IN MEMORY OF:
Michael "Flip" Hebert

An unborn child is safe and warm
Within his mother's womb
Though when it's time for the child's birth
He fears an instant doom
But with the help of mom and dad
He makes it through this strife
And with the help of God above
He lives a healthy life
Day by day he touches people
And brings love to many lives
And it hurts more than he knows
When we have to say good-bye
Like an unborn child he was safe and warm
In this world he grew to know
For an instant I'm sure he feared to leave
When the time came for him to go
And for those of us who loved him
It hurt more than he knew
When he left this life so quickly
And there was nothing we could do
But if we have faith together
We'll make it though this strife
Cause we'll stop and be most certain
That God gave my son new life.

Although it took much studying to graduate it also took MUCH praying ...

Father, as I graduate,
I pray you'll show me now
How to use my knowledge wisely
and find a way somehow
To make the world I live in
a little better place,
And make life with its problems
a bit easier to face...
Grant me faith and courage
and put purpose in my days,
And show me how to serve Thee
in the most effective ways
So that my education,
my knowledge and my skill
May find their true fulfillment
as I learn to do Thy will...
And may I ever be aware
in everything I do
That knowledge comes from learning,
but wisdom comes from You.

The 1986-87 school year was a very big success for the Grand Lake Chapter of FBLA. The Year began with the annual selling of TOM-WAT. We made a record high sell of \$7800.00. Our top salesperson was Laurie Crador bringing in approximately \$1182. After all the hard work of TOM-WAT, Mrs. Young immediately started to prepare for the District Meeting at McNeese in February, 1987. All students arrived at the district meeting with a positive attitude and prepared to give it their best. Everyone did their absolute best and achieved most goals they set out for. We received all excellents by: Missy Reon, Stephanie Guilory, Cindie DeVall, Crissy Le-Boeuf.

Old Officers

Superior ratings were: Rhonda Verzwylt, Billie Guilory, Paul Fullington, Bernadette Fruge', Derrick Robideaux, David O'Connol and Rendy Drounette. Amy Pool walked away being District VI vice President for 1987-88. After a successful day at District, students continued to prepare for state competition. At state we received Third In Current events, Seventh in Business English, and a tenth in the Poster Contest. The year's ending was drawing near so the club held the Award's Banquet. To award everyone for their successful year. Most of all, we would like to Thank and congratulate Mrs. Brenda Young for Being a Star in FBLA During the 1986-87 year.

LADY HORNETS HISTORY FOR 1986-1987

The Grand Lake Lady Hornets had the most successful season ever. In addition to winning 30 games, they were regional champions. For the first time, the Lady Hornets were one victory away from making the Sweet Sixteen Tourney. The Lady Hornets also captured two tournament championships and had a thrilling victory over class AAA power Sam Houston.

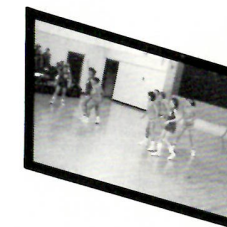

Senior, Laurie Crador led the team in scoring with a 12 point average and Bernadette Fruge, also senior, led in rebounds with an 8.5 average. Sophomores KayLynn Breaux, Rhonda Verzwylvelt, and Rachel Manual rounded out the starting five and played outstanding ball during the course of the season. Freshman Amy Jo LeBoeuf came off the bench to spark the team to several important victories. It was a great season and the Lady Hornets look forward to another great season next year.

I would like to say thanks to the faculty, staff, and student body for your cooperation and support in the administrative changes this year. You have made the transition easy and rewarding.

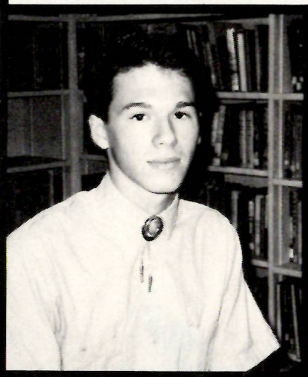

We must always look forward, set new goals and strive to reach those goals each day. I'm very proud of Grand Lake's achievements in both academics and athletics.

