BIGGER THINGS AHEAD

For more than a quarter of a century Reddy Kilowatt and Gulf States have been helping students earn their diplomas and equip themselves to assume their greater responsibilities. In the years ahead you can continue to look to Reddy to be a partner in the progress and development of our schools, our business and the system of free enterprise that has made our country great. Today, more than ever, electric living means better living.

DONALD M. DROST

Mr. Future Business Leader of America

From Louisiana

Don, in competition with all schools, regardless of class, was selected as Mr. District F B L A. Later, he was acclaimed state winner over all district leaders of Louisiana.

The funds from the following Hackberry ads were used to send Don and his advisor, Mr. S. O. Beck, to Washington, D. C.

We salute you, Donald Drost, for this high achievement which you so justly deserve.

MR. M. G. RICHARDSON

A WELL TRAINED MIND

A well trained mind is man's most powerful secret weapon.

No one will deny that we live in a dangerous age. Khrushchev has sworn to conquer the United States. Many who call themselves Americans will sell us down the river for a mere pittance of cash and spark of promised glory.

They have been told of the glorious life in Russia and are foolish enough to believe it.

In some ways, I suppose life in Russia must be easier because there is only one way to think, one way to talk, and one way to vote. All this makes it simple for the lazy mind that is willing to go along with the gang, right or wrong.

Are you too lazy to work for your freedom? Many of you must be, or you would not sit idly most of the day.

Freedom to speak, write, own property, and all other God-given freedoms must be paid for (with a price). That price is a thinking, well trained mind. An alert, well trained, understanding mind, that can think logically, is a more effective weapon against Communism than our atomic weapons.

A person who has a strong, tough, and buoyant mind that is full of facts, backed up by a firm faith in God, is a person who can really take care of himself. Such minds are precious possessions. It is a possession that every American must strive for, if the United States and the Free World is to remain free.

May God help America to Awaken.

The editor speaks . . .

YOUR TREASURE CHEST

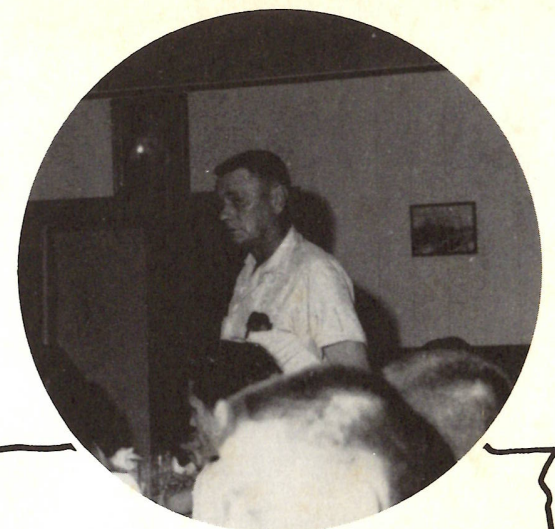

Make for yourself a treasure chest,
But not for gems and gold -
Fill it with things more rare
and fine,
As full as it will hold.

Into it place your kindly thoughts,
Of friends whom you hold dear,
The classes, the teachers,
the happy hours
That fill your life with cheer.

And then if dark days come along,
And your bright prospects mar,
Open your treasure chest
and see
How very rich you are.
The Annual Staff

. . . But gets no response from the Ass't. editor .

