**"A time for learning  
and a time for play . . ."**

Throughout this year our faculty has participated in many activities along with the students. In the following pictures we have captured some of the teachers in their activities.

Class time, studying, lectures, and homework take up the major time during school. However various activities take up the leisure time of the students and faculty.

Everyone returned to the routine activities of school on August 27, 1973. October brought the Halloween Festivities. Once again the mighty Hornets returned to the basketball court.

The FHA sponsored a Talent Show just before the Thanksgiving holidays in November. December brought on the holiday season. The spirit of joy and peace overwhelmed everyone.

We returned from the Holidays in January. Our Homecoming was on February 1, 1974. The Hornet Cheerleaders sponsored a pep rally that day. February was also a time for lovers. The FHA Sweetheart Dance took place on February 15th.

March seemed to be an entertaining as well as educational time. A first aid program was presented by two pre-med students from McNeese, the Beta Club sponsored "Tacky Day" and the Barbe Choir entertained the faculty and students. Track season began and the Hornets were off to a good start.

The end of the year finally rolled around. May brought the FHA Parish Day in Hackberry, the girl's state track meet, spring band concert, final test, and finally GRADUATION!
