*We're Making
our Mark*

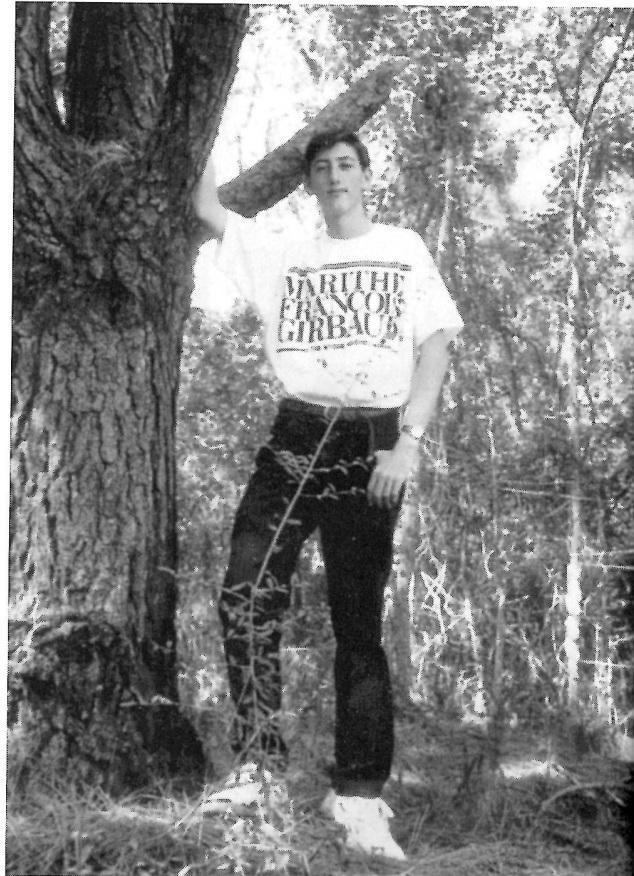

EDITOR Shannon O'Quinn

It has been a great experience being the 92-93 yearbook editor. All the members of the yearbook staff have put a lot of sweat and blood into preparing the book to meet all of its deadlines. The staff is lucky to have two very special advisors. Ms. Becky has enlightened my life with her smile and willingness to always listen. Mrs. Carol is one wacked-out and patient lady. Both of them have guided me through the rough times of my life.

This is my last year on the staff and at this school. I wish all of you the best of luck and life.

EDITOR/ PHOTOGRAPHER Brandon Core

I have really enjoyed being editor this year. It was a very time-consuming job, and I couldn't have done it without the extremely hard work of our small staff. We've all had a great time putting this yearbook together. Through our good times, bad times, and deadlines, we couldn't have done it without the help and support of Ms. Rollins and Mrs. Cloud. They are two really excellent advisors. I hope you enjoy this book as much as we have enjoyed making it possible.

On May 2, 1993, the Hackberry High School Junior-Senior Prom was held in the new gym.

The night was filled with fun. The students danced to the music by Brad West. Some of the night's highlights included: the juniors received their graduation rings, Adrienne Hantz was named Miss HHS and Tony Constance was named Mr. HHS.

