Supporting Our Troops

Our students helped in a school wide collection of goods for our soldiers across the sea. Items collected included eye drops, calling cards, band aides, sun block, lip balm, lotion, deoderant, and many other items that were needed.

A Puzzling Peak... A Sneak Preview... A Look Behind the Scene of Your Yearbook

On behalf of Mrs. Robinson, Mrs. Nunez, & the yearbook staff, we would like to thank all who participated in our yearbook survey, purchased books, ads, & pictures.

Ready, Get Set, Respond.....To Your Comments.

Below is a list of your comments about the yearbook.

It cost us approximately \$12,000-\$14,000 to get a decent yearbook to you. Your cost is \$30.00. We sell an average of 250-300 books. We collect a total of \$9,000 from yearbook sales. We make no profit. Supplies must also be purchased. Where will we make up the difference? Advertising sales and fundraisers are our answers.

- *More pictures of everybody
- *A lower price
- *Not so many ads
- *Need more elementary school pictures. This is their yearbook, too.
- *We love to look at the yearbook, and we will have a lot of memories.
- *The 2002 yearbook was fabulous! I'll bet the 2003 book will be interesting.
- *All of junior high should get color pages, not just seniors.
- *More sports pages
- *More 4-H pages
- *More chess pages
- *More homecoming pages
- *I think Mrs. Robinson & the yearbook staff are doing a wonderful job!
- *Why can't we get our yearbook before school ends?

Any class or club/organization can have a color page; all you have to do is pay for it. The cost is \$250 per color page.

Sure, we can sell you a book at a cheaper price; but remember that you get what you pay for. A cheaper book means fewer pages, less coverage, decreased quality, and fewer choices.

Do you want your yearbook before school ends? In order for this to happen, the last deadline date would have to be in December. There would be no pictures of anything happening from January to May. This includes all spring activities such as baseball, softball, prom, graduation, etc.

Your comments helped us allow you to better understand your yearbook.

Grandparents' Day

Grandparents' Day has always been a time for generations, both young and old, to share their experiences and learn from each other. This year's Grandparents' Day was no different. From playing outside, to eating refreshments, grandparents had plenty of time to visit and learn what their grandchildren have been doing in school.

Veterans

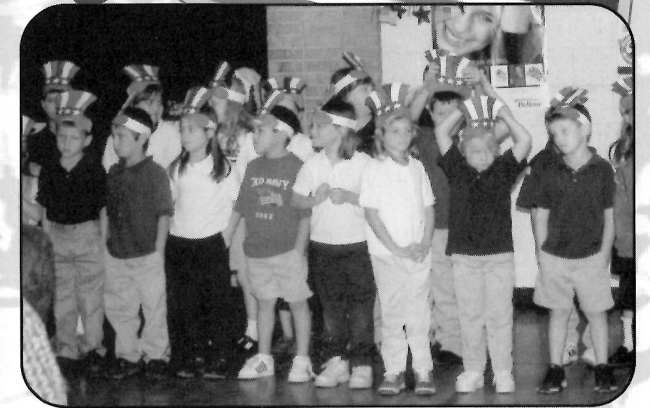

Day

Respect is given to "Old Glory."

Veterans speak of patriotism.

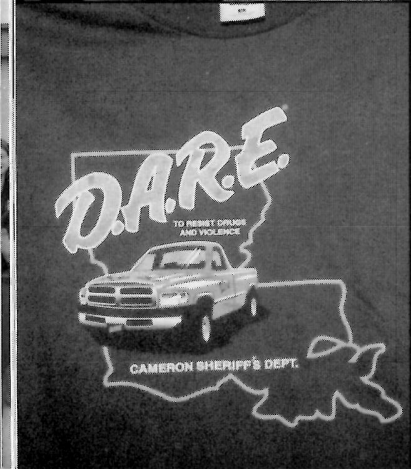

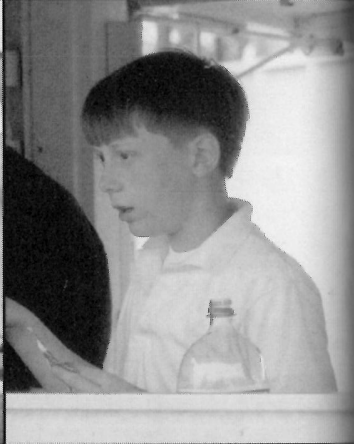

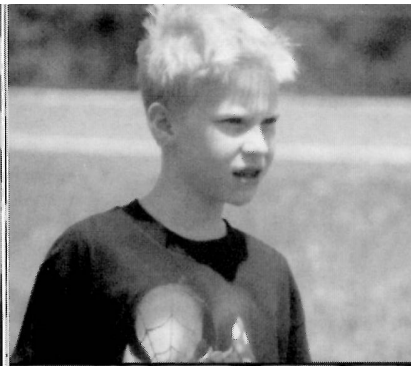

Elementary students are seen showing their pride.

