# Dedication

The Staff humbly dedicates the 1970 annual, The REBEL, to those whose loving care, whose thoughtful planning, and whose generous giving of their time and means have provided this school for us; whose ever-watchful care has guided our actions, both work and play; whose wise counseling has guided us toward worthwhile ends in our school and social life; who have chastised us when we were headstrong or in the wrong; who have encouraged us when we were disheartened; who have constantly surrounded us with their protecting love - to those to whom we owe and gladly give our respect and love -

# The Principal's Message

MR. JERRY W. McDONALD

Principal

Our 1-Star General

As Principal of the Johnson Bayou High School and on behalf of the faculty and student body, I wish to congratulate and thank the Annual Staff and their sponsor for having worked so diligently to complete the 1970 yearbook.

I also wish to take this opportunity to thank the entire faculty for their cooperation throughout the past year and to congratulate them on the very evident results of their efforts - a worthwhile accomplishment of which they can be justly proud.

I wish to challenge each and every one of the student body to look back over the past year. I hope you can see a growth in your knowledge, in your personality, and in your attitudes great enough to be worth the year of your life you have just spent. Let us look forward to another year even more productive.