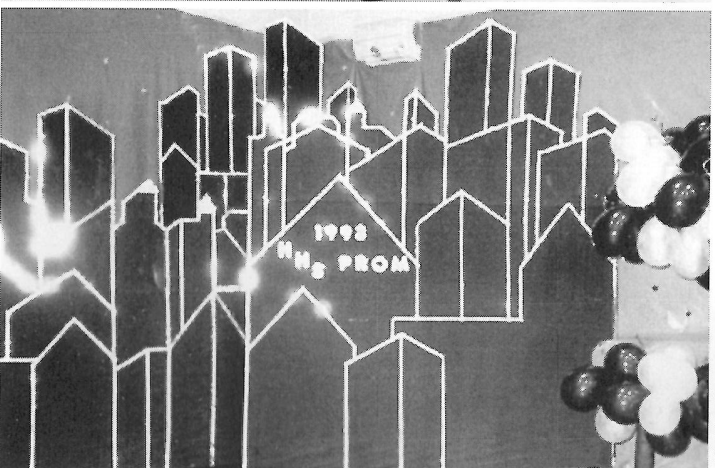

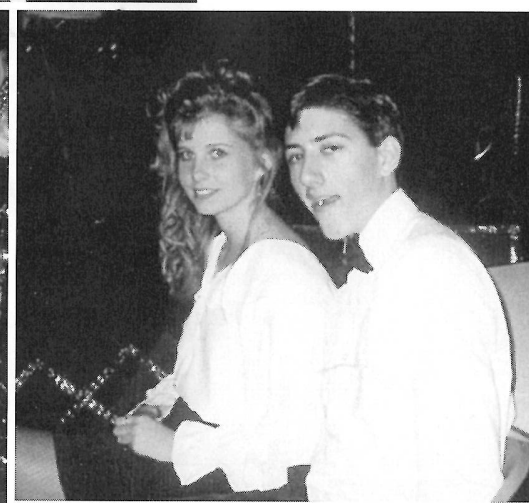

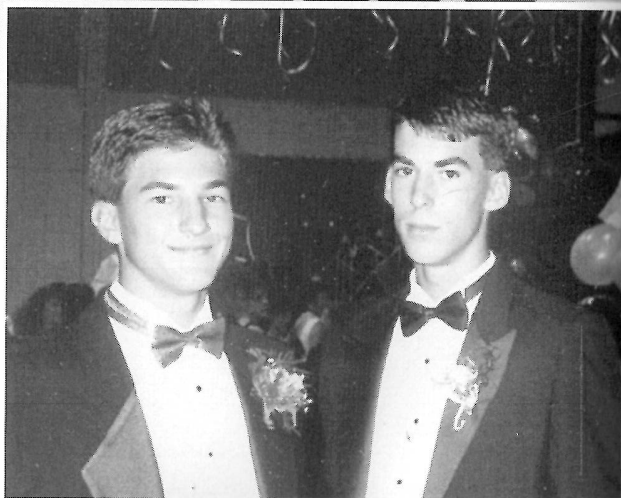

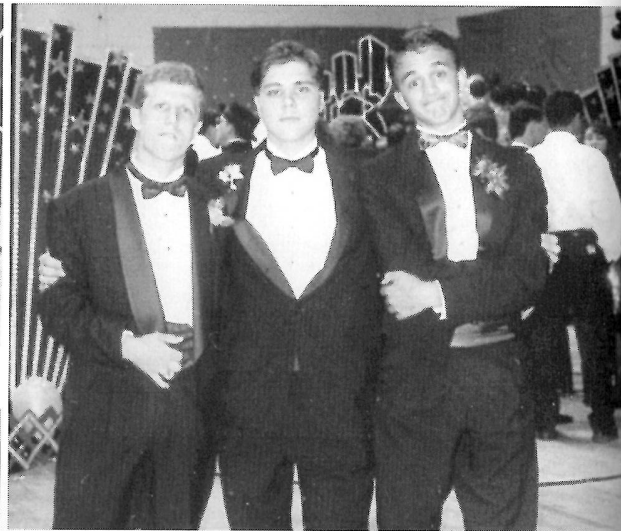

Everyone who attended received a key chain from the junior class. The partying came to an end at approximately 11:00 p.m.