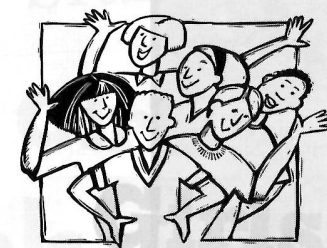

FREEDOM'S MEMORIAL

This day is set aside to honor those who took the chance to die. But they have died in vain if we ever forget the reason why. Freedom can be like time slipping away before we even know. But we all have the choice more, a duty to battle freedoms' foe. Let us give thanks this day to all those brave who paid the highest cost. Not take it for granted and realize it easily could be lost.

Boys Basketball

Every basketball season begins with high hopes. Sometimes, even though hopes are not realized, we do understand that our athletes are trying to do their best. We will always remember the competitive spirit that our players brought to every game, especially our seniors, Trevor Hebert, Barry Reed, & Jay Bergeron. These athletes showed great character throughout a tough season. Of course, we will never forget several last second lay-ups and come from behind victories, especially our homecoming victory by one point over Hathaway at the buzzer. This group of athletes were truly a team because they understood that getting along with one another in practice and in the games is very important and will lead to success in the adult world.

 Bi-District Champions

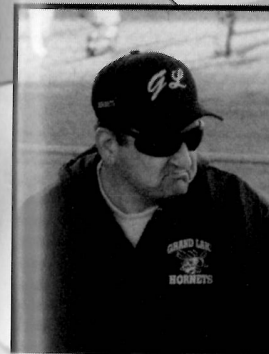

As practice began in January, our team knew that we had the talent to win our district and maybe win a state championship. On the way to try to reach this lofty goal, we played a very tough regular season schedule that included schools such as LaGrange, Washington-Marion, St. Louis, Lake Arthur, and many other tough teams in lower classes. Our program continues to grow and improve with the help of Assistant Coach Dean Harris and our dedicated players. We also have the addition of a new indoor batting cage and a boys' and girls' clubhouse, but we still look forward to improvements that will be made in years to come. We will never forget an excellent district season and our comeback from behind bi-district win (7-6) versus Oak Hill at home.

Good sportsmanship

It's.....all.....about.....technique!

Coach, is that a smile?

We are a mixture of younger and older athletes (Seniors Ryan Poole, Jay Bergeron, Clifford McCombs, and T.C. Tradewell) who came together to play excellent baseball. Our pitching was deep and effective throughout the season. Our pitching staff included Ryan Poole, Dustin Leger, Clifford McCombs, Eric McCombs, Jake Medlock, and T.C. Tradewell. What was especially evident throughout the season was our ability to come back from a deficit. This was due to excellent leadership provided by our seniors.

GIRLS CROSS COUNTRY

The girls' cross country had a very prosperous year. They held their first meet here at Grand Lake. Many schools attended the meet.

The girls also endured many obstacles this year in cross country. They ran in water up to their waste which was known as the "swim" meet.

Sarah plans on how she is going to trip the next girl. EVIL SARAH!

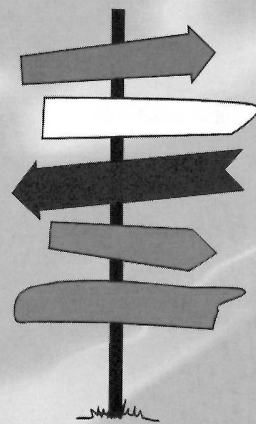

The girls pray before they run against all the schools.

Lauren Aguillard keeping her pace as she runs at the Grand Lake Cross Country meet.

Coach Delaney, Lauren Aguillard, Ashley Lawson, Brandy Carrol, Sarah Brister, Ashley Picou, & Ashley Broussard

Finally finding the the water cooler, Ashley takes a break from running.

BOYS CROSS COUNTRY

This year was another successful year for the boys' cross country team. The boys placed 9th at state.

They also held the first Grand Lake Cross Country meet. There were many 7th and 8th graders that did very well this year. "They picked up the slack from the previous graduates" as coach put it.

