1938

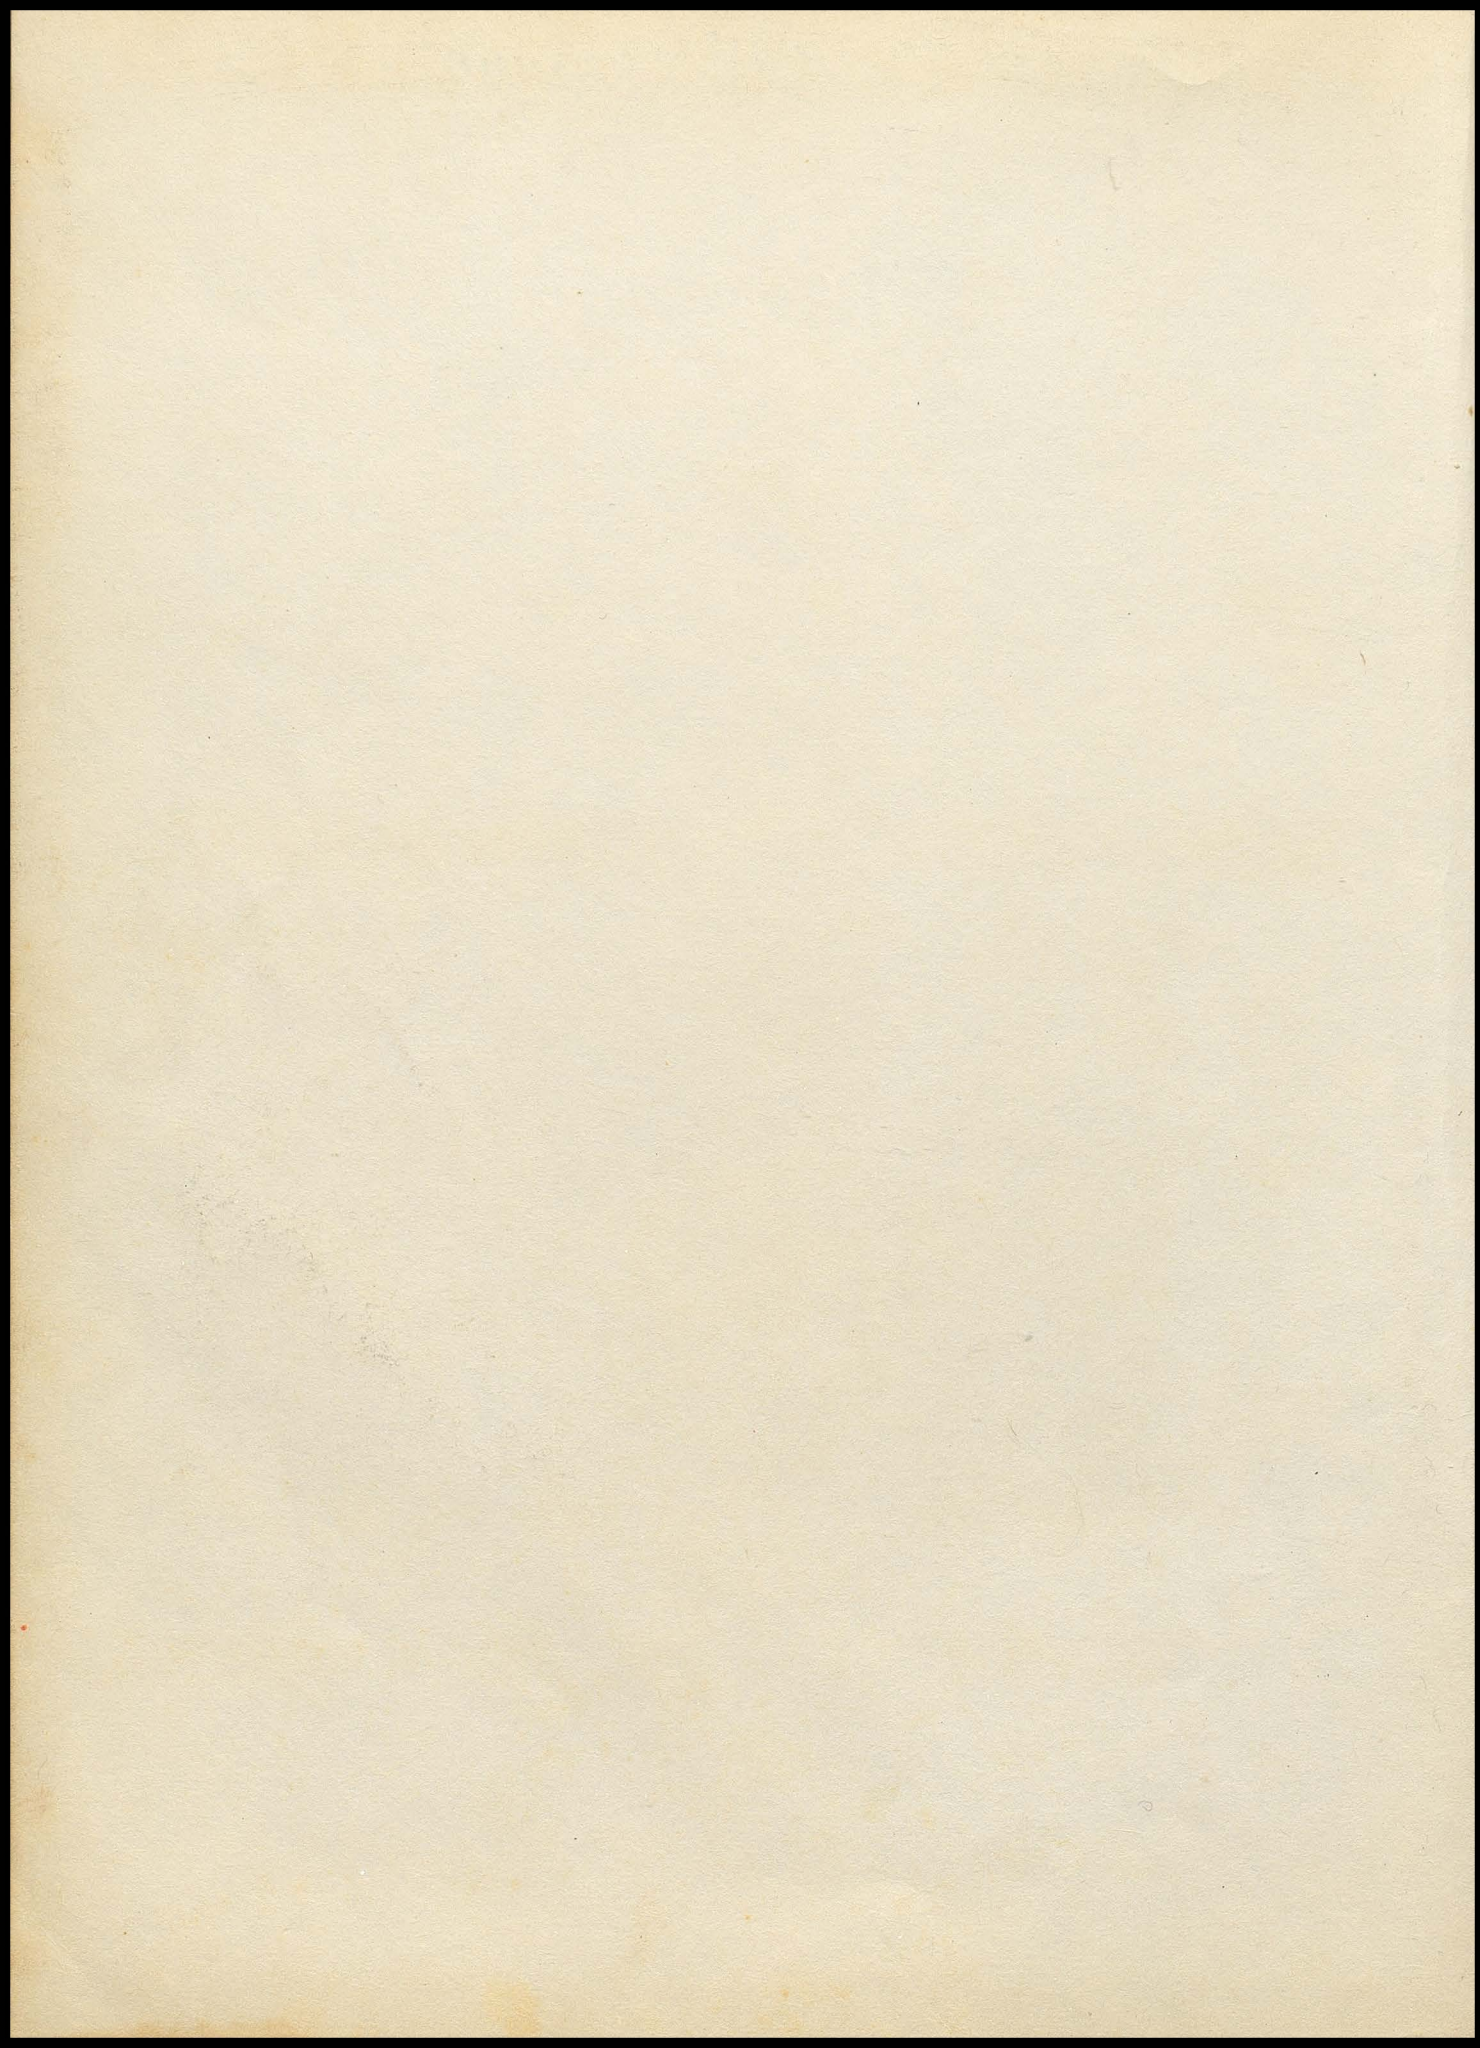

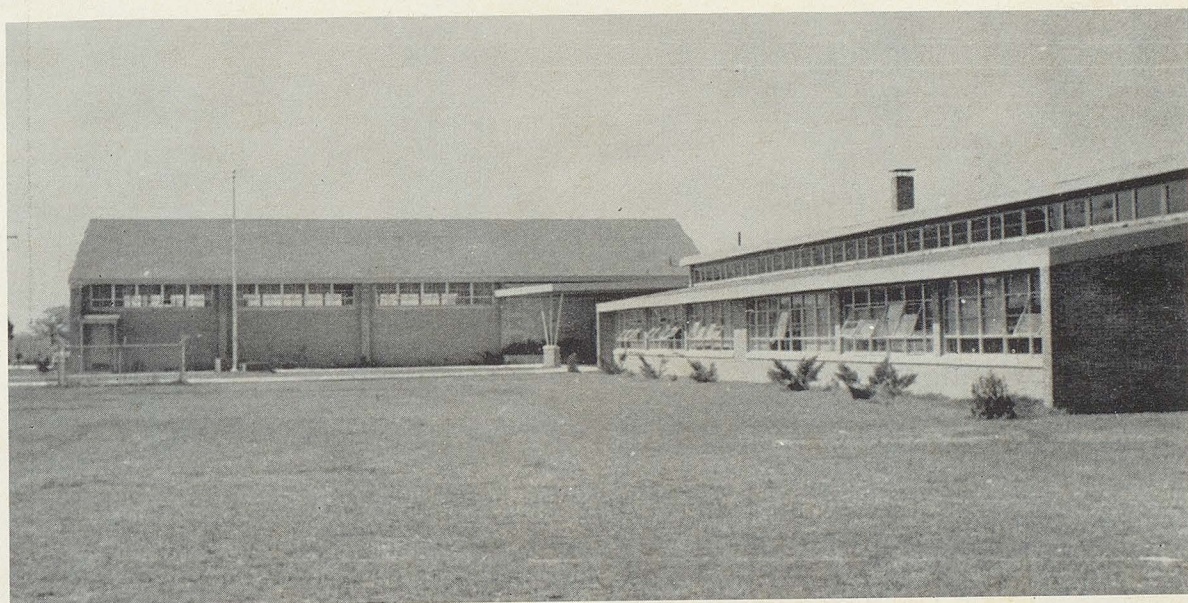

*The Hornet*  
1958

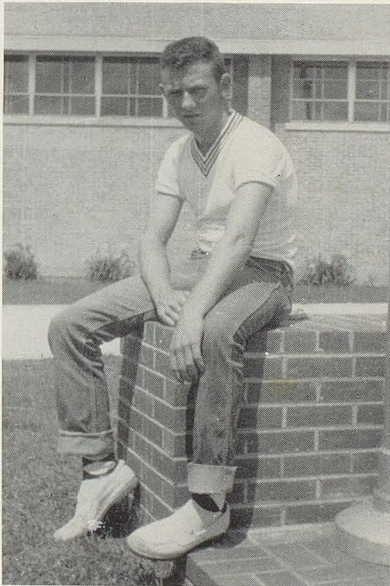

We, the Annual Staff of 1957-58, dedicate our Annual to "Mr. Camille." Mr. Camille departed from us on Tuesday, December 17, 1957.

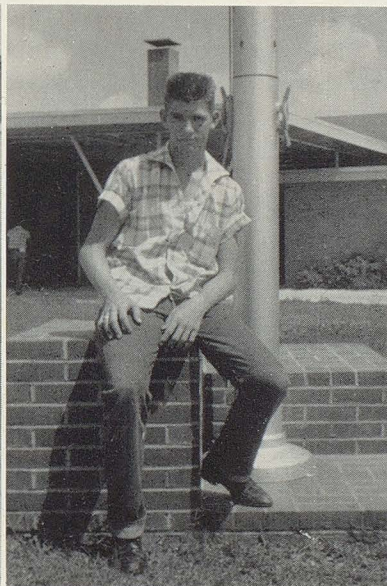

The student body and faculty souly miss his friendly smile and genial philosophy which has been with us for the past ten years.

## *Principal's Message*

A year of learning, not in the pure sense of material knowledge but more important learning to live with our neighbors.

This year may bring this Commandment of God closer to our hearts "Love Thy Neighbor." One is never truly educated until he has learned such. This year has presented many opportunities to do just that. Truly a year of school cannot be summed up in a few words, but if this simple rule were followed or fused into the minds and hearts of our students, then this year may truly be called successful.
