David O'Connell

As we pause to reflect on the past school year, we cannot fail to recognize how quickly we Americans can lose those special rights and privileges we often take for granted. World events taught us that our lives can change overnight.

Calvin Coolidge once states, "Patriotism is easy to understand in America; it means looking out for yourself by looking out for your country." Three former graduates of Grand Lake High School served in Operation Desert Storm in the Middle East. Their courage, service, and loyalty exemplify their dedication to America and the principles for which it was founded.

As we dedicate the 1990 - 91 Hornet to Robbie Broussard, Christopher Cheramie, and David O'Connell, we express our gratitude and heartfelt thanks for uniting this community during the recent world crisis.

This has been a very exciting and rewarding year. We watched as the new high school and kindergarten wings took shape. We impatiently waited for moving day. We are delighted with the results of the building program.

Now, we are looking forward to a new library, completion of the mascot project, yard beautification projects, and hall and locker touch-ups.

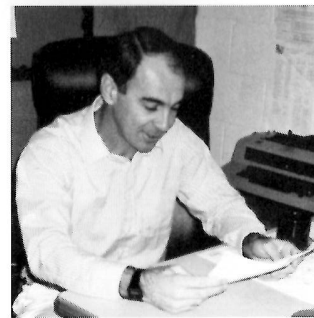

Not only did our building grow, but we will finish the year with more students than we did last year. Due to this increase, we have two sections of grades K-8 and some sections of the sophomore class.

Other new events include the beginning of the school newspaper, PTA volunteers, media room and equipment and the scholarship project. The temporary buildings are being converted into dressing rooms for PE, storage and conference space. Also a computer lab will be formed for next year so that all students will have a scheduled time on the computer with a curriculum to enhance regular class work.

1991-1992 will clearly be remembered as the year of "Growth and Change at GLHS.

Mrs. Leach-Principal

Another year has come and gone. Once again we can see progress at Grand Lake High School. A successful SACS visit, as well as the opening of our new high school and kindergarten wings. Hopefully, years from now we can look back with fond memories of this past year.

Mr. Melanson
Asst. Principal

The Hornet '91 is a book of memories. Those memories in which we cherish most are locked inside our yearbooks and our minds. I hope that this time of your lives may be kept strong within the pages of this yearbook.

I have many memories of my life in this high school. To all of you who still have years of school left, take advantage of this time and make the most of high school. Thank you all for helping me close a chapter in my epic of life. May the future hold many bright memories.

Casey V.-Editor

As Co-Editor of the Hornet Annual, I had the opportunity to become a strong and responsible leader. I feel fortunate to have been able to work with such exceptional students. The accomplishments of the Grand Lake students this year were tremendous. I feel proud to be a student at Grand Lake and part of the Hornet Annual Staff. The qualities and leadership abilities I have gained this year will contribute greatly to the task I have been appointed as Editor of the '91 - '92 Hornet Annual.

