

THE HORNET

*The
Hornet*

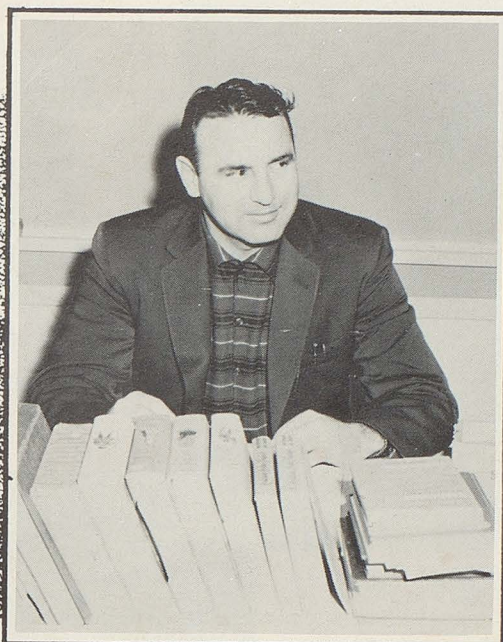

*Grand Lake High School
Lake Charles,
Louisiana*

Dedication

To our "Miss Lee" who has rendered every service possible to uphold the spirit of Grand Lake High; to one who has worked without ceasing for our educational improvement; to one who encouraged us and guided us in all our undertakings; who in her years as Junior Sponsor, F. H. A. Advisor, and 4-H leader, led us willingly, faithfully and with fullest capacity, we, the Staff of 1957, proudly dedicate this edition of "THE HORNET" to our very own ---

MRS. BARBARA LANDRY

To The Students of Grand Lake High:

An annual serves as a record of past accomplishments. It is a book of memories. As such, it does not reflect the true temper of the nation and world of which the school is a part. Today, the world is troubled and the American democracy that we hold so dear is facing a severe test at home and abroad. Many of the values your school has tried to impart become increasingly more important.

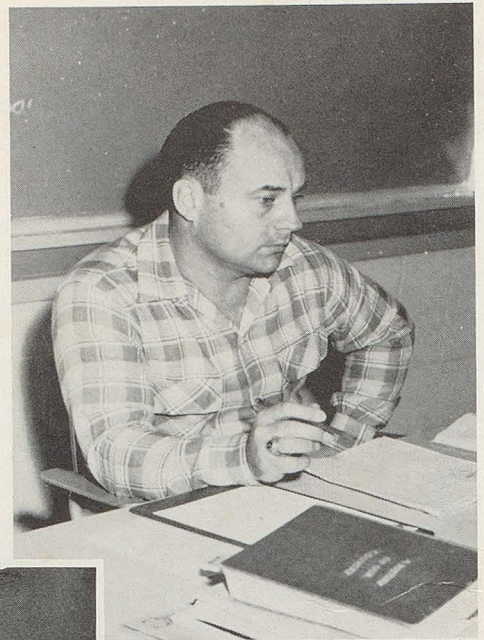

As you take your place in the world, remember that the most vital component part of democracy is human relations --respecting the dignity and the integrity of the individual and the group.

May your future be so planned and managed that the important experiences of your life will bring you both honor and satisfaction.
