PRINCIPAL'S MESSAGE

Our Yearbook staff and Sponsor make a definite and significant contribution to our school each year by providing us with a yearbook. In behalf of the school, I take this opportunity to offer sincere thanks.

Our 1972-73 school year has been a good year. It is my opinion that we have a good school. I would like to give all due credit to our student body for the success of our school. There is a tremendous amount of truth in the saying "good make good schools." I would also like to give credit to our Faculty, Staff, School Board, Superintendent, and Supervisors for the success of our school, for it is only through team effort can success be obtained.

I count our blessings from time to time and I find that we are very fortunate to have the many blessings we have.

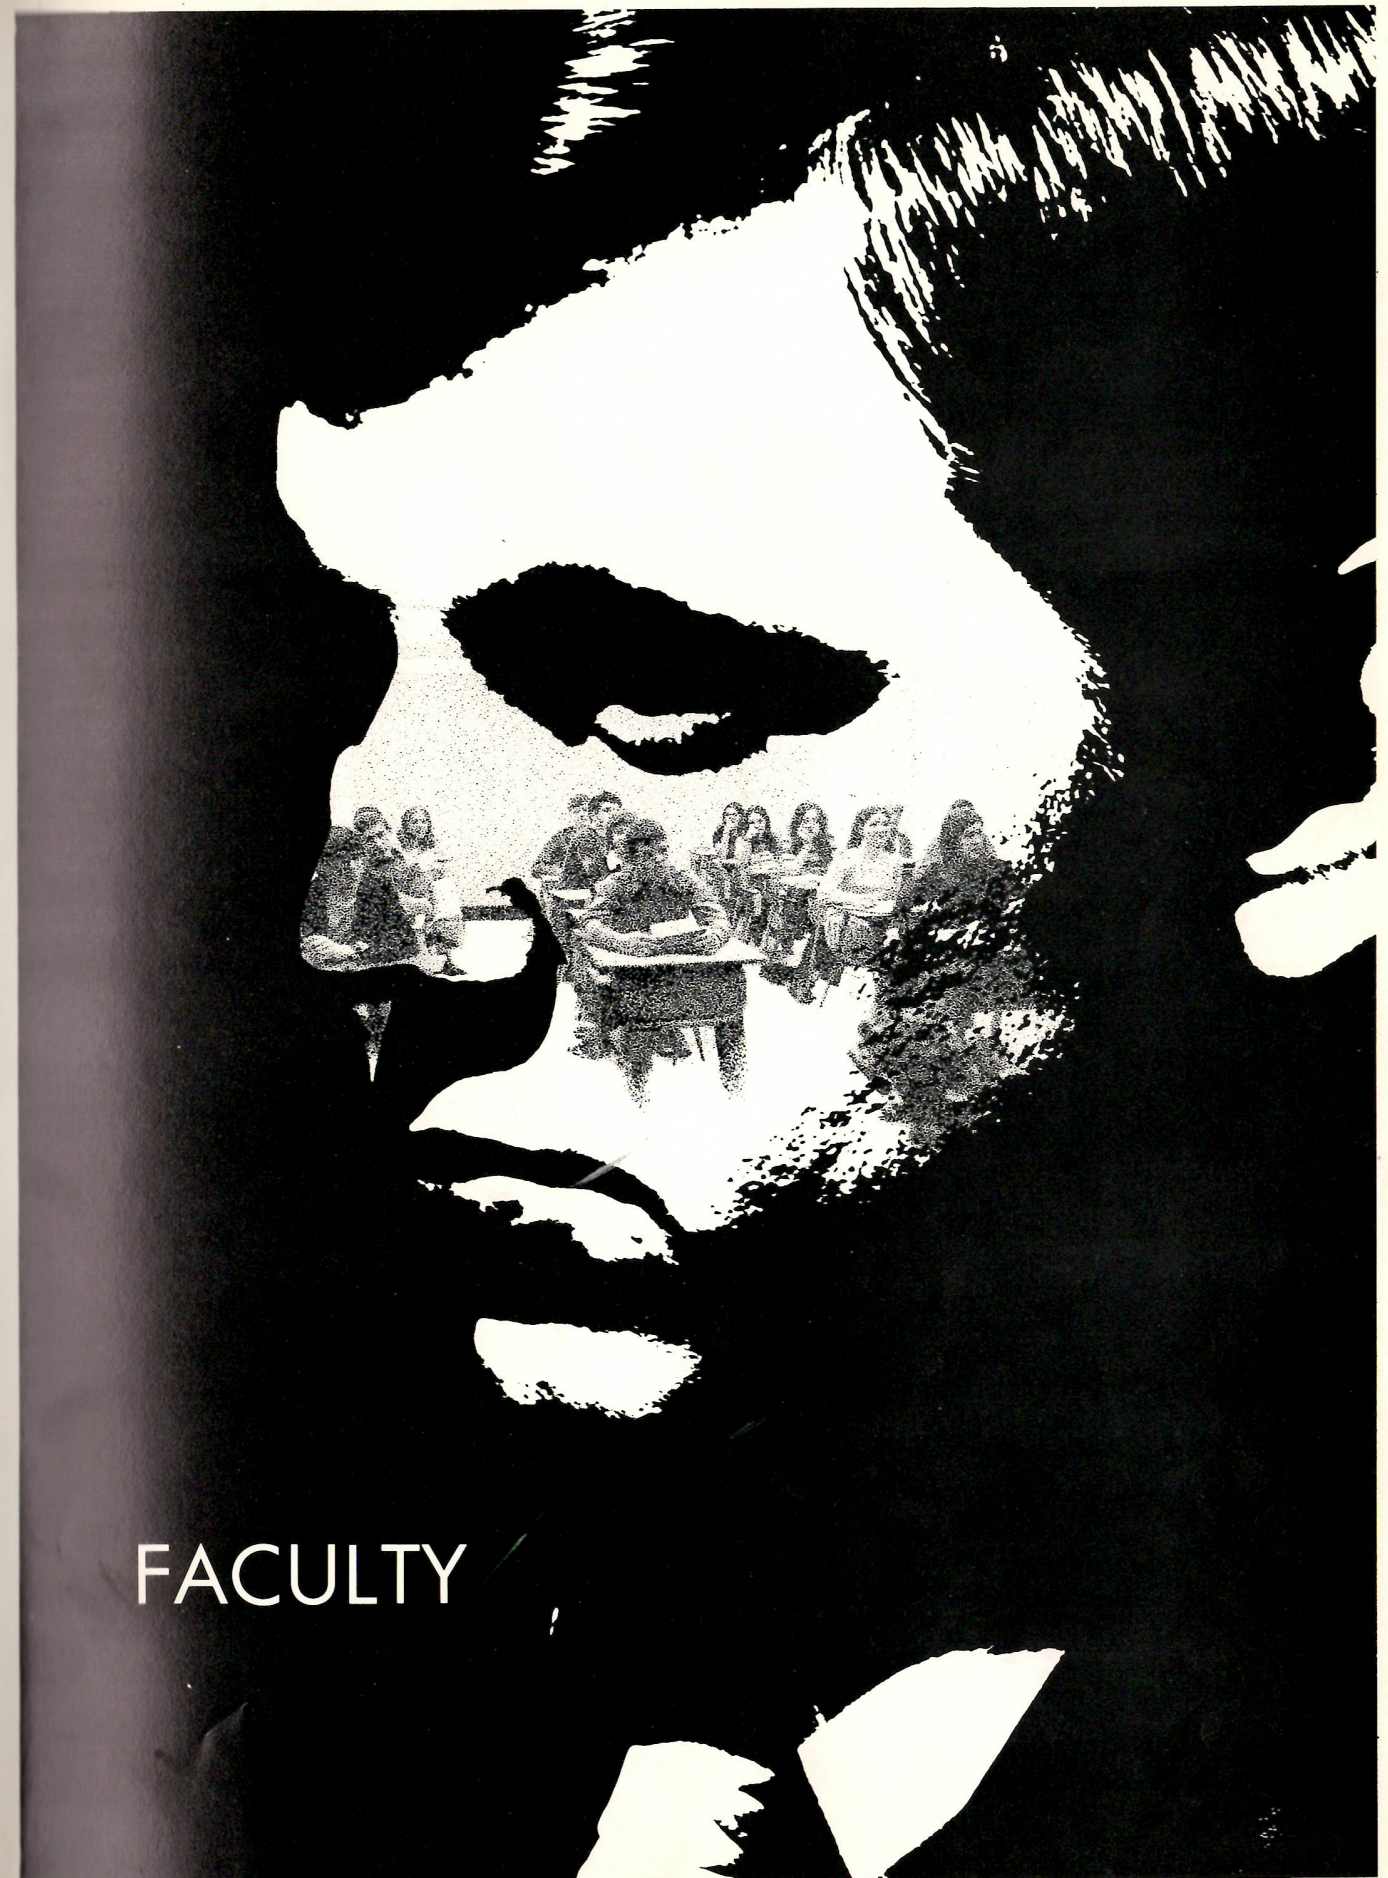

JOHNNY MAE RIGGS

SCHOOL BOARD MEMBER

Hackberry High School has closed its doors for the summer. Another successful year of educating our youth has been completed. I would like to commend our principal, faculty, and staff for a job well done.

I am looking forward to another year of progress when we open the doors for the 1973-74 school year. It is my wish that each person will make a vow to himself to do what he can to make this coming school year a more fruitful one.

Another school year has come and gone, and the Mustang Staff proudly presents to you some of this year's most precious memories.

As we look back, we realize that our days at H.H.S. will soon be over. This annual and the ones of the past and future will remind us of all the wonderful times we shared at H.H.S.

We hope you enjoy this annual as much as we have enjoyed putting it together for you.

We the Yearbook Staff proudly dedicate the 1973 "Mustang" to Mr. Siron O. Beck.

As this yearbook marks the end of the 1972-73 school year, so, Mr. Beck, does your retirement mark the end of a successful teaching career.

As school continues, the staff will begin preparation of another yearbook. And as life goes on, you will begin your years of retirement.

We the staff sincerely hope that these years of retirement will be as successful and memorable as those which you spent with us at H.H.S.
