In Memory of Julie

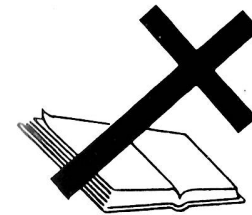

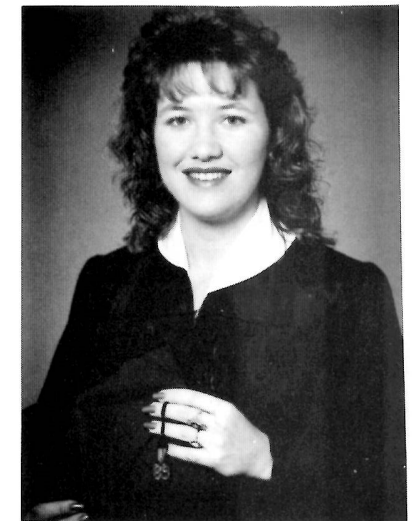

*A young girl named Julie,
with a miracle inside,
many hearts wounded,
lives ended in mortal tragedy.*

*Julie is in heaven tonight
living best, raising her child of light
She says to me "I'm alright."
In between the sadness.*

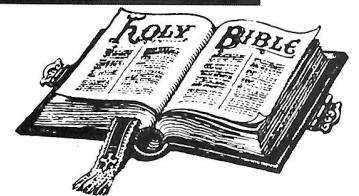

*In years to come
it will seem like yesterday
She was living among us
But into every life a little rain must fall
And losing a loved one is like a storm
But storms always pass.*

*It is in truth that life goes on
Even after life
And Julie will survive
In the memories that
we're holding in our hearts.*

*Jessica
Lonthier*

This world is not Conclusion,
A Species stands beyond-
Invisible as music-
But positive as Sound-
Emily Dickinson

As human beings we will always strive to understand the mysteries of life, death, and immortality. However, we do know that this world does not provide answers, and life does not end with this world.

We of Grand Lake High School mourn the loss of our former graduates who contributed greatly to our entire program.

We dedicate the 1994 HORNET to Jolene LaBove and Julie Johnson Thibodeaux.

Too often, like Gatsby, we tend to spend so much of our lives in "between" time; a foot in the past, a glance to the future. Others say there are really only two good places - Where we've been and where we're going.

I would like to think that your years at Grand Lake High as captured by this yearbook provided a moment when time stood still, where the past and the future blended. If we have touched each other with a little sentiment and a bit of intellect and a lot of wisdom, then all our lives are enriched by just having known one another.

Pearl Leach

Another successful school year has come and gone. May we look back on this year with fondest of memories. The memories of this year will last a lifetime.

Jim Melanson

My final year at Grand Lake has been so full of experiences. I wouldn't have changed a thing. Thank you all for letting me put this yearbook together. I'd like to especially thank my staff for putting up with me, and Tara for sometimes doing more than her share! My high school career has been so memorable, especially my senior year. These are the days, guys -- Remember, these years pass by quicker than you think. Have fun!

Erica Young
Editor

Working as co-editor of the '94 Hornet has been a memorable experience. I want to thank all members of our staff for your devotion and cooperation. You have all done a great job. I hope that everyone enjoys this year's book because in it are memories that we all should be proud of.

Cameron State Bank

You Can Bank On Us!

What's a Student Loan?

It's a way for you to pay for your educational expenses. Calcasieu Marine National Bank's student loans are for high school seniors entering college, students already enrolled in college, and persons wanting to go back to college.

CM's student loans provide lower interest rates and lower monthly payments than regular consumer loans, and repayment is usually delayed until you are no longer enrolled in college.

The Programs

Under the Federal Family Education Loan Program (formerly, Guaranteed Student Loan), CM offers you four different types of student loan programs when you attend the 2-year, 4-year, or graduate school of your choice. They are:

- The Unsubsidized Federal Stafford,
- The Federal SLS, and
- The Federal Stafford,
- The Federal PLUS.

Some financial institutions do not fully participate in the Federal Family Education Loan Program (FFELP), and therefore can't offer you all these programs as CM does.

Need Help?

If you have any questions or concerns about obtaining your student loan, please contact one of our Student Loan Representatives in our full-service Student Loan Department, between 8:00 a.m. and 5:30 p.m., Monday through Friday, at 318-494-3407.

Other CM Services

We can also provide you with a checking account - especially designed for students - with no minimum balance requirements and a low monthly fee. And, with our new ATM system, you can withdraw cash, check account balances, transfer funds, and make deposits to your account 24 hours a day, 365 days a year, at 20 strategically-placed machines.

Plus, we offer the greatest hours of any financial institution in our area.

Through the years....,

We have been proud of you, Beau

Love, Dad, Mom, Leslie, Trey, and Marylyn

Once there was a boy named Clay
Who loved to fish and hunt
Almost every day.

A sad thing happed when
He became five,
He had to go to school
To learn to survive.

Now his fishing and hunting
Was limited to
Afternoons and weekends--
Gosh, that just wouldn't do.

So summers and holidays
Plus sick days from school
Allowed more time to fish and hunt.
Oops! Did he break the golden rule?

High school is over and
Welding classes have begun,
But he still reels and shoots his shotgun.

All my love,
Mom
