36 Years

IRENE TRAHAN

Irene Trahan, head cook, has spent 23 years of those 36 cooking for the many school children and teachers who have attended Johnson Bayou High School.

VELMA MERRITT

Velma Merritt, records keeper and assistant cook, can account for 11 of those 36 years.

EULA MAE GRIFFITH

Eula Mae Griffith, baker and assistant cook, has served the delectable goodies for the last 2 years.

We, the JBHS REBEL Staff, Administrative Staff, Faculty, and Students take pride in dedicating our 1983 REBEL to these three wonderful ladies who have fed us so well during all these years.

They, most times, work under very trying conditions — stoves that do not cook or bake, too small an area in which to work, broken air conditioners, clogged drains, noisy children, impatient faculty, short supplies, schedule interruptions — all of the things that make a kitchen and classroom a nightmare for mothers and teachers combine to plague these ladies. They are often called upon to prepare extra for sudden guests and for the Harvest Festival and athletic banquet each year. With some of the activities going on in our school, their domain looks like an International Airport, yet they all have patience with our demands and time to wait on us with every courtesy.

Each of these ladies has a home and family to care for. They also work in the community, check in the store, cook for duck hunters, sew for others — if it has a name, they either have done it, can do it, are doing it, or will do it.

The great thing about these ladies is that they often come to work with all the aches and pains that many of us complain of and stay home with. Yet, regardless of all their problems and pains and trials and troubles, they, in unison each morning, with a smile on their faces, give a cherry "Hello, honey" to each lady who walks thru their kitchen. The men get the same friendly hello.

One would have to search far and wide to find three nicer people with whom to work. So from all of us, we salute you and say, "Thanks, girls, you are indeed a joy to all of us. We do not want the "good, old days" when a cold biscuit and/or syrup and bread was the lunch we carried to school. We want you."

HOWARD ROMERO
Principal

PRINCIPAL'S MESSAGE

Another year has come and gone, and as we look back, we all feel good about our successes. 1982 - 83 has been a good year for Johnson Bayou High School. There are many physical improvements on our campus which show the support we have from our community. The academic and athletic accomplishments can be contributed to our teachers, students, and coaches who have worked hard throughout this year.

As we close the doors for the summer, we look back and are proud to be a part of Johnson Bayou history.

To the seniors who are leaving, we will miss you. Use the knowledge we have given you to become successful in whatever endeavor you choose. We hope you will become a vital part of our community and continue the support for J. B. H. S. as your parents and friends have so willingly done in the past.

A Special Thanks

This year we want to thank someone who is very dear to our hearts. We decided today should be a very special day for you, and we believe it will be, because this is a total surprise to you. We only regret that we cannot see your expression.

Words cannot begin to express our gratitude to you. We can only hope that this little saying will convey a part of what we, everyone at Johnson Bayou High School, feel.

TO SOMEONE NICE

You're never too busy
To lend a hand;
To sit down and listen.
To understand . . .

You're never too busy
To stop and share;
Or show someone else
How much you care

You're never too busy
For others, it seems;
To build up their hopes,
And encourage their dreams

But now it's your day
So take time for you;
Go and enjoy every minute,
Whatever you do!

By now you must have guessed. The 1983 yearbook staff would like to thank a wonderful teacher, advisor, and most of all our friend- Mrs. Willyhugh Pulver. We thank you for everything you have done for us.

We love you,
The Annual Staff
of "1983"

P.S. Go and enjoy your Special Day!

In Memory Of Our Loved One
John David Romero

I CANNOT SAY, AND I WILL NOT SAY
THAT HE IS DEAD --- HE IS JUST AWAY!

WITH A CHERRY SMILE,
AND A WAVE OF HIS HAND,
HE HAS WANDERED INTO AN UNKNOWN LAND
AND LEFT US DREAMING HOW VERY FAIR
IT NEEDS MUST BE,
SINCE HE LINGERS THERE.

SO THINK OF HIM FARING ON AS DEAR
IN THE LOVE OF THERE
AS THE LOVE OF HERE,
THINK OF HIM STILL,
AS THE SAME, I SAY,
HE IS NOT DEAD --- HE IS JUST AWAY!

HERE'S TO YOU, MOM!

Dear Mom,

I dedicate this page to you. It seems such a small thank you for a lifetime of love. I use this page to praise you, not so that others may see, but because of your continuous love and support throughout my life and my school years.

Almost 70% of my life has been spent here at Johnson Bayou High School. My achievements would not have been possible if it were not for your untiring love and support of my efforts. Truly, you have shown me what a Mother's love should be.

All that I am, I owe to you. Even now as I teach in Johnson Bayou High School, you are always ready to help in every activity in which I am involved. You also help me to accomplish my goals in those activities.

I choose to put this in this book, not to boast, but perhaps to let other parents know how important the continuous support (not pressure) of a parent is to a child.

MOM, YOU'RE THE GREATEST!!!

Thanks, God, for my Mom.
