GIRL'S BASKETBALL

The 1985-86 Lady Hornets enjoyed their best season in many years. Despite a lack of size and experience, they posted sixteen victories and captured four tournament trophies, (2 second place and 2 third place.) Although the Lady Hornets fell one game short of making the playoffs, they look forward to a great year next year, since they lose only one player.

Rhonda Lannin was the only Senior and the team captain. She provided leadership and made the all-district team. Junior, Bernadette Fruge, was the leading rebounder; she and the three freshman, Kay Lynn Breaux, Rachel Manuel, and Rhonda Verzyvelt, rounded out the starting five and did a super job. Juniors, Laurie Crador and Stephanie Guillory also played key roles for the team.

GRAND LAKE SCHOOL HOSTS REVIEW TEAM

The state review team for Grand Lake composed of Jan Drinkwater and Raymond Castille was very complimentary Tuesday, April 24. The school has been found to be in compliance with all policies and standards of the State Board of Elementary and Secondary Education.

The team noted in their comments on the excellent parental involvement at school, that the faculty is very knowledgeable, professional and cooperative, and the excellent working relationship between the principal and assistant principal.

"We would like to thank the parents that volunteered their time and support to help us during the Compliance Accreditation Program Study team visit to Grand Lake," principal Delmus Hebert stated.

Mr. Delmus Hebert, principal at Grand Lake, sports his "we Did It" button while showing assistant principal, Pearl Leach, the CAPS review team report.

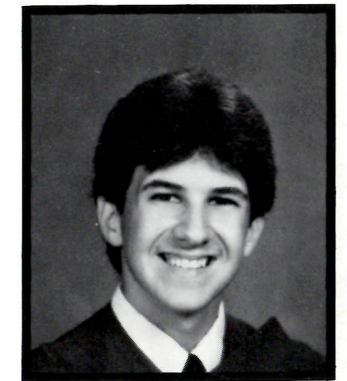

Teena Poole
Editor

Working on the Annual Staff for four years has been great fun and a great challenge. The work that goes into planning each annual is tremendous. I hope you enjoy this product of our work.

Chris Reon

Working in Annual Staff throughout high school has been a great experience. I have enjoyed working on the yearbook, and I hope that everyone will enjoy and appreciate all the hard work that was put into this yearbook. I would like to thank Mrs. Valere for all her encouragement because without her this book would not be possible.

Jody Boone

Remember, those who complain about the way the ball bounces are those who usually drop it.