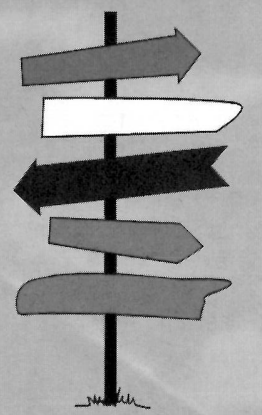

Coach Delaney, Brett Crochet, Jordan Precht, James Carroll, Jay Bergeron, Justin Billiot, Wayne Leblanc, David Breland, Justin Howerton, Kory Dahlen, Lucas Hebert, Garrett Billiot

Johanna,

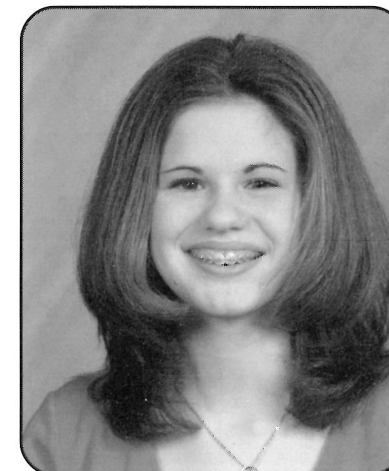

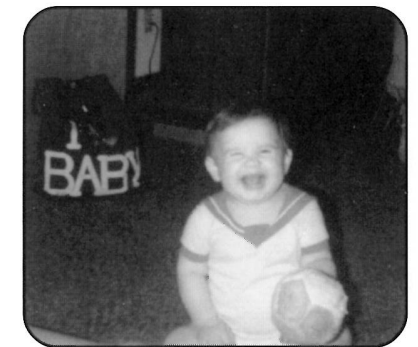

It seems like yesterday you were still a little girl. Your dad and I are so very proud of you. We have watched you grow into a very beautiful, smart,

intelligent young woman. We are so blessed to have such a special daughter. I know life hasn't been easy for you, but with God at your side you have overcome many obstacles in the road. You are

fixing to go to another part of your life, and it won't be easy, but you just set your mind to what you want and you can accomplish anything you go out to do. Remember, through Christ all things are possible. Dad, Sabrina, Katie, Taylor, and I will always be here for you. Don't be afraid to try things or fail at things, because you grow and learn from your successes and failures.

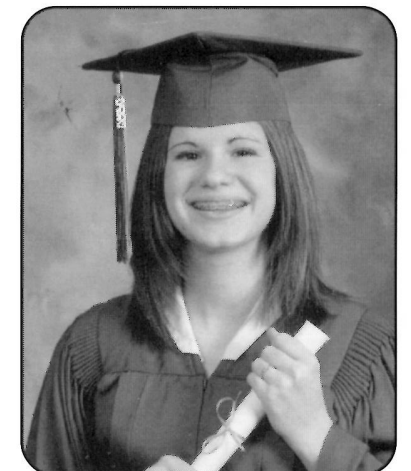

Don't ever quit or give up. I know God has great things in store for you, let Him be in control as you try to live out what He has planned for you, just follow His directions.

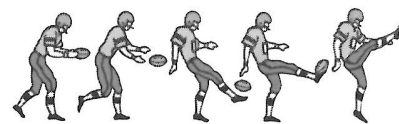

We are very proud of you and all you have accomplished. We love you so much. May God continue to be at your side as you venture out into the world, and may He continue to bless you.

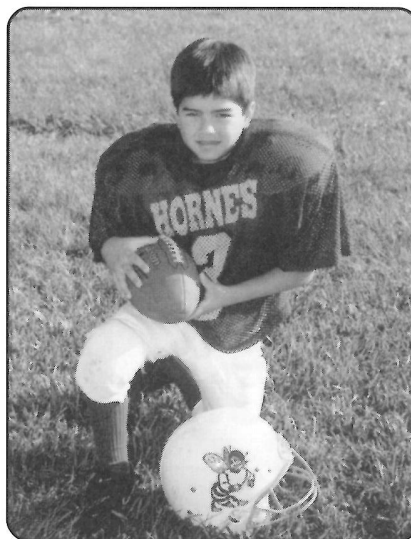

We love you
very much and
we are so proud of you.

Love,
Mom, Dad, Sabrina,
Katie, & Taylor

David-

It was just yesterday that you were my little boy; now, you are a young man graduating from high school.

We are so very proud of you and all that you have become and accomplished. We pray that you continue to follow your dreams and to do your best in all that you set out to do.

Always remember that you can do all things through Christ, who gives you strength.

We love you!
