### Safely Home

*I am home in Heaven, dear ones;  
Oh, so happy and so bright!  
There is perfect joy and beauty  
In this everlasting light.*

*All the pain and grief is over,  
Every restless tossing passed;  
I am now at peace forever,  
Safely home in Heaven at last.*

*Did you wonder I so calmly  
Trode the valley of the shade?  
Oh! But Jesus' love illumined  
Every dark and fearful glade.*

*And He came Himself to meet me  
In that way so hard to tread;  
And with Jesus' arm to lean on,  
Could I have one doubt or dread?*

*Then you must not grieve so sorely,  
For I love you dearly still:  
Try to look beyond earth's shadows,  
Pray to trust our Father's Will.*

*There is work still waiting for you,  
So you must not idly stand;  
Do it now, while life remaineth--  
You shall rest in Jesus' land.*

*When that work is all completed,  
he will gently call you Home:  
Oh, the rapture of thou meeting,  
Oh, the joy to see you come!*

Although Mike did not remain at Grand Lake long, we cherish the many happy times together. He was a hard working, bright student. We will miss him.

# HOMECOMING

If you were trying to find the 1989-90 Homecoming Queen, Melissa Reon, (and most people were) you might have found her presiding over our C.Y.O. or F.B.L.A. clubs. You could've tried the gym during basketball season or Ms. Fletcher's or Coach Caldwell's room for a Beta or S.A.D.D. meeting.

The library may have been a good place, for Missy was a very competent co-editor of the annual staff while trying to finish our yearbook on time. Missy was a vital part of our high school, but life must go on. After graduation she'll be attending McNeese State University majoring in Elementary Education. Good Luck, Missy! We'll miss you!

# MESSAGES

## PRINCIPAL'S MESSAGE

I commend the faculty, staff, students, and parents for making 1990 a great year. Your interest, enthusiasm and courage have made Grand Lake School a better place for all of us.

The challenges that await each of you will require the utmost in educational achievement. The opportunities for learning and your accomplishments this year will assure your ability to meet these future challenges. I sincerely wish the best to each of you as you strive to attain your goal in life.

## ASSISTANT PRINCIPAL'S MESSAGE

Years come and go, but memories last forever. Having completed another year, hopefully we can look back on this year with fond memories, and look into the future with bright expectations.

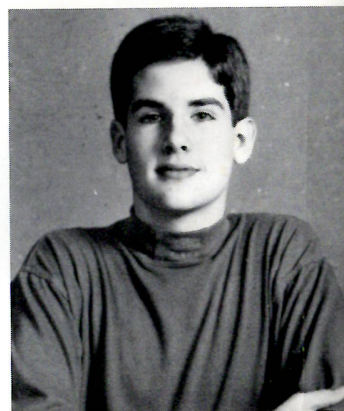

As we leave our high school years behind and move on in life, our memories allow us to recall the times we shared at Grand Lake. I hope the *Hornet '90* has captured some memories we shared and will never let you forget how special they were.

This year has been a year of great accomplishment. Our school can be proud of the quality of our students' success. I am really proud to be a student at this school and I hope that the future can exceed all the goals that we set for it

# DEDICATION

"EDUCATION IS A SOCIAL PROCESS . . . . EDUCATION IS GROWTH . . . .  
EDUCATION IS NOT A PREPARATION FOR LIFE; IT IS LIFE ITSELF"!!!!!! j. dewey

I have always considered it a privilege to teach at Grand Lake High School. The administration, faculty, staff, and student body are the best of the best! During the past 10 years, my most important instructional goal has been to instill in my students a love for learning, a love for others, and a love for themselves. Although there have been moments of self-doubt, your vote of confidence has been a great source of encouragement to me. Thank you for your continued support.

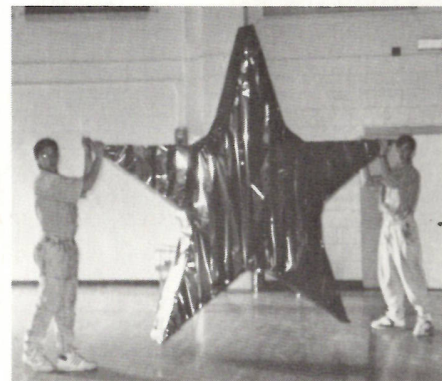

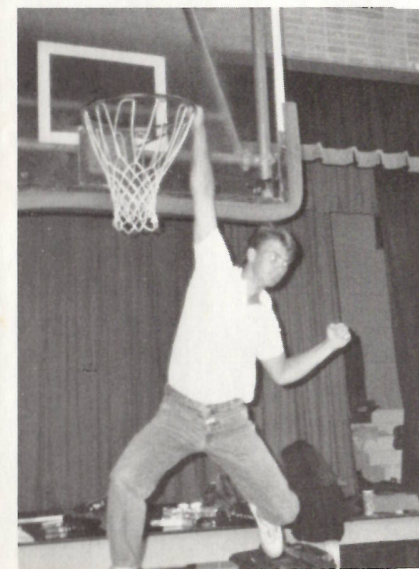

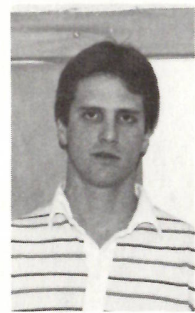

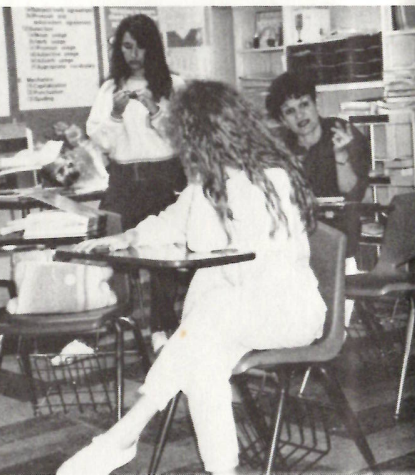

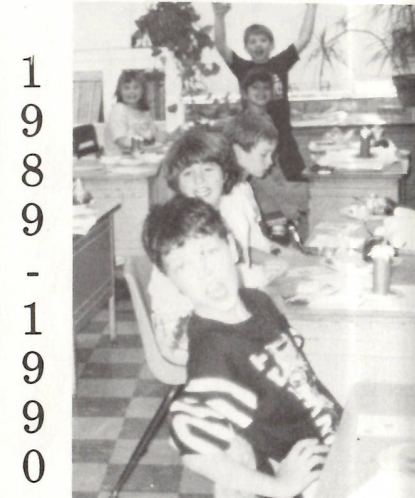

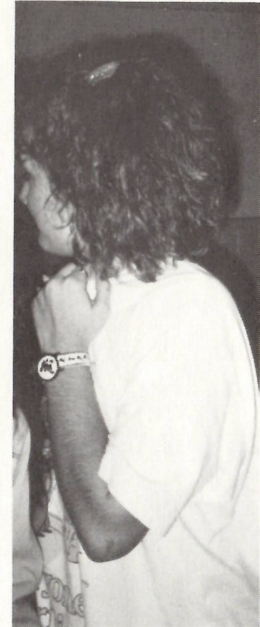

Sincerely,  
Jackie Holmes

Being chosen as elementary teacher of the year by my faculty is such an honor. Actually, it's just icing on the cake. Here I am, doing something I absolutely adore, and I'm being recognized by my peers for it. Now, don't get me wrong. Teaching is very difficult work. Ask any other teacher and they'll vouch for that. But I know I am very effective and that I do make a positive difference in those students' lives, and when it comes right down to it, that's enough reward for me.

Sincerely,  
Debra Darnutzer
