## OUR PARTNER IN EDUCATION

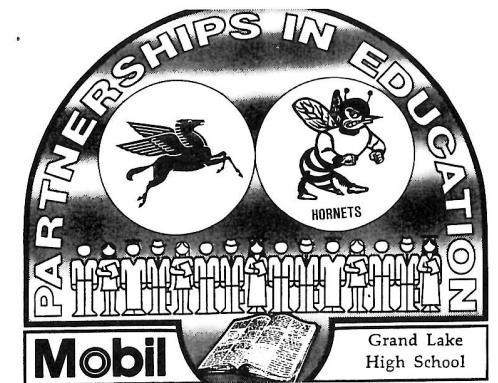

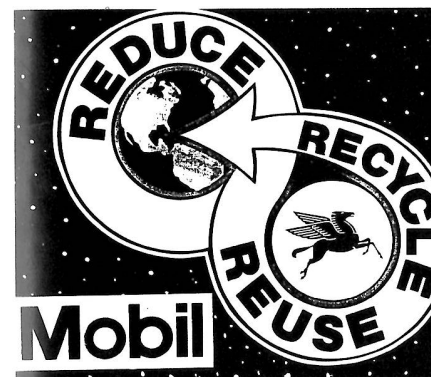

Becki Gauthier

This year Mobil Exploration & Producing U.S., Inc. began supporting our school as our Partner In Education. From financial support, to classroom materials, to sponsoring Grand Lake's very first Career Day, Mobil has greatly increased our school's morale. Career Day was a great success! Different professionals sacrificed a whole day away from their jobs to come speak to the high school students about their respective careers. Mobil made provisions for Popeye's to cater our lunch at the end of the day. Students and teachers are very thankful for Mobil's contributions to our school. Mrs. Holmes is delighted about all of the equipment that has been donated to the science department. Mrs. Monsour feels that "Grand Lake's attitude has become more positive because of the assistance that Mobil has offered." Mrs. Bertrand says "Thanks" to Mobil for the calculators and other equipment donated to the business department. "Their (Mobil) contributions raised school spirit among faculty and students. Many thanks!!" stated Ms. Fletcher. Mrs. Cindy Hebert feels "a lot of appreciation for all their help." Mrs. Simmons is especially grateful for "Mobil's dedication to our children," and later said, "Grand Lake is fortunate to be a part of this ... I hope our partnership continues for a very long time."

# Faculty

Thomas Wolfe believed and people seem to agree, that "you can't go home again." When something is over, somehow it seems unable to be recaptured at least in the way in which we would like to recall "The way we were" or what might have been.

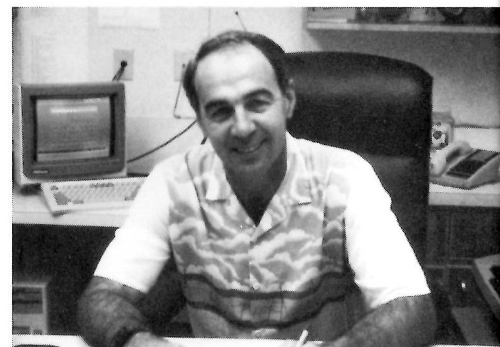

It is already tomorrow. Time which never stops on its journey, passes before your eyes and you will be members of the community looking back on the year you spent at Grand Lake. The photos, facts, and memories in their book will be your stepping stones to a happy reminiscence.

May your memories of Grand Lake be pleasant ones, and may your futures be filled with happiness and success.

Pearl Leach,  
Principal

As we conclude another school year let us look back on the memories of this year. May the friendships we developed last us a lifetime.

Mr. Melanson,  
Vice-Principal

1993 has been quite a memorable year! So many new things have begun this year at our school! I am very proud of everyone and their commitment to the school and this yearbook. Thanks to all the students, teachers and parents who, with their cooperative spirits, helped our staff create another great yearbook! And thank you for allowing me to have a part in the capturing of YOUR MEMORIES.