This will be our 50th graduating class. If the world changes as much in the next 50 years as in the last, we will need to revise and reassess our goals many times to keep up with our world. With all the changes, there are still some very basic goals that will never change. Together, may we be dedicated to these educational, moral and civic rules and work toward an even greater tomorrow.

Sincerely,
Pearl Leach
Principal

Striving to do your best can only be accomplished by doing your best. Even though I have been at Grand Lake a very short time, I feel this is the goal of every faculty member and student here. It has been a wonderful year and I look forward to many more at Grand Lake High School.

Sincerely,
Jim Melancon
Assistant Principal

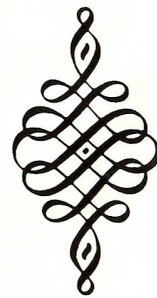

Many events have taken place this past year at Grand Lake High that are now only memories. We have tried to cherish those memories in this '87 HORNET.

It has been a pleasure working with Mrs. Valere and all of the staff. I look forward to working with them in the future.

Thank you, Grand Lake High, for all of the memories.

Sincerely,
Scott Poole
Editor

As co-editor, I would like to thank Annual Staff, the faculty, and the students.

I would like to thank Mrs. Valere, our sponsor, and Scott Poole, our Editor, especially. Without their help, there would be no annual this year. I hope this year's annual brings each and every one of you happy memories.

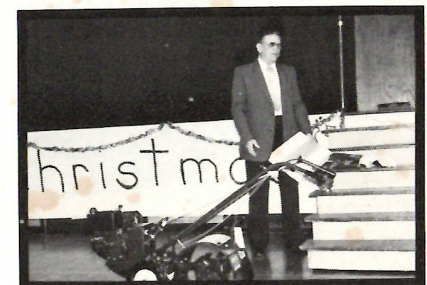

Sincerely,
Angie Chesson
Co-Editor

FACULTY

SPOTLIGHT ON . . .

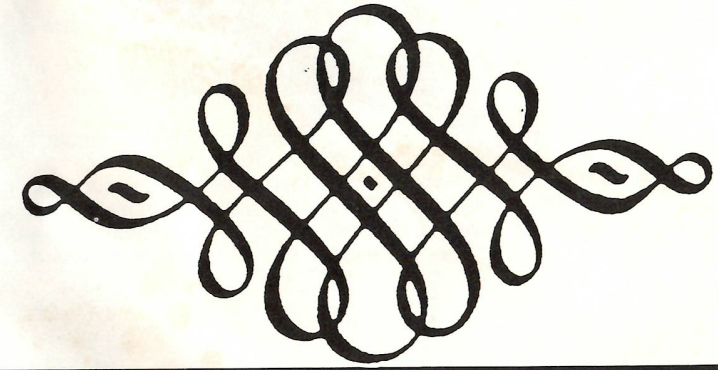

We proudly dedicate the 1986-87 Hornet to Mr. Delmus Hebert.

Mr. Delmus Hebert served as principal of Grand Lake School for twelve and one-half years. During Mr. Hebert's principalship, the school progressed in both academics and athletics. Faculty, staff, student body, and community united during this time to make Grand Lake a school of which all could be proud. Administrator, team worker, enthusiastic fan, friend — these terms appropriately describe Mr. Delmus Hebert, who willingly dedicated a large portion of his life to Grand Lake High.

Perhaps the following best states Mr. Hebert's philosophy:

Whatever your hands find to do, that do with all the might that is in you. That is the lesson of all experience. Face every task with a determination to conquer its difficulties and never to let them conquer you. No task is too small to be do well. For the man who is worthy, who is fit to perform the deeds of the world, even the greatest, sooner or later the opportunity to do them will come.