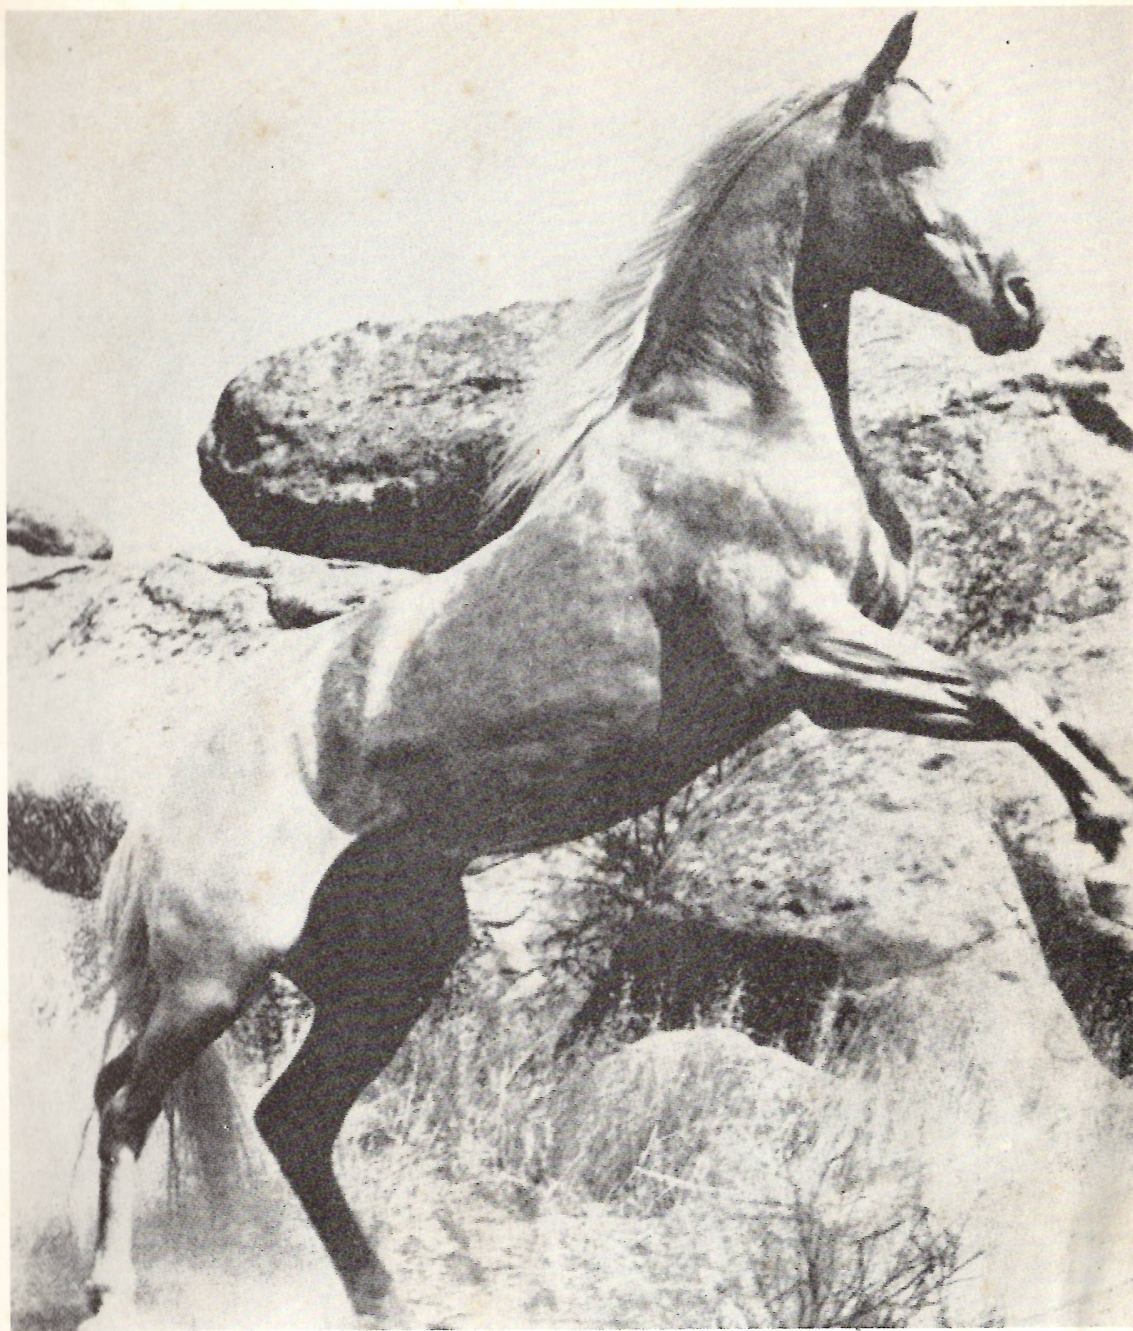

We, the annual staff, wish to dedicate our 1961 Round-Up to a most worthy person.

You, Mr. A. E. Kyle, have been an outstanding leader in developing our athletic program in Hackberry.

This is our way of expressing our gratefulness for all of your hard work.