Allison Pool,  
Editor

We are at the end of another great year, and it's time to look back at all the good times and accomplishments. I loved putting the memories together, and I'll be doing it again next year.

# MR. AND MISS GRAND LAKE

Allison Pool, daughter of Gary and Paula Pool is the 1992-93 Miss Grand Lake. For four years Allison has captured our hearts and, not to mention, our attention. Allison always does her best at whatever she sets out to do and we know she will do just as good at L.S.U. as she did at G.L.H. Allison was everybody's friend and will be missed by many people. Good Luck, All!

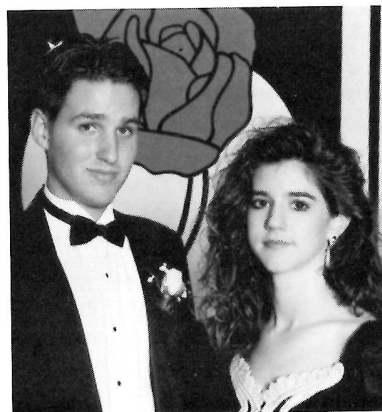

Terry Faulk, son of Morgan and Mel Faulk is the 1992-93 Mr. Grand Lake. Terry is the last Faulk to graduate from Grand Lake. Terry has always been an athlete at Grand Lake. His school sports always rubbed off on others. We can always rely on Terry to get that last pointer in or to give the encouragement to someone else to win the game. Terry is planning to be a medical emergency technician and we know he will succeed. We're behind you Terry!

# BATTER UP!

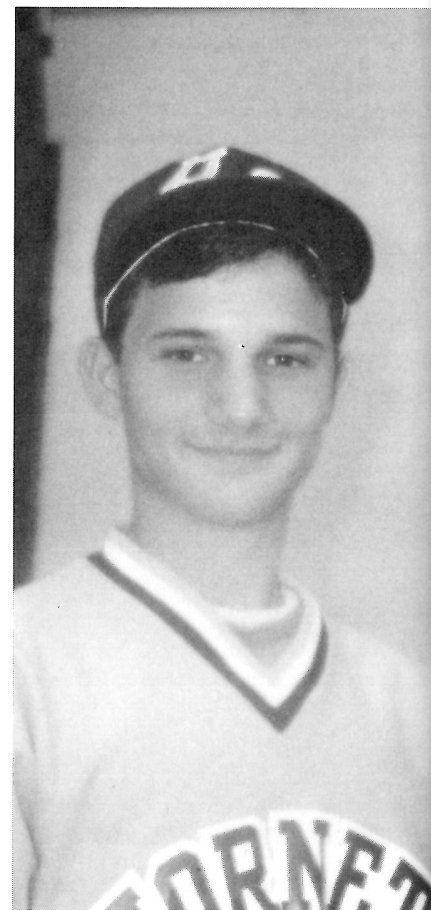

## GRAND LAKE HIGH SCHOOL'S FIRST BASEBALL TEAM

1993 has been a year of many firsts. With the coming of our new baseball team, came some very notable records. The first hit for G.L. was by Eric Boone in their first game against Reeves. Eric B. also scored the first run and stole the first base in G.L. baseball history! Travis Breaux was the first pitcher to strike out a batter, and the first walk was taken by Eric Conner. Joshua Johnson and Travis Breaux struck out 10 batters each during the season. The most popular saying — "The game's been rained out."

Team members are Russell Nunez, Jerem LeBlanc, Ronald Thomas, Ricky Thomas, Timmy Daigle, Coach David Duhon, Justin Phillips, Shelby Arbour, Clay LeMaire, Chad Calhoun, Peter Demarest, Travis Breaux, Neal Kiser, Zach Taylor, Eric Conner, Terry Faulk, Eric Boone, Jason O'Meara, and Joshua Johnson (not pictured).

Timmy Daigle hit the first homerun in Grand Lake Baseball History!