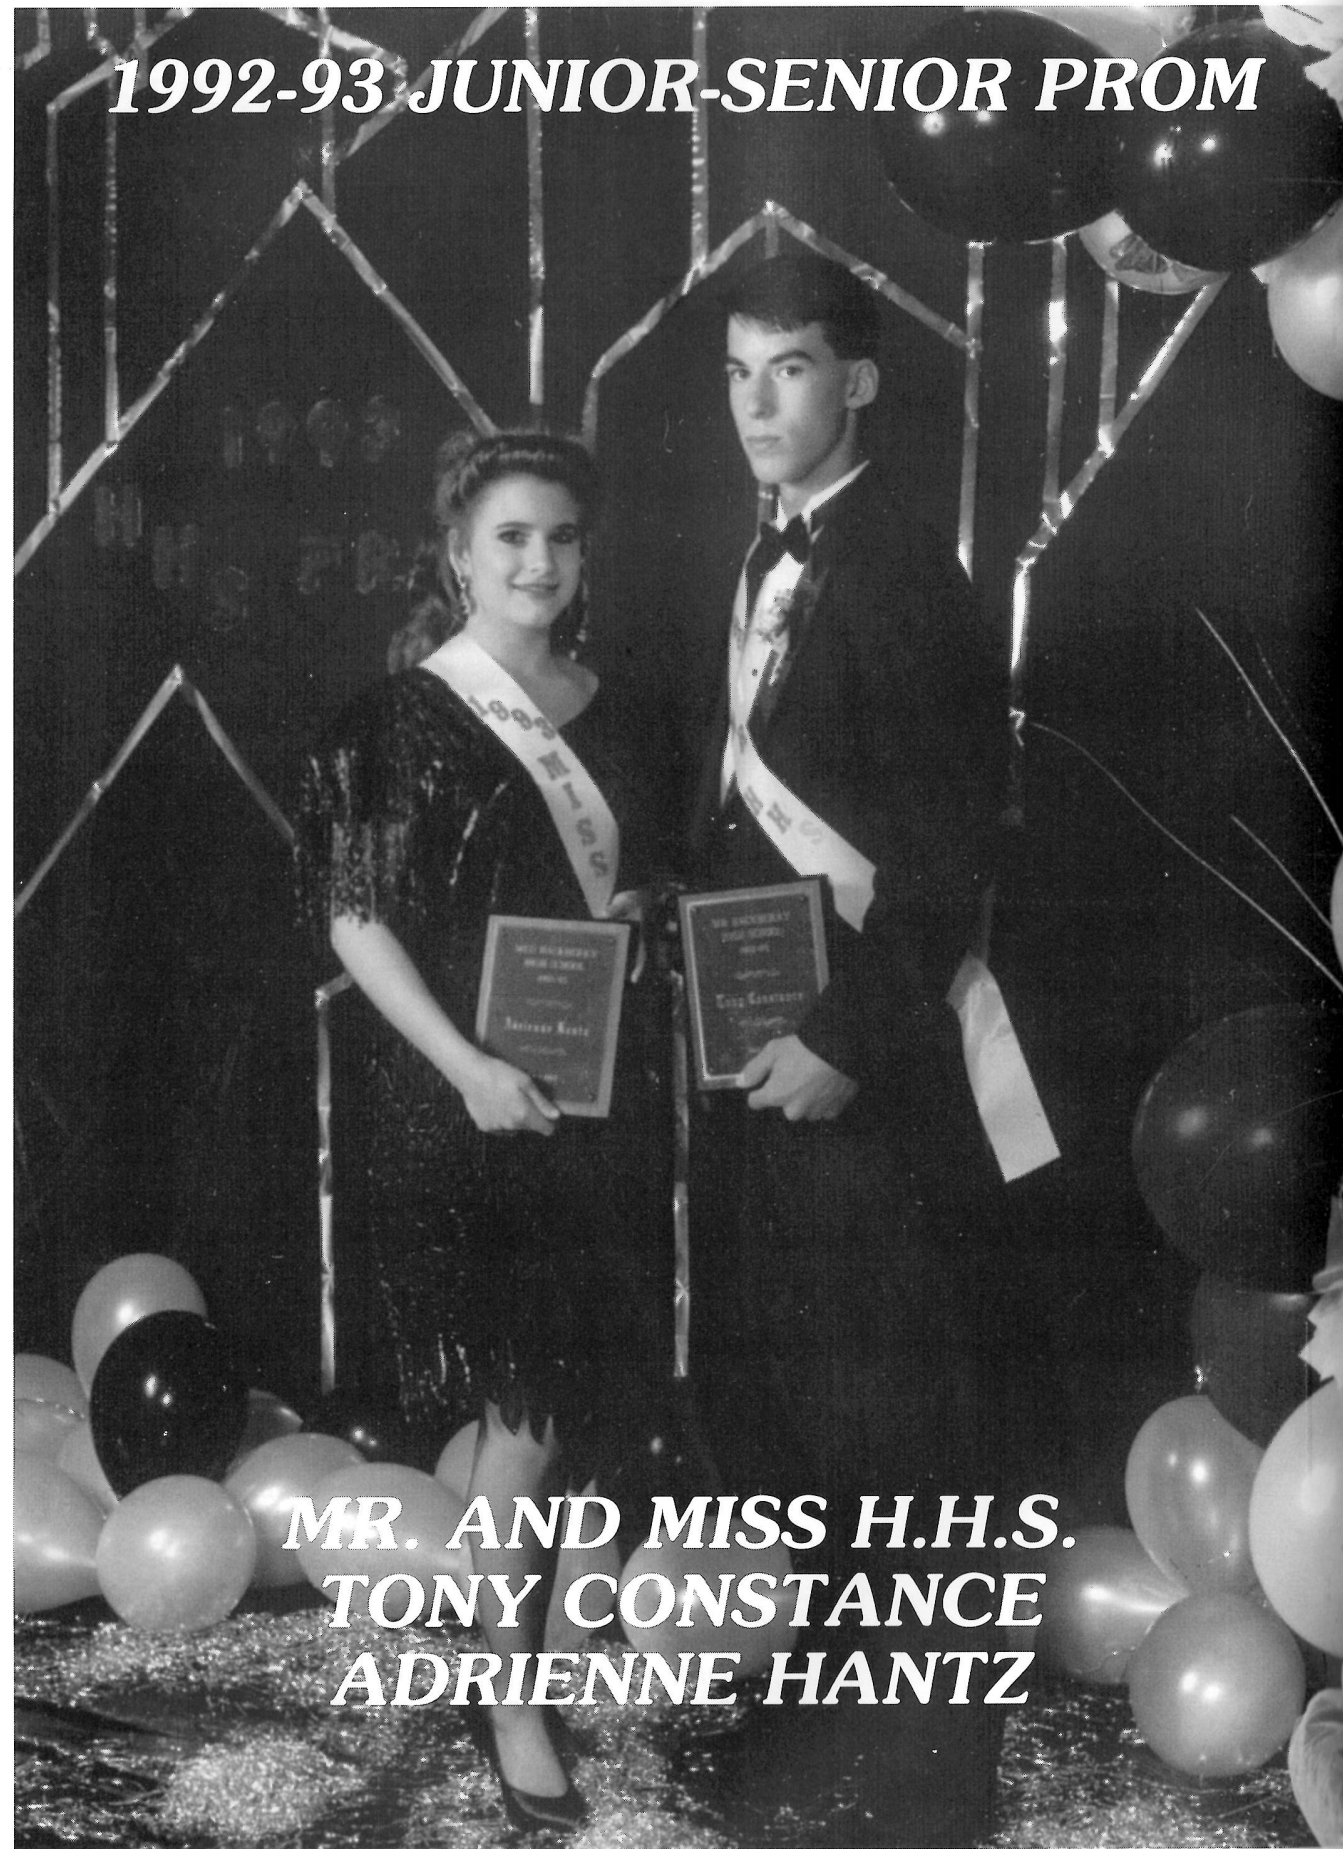

Class sponsor, Mr. Ray, participated in the tradition of turning Heidi Abshire's graduation ring.

The Junior Class received their graduation rings during a special ceremony.

