Foreword

With this 1962 Tarpon we have tried to bring an accurate account of the highlights of the past year.

We hope this book will remind you of your happy school days and signify honest effort, school spirit, and love for our Alma Mater.

Faculty

You, as young citizens, are inheriting the finest country on the face of the earth. Its history has been written in blood, sweat, tears, and faith by millions who suffered inconceivable hardships to gain a better place in which to live. Soon you must assume some of the responsibility for the preservation of those freedoms, privileges, and rights that were so difficult to gain and costly to maintain. Your actions as informed, alert, wise, and patriotic citizens can assure the American heritage to succeeding generations.