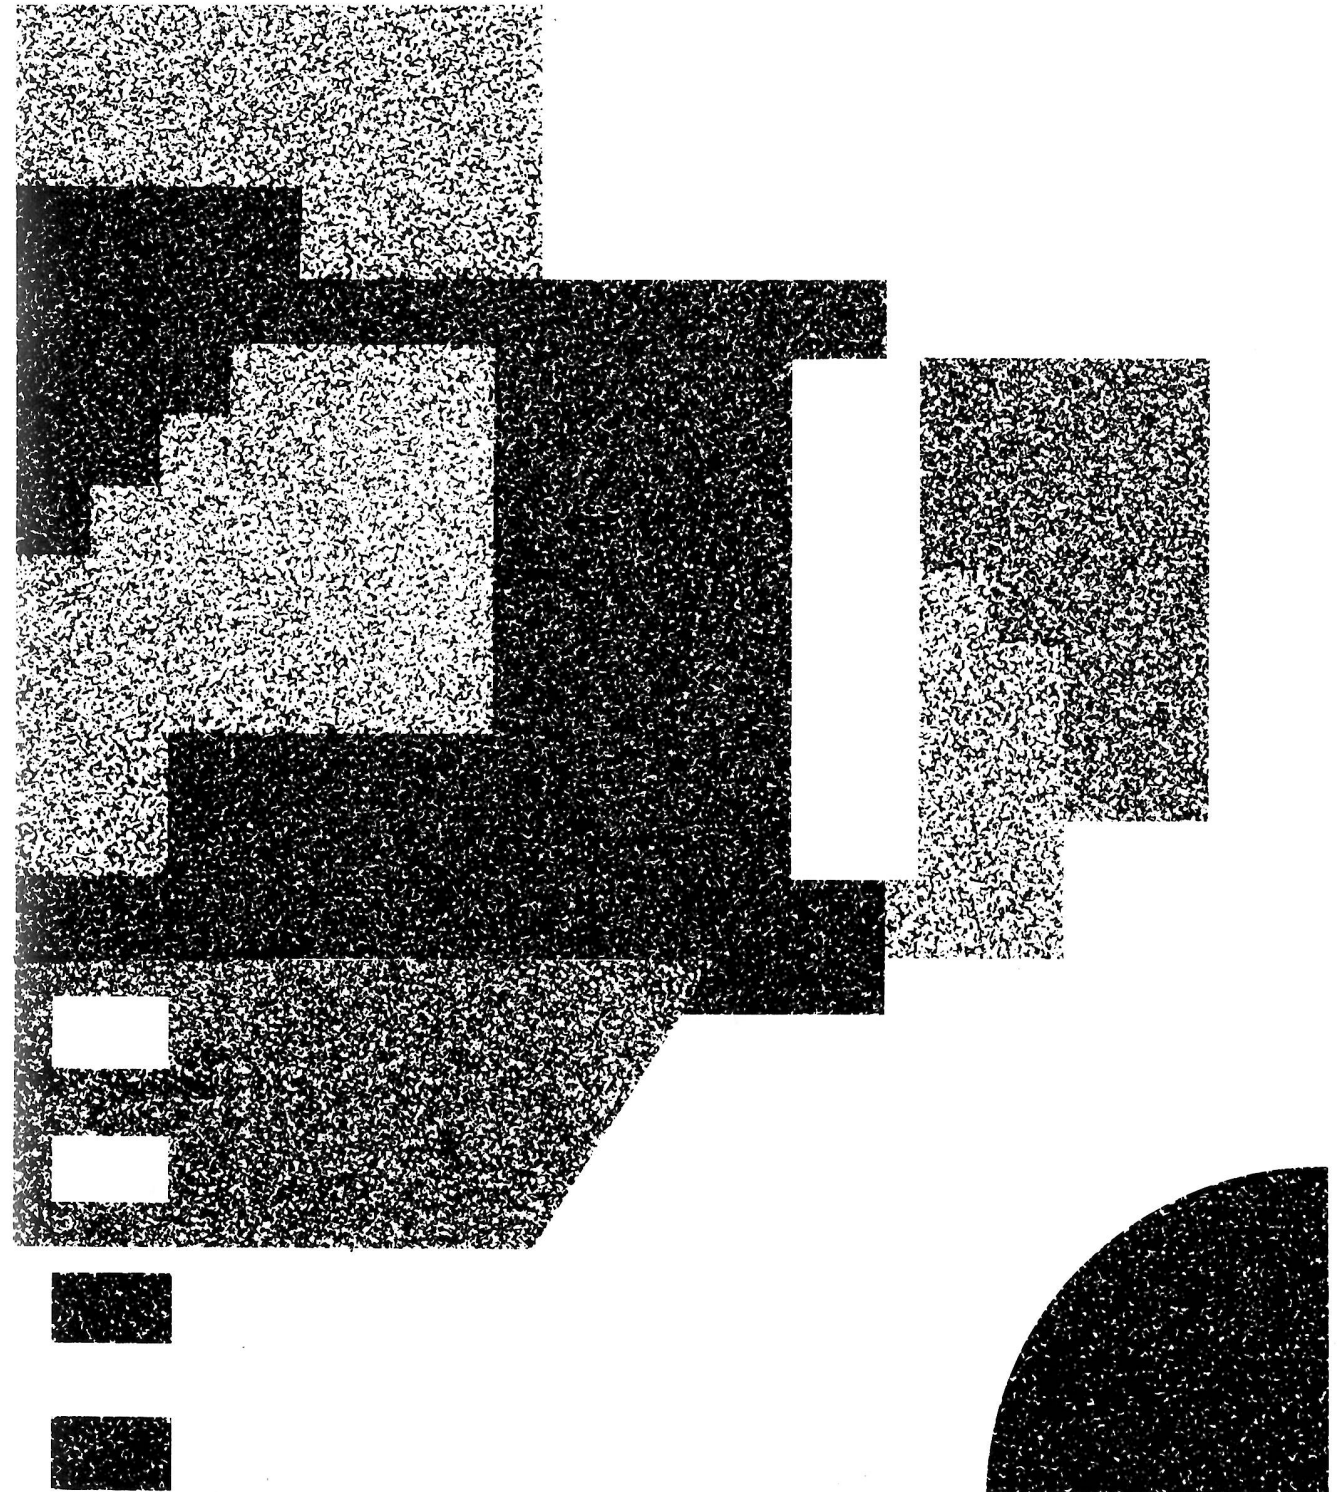

As the 1990 - 1991 school year comes to a close, the memories are just beginning. Looking back on this year, we will be able to recall many fond memories. As Co-Editor of this year's Hornet, I hope that this yearbook will help you cherish and capture each and every special moment of the year.

