FACULTY

We dedicate this yearbook to our devoted senior sponsor. Through the years she has worked untiring with seniors. We are very grateful for her understanding and guidance throughout our high school years.

Mrs. Roger W. Fosson has always been ready and willing to help us with any endeavor; be it educational or personal. In a very real sense, she has given us a blueprint upon which we can build as individuals.

The Senior Class of 1967 is honored to dedicate this yearbook to MRS. ROGER FOSSON.

PRINCIPAL'S MESSAGE

Many things go into the making of a school. The main ingredient is an enthusiastic student body backed by the active interest of their teachers and their parents. Grand Lake High School has enjoyed this enthusiasm for the past several years; and, as a result, we have grown both in our classroom activities and in our extra-curricular activities.

As principal, I salute the students, the parents, the teachers, the school board member, and the community who have supported us in our climb toward success.

This past year as principal of this school has been very pleasant. Our duty as students, teachers, and parents is to always work to improve our school in every possible way. As you read and view the various pictures, always remember you have a part in developing the fine reputation of our school. May you have many happy years ahead.

Alvin Hoffpauir, Principal

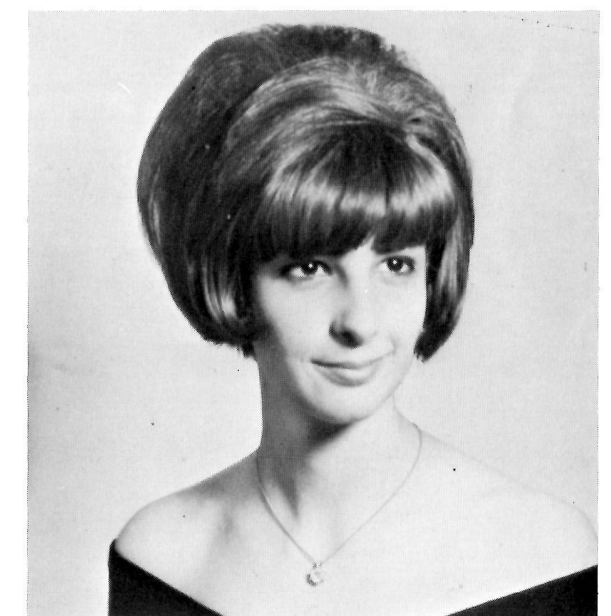

EDITOR'S MESSAGE

As Editor of the HORNET, I would like to take this opportunity to thank everyone concerned for their cooperation that we have received in this publication.

Many hours of planning, work, and fun has gone into the pages of this book and we sincerely hope that we have captured many of the pleasant memories of the past.

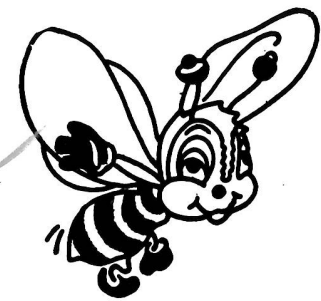

In behalf of Hornet Staff, it has been a pleasure in presenting the 1967 HORNET to you.