LADY MUSTANGS

District Champions! A record of 22-12. Congratulations to a group of girls that did as well as they possibly could. Throughout the year, they proved they could play basketball with any team.

The Lady Mustangs won the Vinton Tournament and took second at the Bell City, Grand Lake, and Parish Tourneys. It was a year filled with highs and lows. The high — beating Johnson Bayou for the district championship. The low — a season ending loss to a hot Hicks team.

A well deserved congratulations to Jeri and Ashley, First team all district; Jaime, Becky, and Farrah, second team; and Dina, Honorable Mention. To my three seniors, thanks for the time, effort, and caring throughout your years. I hope playing basketball at HHS was a worthwhile experience. It was for me.

Thanks,
Coach Michalko

CHORAL & DRAMATIC READING GROUP

Choral reading is the interpretation of a poem by a drilled choir. This group of young people worked hard on a number of selections including "America the Beautiful."

This group was also involved in dramatic interpretations of various types of works. Selections by Walt Whitman, William Shakespeare, Stephen King, Edgar Allen Poe, and even personal writings were interpreted by the group members.

In the future, public presentations will be in the offering. My hope is that the group will grow in size and more young men will become involved.

STUDENTS AGAINST DRUNK DRIVING

Drinking-and-driving accidents are the number one killer of teenagers in the United States. Thousands died last year; thousands will die this year. It can happen to your friends. It can happen to your family. It can even happen to you.

While it's true that nobody can ever be totally safe from drinking drivers, SADD members have been encouraged to avoid drinking and driving, to refuse to ride with a drinking driver, and to drive defensively.

CLUBS

YEARBOOK CLUB

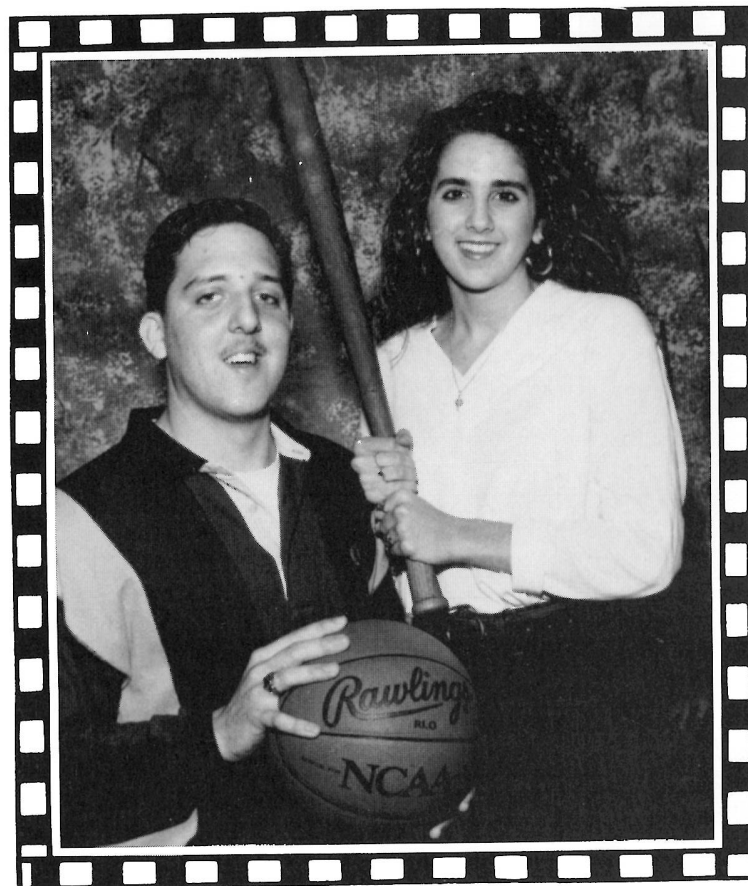

The 1992-93 Yearbook Club included: L to R: Brandon Core, Becky Benoit, Jody Bradley, Mackenzie Thibodeaux, Scott Wilson, Eric Hartman, Robert Bradley, Karalee LaBove, and Mandy Nunez.