We've got a few special words we'd like to share with you, to thank you:

For keeping our spirits up,
 For never letting us down,
 For being there for us,
 For bringing so many smiles our way,
 For knowing just what to say,
 For understanding so much about us,
 For being so patient,
 For bringing us laughter,
 For bringing us light,
 For being the best,
 For being so beautiful,

We don't know what we would have done ... without you.

The Queen And Her Court

This year's Homecoming Queen is none other than Ms. Kristi Belanger. Kristi is the daughter of Mrs. Kala Billedeaux and the late Mr. Anthony Belanger. She is an active student here at Grand Lake. Kristi has been in S.A.D.D. and FBLA for all four of her years here at Grand Lake. She has also been on the Annual Staff for 4 years.

Kristi has held offices in Beta and her own class. She was a State Writing winner and placed 1st in the parish. Kristi has been a vital part of our school for four years and, if I might add, a big help with the yearbook! Kristi is planning to attend L.S.U. after high school and major in Architecture.

In Memory Of

Sundown! The twilight shades descend
Upon a life so soon come to an end;
But, now they know a brighter land,
Beyond the vale of earth's swift transient
strand!

Mrs. Annie Lou Fosson
who taught at Grand Lake
from 1948 to 1974

Sundown! The velvet robes of night
Then through the dark into a landscape of
bright;
With sunrise on that blissful shore,
Where sorrows cease and troubles come no
more!

Kevin Brent Breaux son
of Mr. and Mrs. Marvin
Breux and brother of
Shanon.

Sundown! But, not a sad farewell
They share a joy no mortal tongue can tell;
Sweet is the slumber in the silent sod,
As their freed souls wind heavenward to God!

Sundown! But now beyond the tideless sea,
They now abide and wait for you and me;
Someday we'll meet them by our Father's
throne
With all our friends and loved ones who have
gone!

Sundown! Sleep well our fallen friends,
Through shadowed gloom extends;
For just awhile and then to live again,
And endless life that knows no hurt or pain!

DIXIE DIRT AND SAND

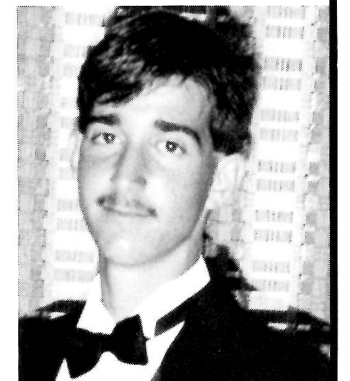

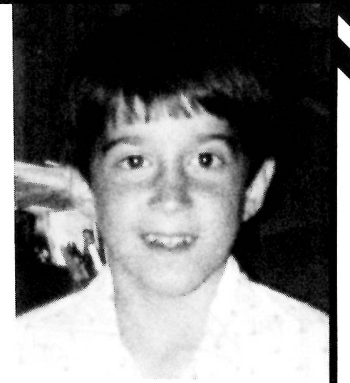

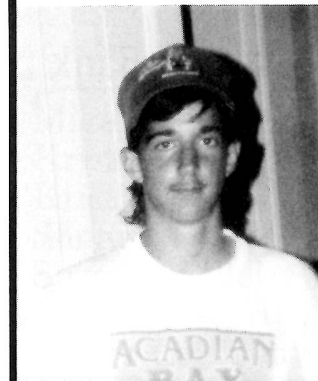

Good Luck Errol,

You were my bundle of joy at birth,
Never knowing how much happiness
You'd bring me here on earth.
OH! SUCH JOY!

Remember the time you were barely a tot,
Those wild mushrooms of which you ate a
lot.

How about when you were five and free,
You accidentally hung yourself from a tree.
And then there's the unforgettable memory
when,
Through your heart a pellet did skim.
So now my miracle son and future electrical
engineer,
Congratulations and may God be with you
year after year.

All my love,
Your mom and friend
