*DEDICATION
A Fellow Classmate
In Our hearts . . .
CYNTHIA BADON*

This year the Senior Class and the Year-book Staff would like to dedicate this year-book to a special friend, Cynthia, a very dear friend in our hearts. We will always remember the happy games we played and the joy we shared together. We miss her and think of her in everything we do. She always had a friend in everyone and a bright smile, too. So this year we would like to share this very, special memory with you.

WE LOVE YOU AND MISS YOU, CYNTHIA

SHE IS JUST AWAY

I cannot say, and will not say
That she is dead. She is just away.
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since she lingers there.
And you-oh, you, who the wildest yearn
For an old-step, and the glad return,
Think of her faring on, as dear
In the love of There as the love of Here.
Think of her still as the same. I say,
She is not dead - She is just away.

James Whitcomb Riley.

PRINCIPAL'S MESSAGE

HOWARD ROMERO, PRINCIPAL

The addition of a bronze statue of our mascot, General Robert E. Lee, in front of the school should give all Johnson Bayou people something to be proud of. This replica should represent the strength, dedication, and desire that all peoples of Johnson Bayou have and leave no doubt in other schools' minds that the Rebels are real and are here to stay.

In the field of academics, Johnson Bayou School is striving for a rating of Excellence in the SPUR Reading Program. We must be rated as Excellent in 17 criteria to be rated Excellent. Teachers have worked hard to accomplish this goal, and we feel this will be accomplished in 1984-85. The hard work is all worth it if we can improve the reading skills of our students and improve their education.

As we close the doors for this year, we wish to thank all the parents, teachers, and students for the successes we have had and to challenge them to help make 1984-85 even better.

As we complete each year, we look back and reevaluate our successes and failures. We use this knowledge to better prepare ourselves for the next year.

Many things happened during 1983-84 that we, as teachers, parents, and students of Johnson Bayou High School, should be proud of.

In athletics we have made a name for ourselves. Johnson Bayou Rebels are no longer a far-out-of-the-way place that no one knows about. We are respected by all teams in our Class in all sports.

GETTING READY FOR OUR BIG NIGHT

Some are dreamers, some are happy, some, doers.

The mommies are concentrating more than the 'graduates.'

Smile, Cutie.

Our Kindergarten Class about to graduate.

"Our caps are off to you."

Fellas, listen up. You are going to have to do this again tonight.
