premises subject to the approval of the School Board. The Lessee shall not have the right to conduct geophysical or seismic activities or exploration on the leased premises under this lease. Such activities may be conducted only if a separate written contract or permit is granted to Lessee by the Cameron Parish School Board for which additional rights separate and additional consideration shall be paid.

Any lease granted hereunder shall be on the regular current Cameron Parish School Board lease form with Approved Rider for Attachment to State Agency Lease Forms and shall be subject to the approval of the State Mineral Board. A copy of the said lease form and rider are available for inspection at the office of the Cameron Parish School Board in Cameron, Louisiana. Certified check, bank money order, or cashier's check, payable to the Cameron Parish School Board for the full amount of the bonus, shall accompany and be submitted with each bid; and no bid thus submitted may be thereafter withdrawn or canceled; and the cash bonus accompanying the bid of the successful bidder shall be forfeited to the Cameron Parish School Board should he not return the written lease, duly executed, within twenty (20) days after his receipt of the same.

The Cameron Parish School Board reserves the right to reject any and all bids and to grant a lease on any portion of the tract advertised for a price not less than proportionate to the best bid offered for the lease on the entire tract.

PUBLIC NOTICE
 LOUISIANA DEPARTMENT OF ENVIRONMENTAL QUALITY
 OFFICE OF ENVIRONMENTAL SERVICES, PERMITS DIVISION
REQUEST FOR PUBLIC COMMENT ON NOTICE OF INTENT TO TERMINATE A WATER DISCHARGE PERMIT

BADGER OIL CORPORATION
 S.L. 17205 NO. 1, GRAND LAKE
CAMERON PARISH, LOUISIANA
 LA0116017/AI 97667

The Louisiana Department of Environmental Quality-Office of Environmental Services, (LDEQ-OES), Permits Division is proposing to terminate a Louisiana Pollutant Discharge Elimination System (LPDES) permit (LA0116017) issued to Badger Oil Corporation, P. O. Drawer 52745, Lafayette, Louisiana 70505 for the S.L. 17205 No. 1, Grand Lake facility. The facility was located approximately 14 miles NE of Grand Chenier, Cameron Parish, Louisiana.

The principal discharges from this source were made into Grand Lake and associated natural and manmade waters, waters of the state classified for primary contact recreation, secondary contact recreation, fish and wildlife propagation, and agricultural uses.

During the preparation of this notice of intent to terminate, it has been determined that this action will have no adverse impact on the existing uses of the receiving waterbody. A statement of basis is available.

The LDEQ-OES, Permits Division, has reviewed the request for termination and made a decision to terminate this permit. The public may submit written comments relative to the termination of this permit to Ms. Carolyn Laney, Environmental Assistance Division, Post Office Box 82135, Baton Rouge, LA 70884-2135. A public hearing will be held if the office finds a significant degree of public interest. All comments received by **12:30 p.m., Thursday November 21, 2002</**

The United Nations

This month, the United Nations will celebrate a birthday. The organization was developed in 1945 by 51 countries. Today, 188 countries belong to the United Nations.

The United Nations is not a world government and does not make laws. It was set up for four purposes: to keep international peace and security, to develop friendly relations among nations, to solve international problems and promote respect for human rights and to help unify the actions of nations.

Throughout the world, the United Nations works to clear land mines, improve drinking water, help countries produce more food and loan money to developing countries.

There are six parts to the United Nations:

The General Assembly is a group of nations that meets yearly to work on the world's worst problems.

The Security Council is responsible for keeping peace in the world.

The Economic and Social Council is under the authority of the General Assembly, and it takes care of the economic and social work.

The Trusteeship Council supervises and helps areas around the world that want to govern themselves.

The International Court of Justice has 15 judges that help work out disputes between countries.

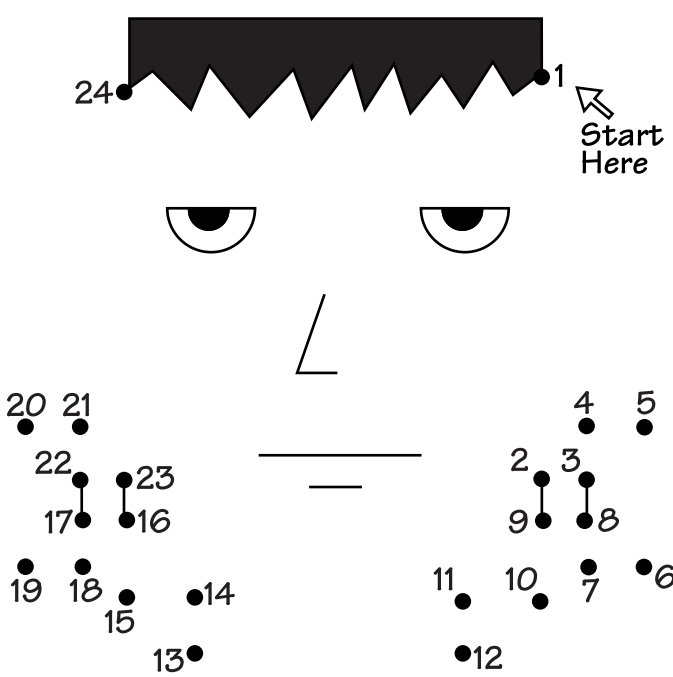

The Secretariat takes care of the day-to-day functions of the United Nations and has about 8,700 employees around the world.

So You Want to Be...

When you combine music with movement, you find dancing. There are different types of dancers, but one thing is the same: They all bring ideas, stories and sound to life with the movement of their bodies.

Dancers perform in ballet, musical shows, opera, ads, television, movies and music videos; They perform modern, folk, ethnic, tap and jazz dances, and many of them sing and act.

Although most dancers work as a group, some dance alone, some teach dance and some choreograph dances. Choreographers create new dances or develop new ways to use older dances.

Even though it may look fun, dancing is actually hard work. Because most of the shows dancers are in take place at night, they work late hours, then practice and have long rehearsals during the day. Many times they have to rehearse and practice on weekends and holidays. If a show they are performing in goes on the road, they have to travel, too.

Most dancers don't have dancing jobs all the time, so they find work in other places, such as restaurants or dance studios. And because of the hard work, long rehearsals and long hours, most dancers stop working by the time they are in their late 30s. Some become dance teachers and coaches when they retire.

Dancers must be in good shape. Their training begins in ballet, usually with private teachers, when they are between 5 to 8. Girls usually start training earlier than boys. If dancers are good when they get into their early teens, they get more advanced training. By the time they are 17 or 18, most have a professional audition.
