"Good night. Ensured
release,
Imperishable peace,
Have these for yours."

On Monday, December 19, we gathered with hearts saddened by the news of the death, the previous evening, of our fellow-student and friend, Lester Peter Gary. Lester entered our school in 1944 as a first grader; this was his eighth year in school. It is hard for us to realize that his place is now empty.

Principal's Message

An annual serves as a record of past accomplishments. It is a book which represents hard work, thinking, honest effort and leadership on the part of those who make it possible.

It is my sincere hope that you who are leaving us will have gained enough through your experiences with this yearbook to enable you to become the worthwhile citizens and leaders we know you are capable of being.

May this annual give you joy on first glancing through it and may it then become a prized book of memories for future years
