JODY PAUL SAVOIE

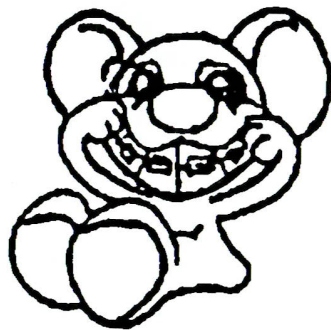

In 1990, I took my first step into a schoolhouse and now 14 years later, I am here. I've had good times, like making honor roll, and bad times, like getting held back in 5th grade. I've been all around the world and I've been to many schools. I believe I liked this school the most because of the people and the acceptance into the community I received. I just want to say "Thank You" to the faculty and students for making my two and a half years here fun.

to make you go to school.  
You even played "Ms. Teresa" at home  
your dolls were students--- So cool.*

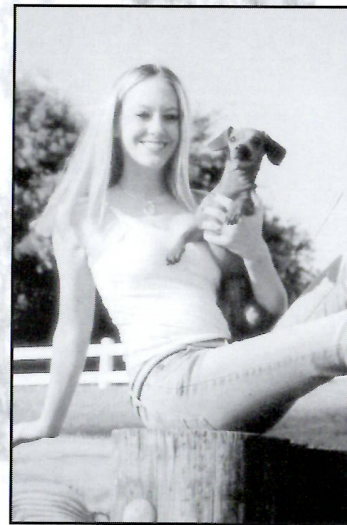

*You were a Lady Bug, a gymnast, and a fishergirl,  
but none seemed to be your speed.  
You really liked a sequined dress,  
that was covered up with beads.*

*Even though high school sports  
weren't what you liked to play.  
You gave it a shot as a cheerleader,  
and had lots of fun---Hooray!*

*We've watched you grow and blossom,  
you learned to drive a car.  
Our baby girl is growing up,  
with promises to go far.*

We thank heaven that it's over,  
your school year has reached The End!*

Ashley,  
Well, here we are. You made it! We knew you were an extra special little girl from the day you were born. We knew God had a great plan in store. What we didn't know was the adventure we were in for.

From crawling to walking, from smiling to talking. From Kindergarten to learning, to writing your name to senior graduation, the first step on your journey to fame.

All the steps you take, all the choices you make, line out your path in life.

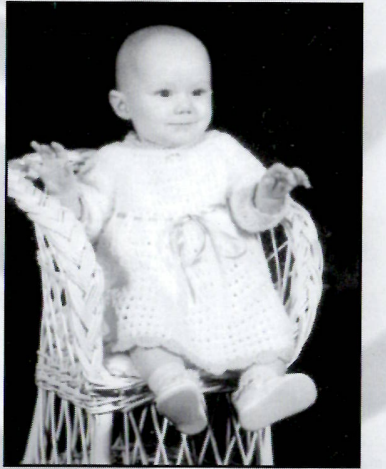

Through all the laughter and the tears, through all the success and failures through the years.

We'll never forget and have not one regret for the memories you gave us and the ones yet to come.

It's been a rollercoaster ride, with us always by your side.

Now the time has come for you to reach for the moon. If you can't grab it, grab the stars. We know you can do it because you are ours!!!!

We love you,

**REUBEN WADE LABAUVE**

Where did it all start  
With the first beat of your heart

From that point forward  
It was onward and upward

Never a stranger did you meet  
You always landed on your feet

School days began in Hackberry, then it was Maplewood  
You really fit into that neighborhood

You were a Comet, a Pacer and a Mighty Duck  
Then with your own special luck  
You came home to be a Mighty Mustang

You sank that putt, hit that driver  
You even beat that snake, you are a survivor

You had the highest batting average and on base  
You caught those flies and grounders, then gave chase

You thought you were hot, with that three point shot  
But that was not all, you could steal the ball  
Free throws you did best, they were nothing but net

Hunting and fishing, that was your leisure  
These things you did with pleasure

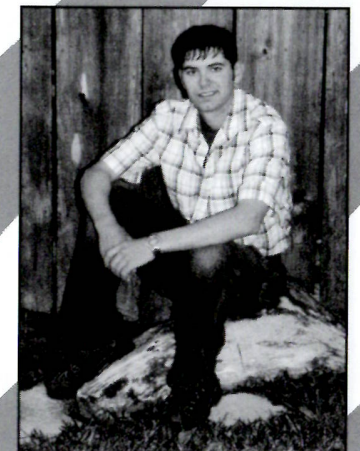

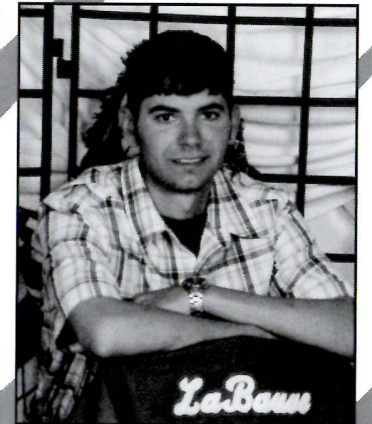

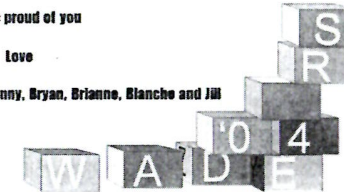

Now this part of life comes to a close  
Where will it end  
No one knows  
Life is a road with a bend

We are proud of you

Love

2004

Dear Lindsey,

Of all life's wonderful gifts, none is more precious than having a daughter/granddaughter like you to love. Nothing in life has been more exciting than watching you grow and mature, finding your own way and becoming your own person. As the world unfolds before you, keep your beautiful smile and courageous attitude and nothing will be able to stop you. If you can imagine--you can achieve. You have all you need to make your life a great success. With eyes filled with tears and hearts swollen with pride, know we love you so very much and are by your side.

# Miss Delia DeBarge

More than a teacher--  
a loving mother,  
daughter, sister, and,  
more importantly, a  
friend!

## MEMORIES

"What's going on?" was her question  
every day;  
Always the positive come what may,

Quite the dapper diva in the fashion  
sense,  
Everything had to be on sale, paying  
full price made her wince!

Spirited, Proud, Strong, and Fiesty...  
just to name a few;  
Words that so describe Delia through  
and through!

Her dry wit, beautiful nurturing hands,  
and heartfelt determination, made her  
classroom an enriching haven for all her  
students!

we miss you!