Brandon Core, the 1992-93 Yearbook Editor/Photographer, spent many hours taking pictures and working on the yearbook.

This year's annual staff was small and fresh, but very dedicated. Layouts from the new workers grace the pages of this year's book. Many devoted hours have made its existence possible. Our hope is that you enjoy and appreciate the memories this book preserves.

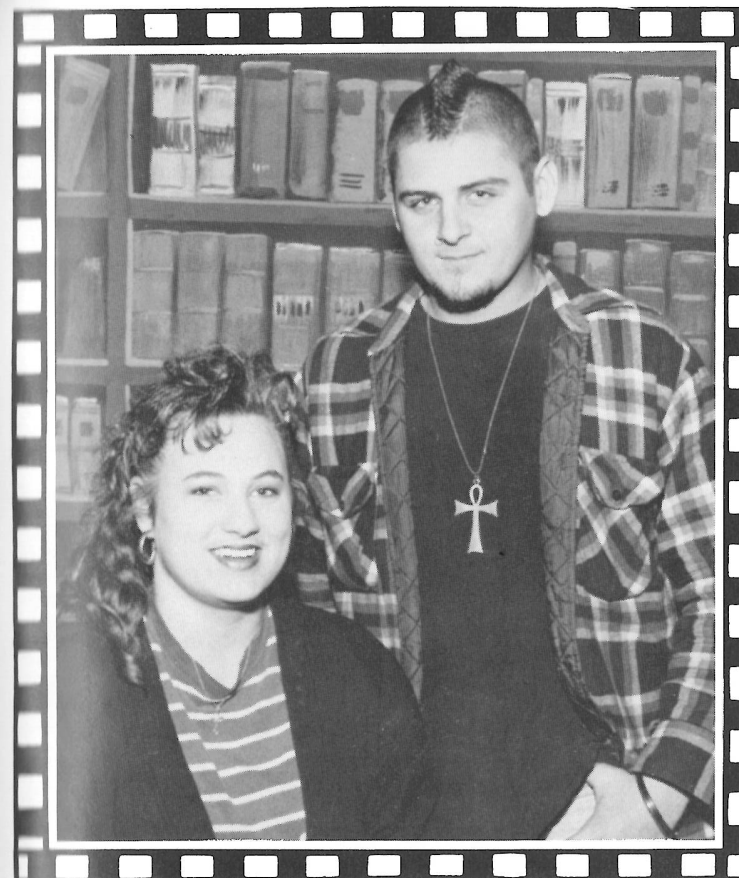

Many thanks again to a hard-working staff.

PAM LAFLEUR PRINCIPAL

To laugh is to risk appearing the fool.
 To weep is to risk appearing sentimental.
 To reach out to others is to risk getting involved.
 To show your feelings is to risk exposing your humanity.
 To place your ideas and dreams before the crowd is to risk their loss.
 To love is to risk not being loved in return.
 To hope is to risk pain.
 To try is to risk failure.

But risk must be taken, because the greatest hazard in life is to risk nothing. The person who risks nothing does nothing, has nothing, and is nothing. He may avoid suffering and sorrow, but he simply cannot learn, feel, change, grow, live, or love.

Only the person who risks is free.

By Leo Buscaglia

Be willing to risk. Life will be better, more productive, and more rewarding.

BETTY SEAY SCHOOL BOARD MEMBER

It is my belief that our rewards in life are not measured by monetary value, but by the satisfaction we receive in helping others. I would like to share with you a poem I read quite often and hope that it means as much to you as it does to me.

"Time is not measured by the years that you live,
 But by the deeds that you do and the joy that you give.
 And each day as it comes, brings a chance to each one
 To love to the fullest, leaving nothing undone
 That would brighten the life or lighten the load
 Of some weary traveler lost on Life's Road.
 So what does it matter how long we may live
 If as long as we live we unselfishly give?"
