

THE ROUND UP

WANTON PUBLISHING  
DALLAS, TEXAS

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.

STAFF

# Dedication

We, the Annual Staff of 1948  
gratefully dedicate this issue of  
the Round-Up to Mr. N. B. Hackett,  
to show our appreciation of the  
service he has rendered our school.

It is the wish of the Senior Class and other members of this staff that each one of you who has a copy of this book will enjoy it.

If this book serves in any way to help you recall memories of your school days spent at Hackberry High, the ones who planned it, will feel that such an undertaking was worthwhile.
