Just when I think I know it all, someone shows me I'm wrong. I'm like a child again, growing, and learning.

Children are inquisitive and instinctively happy. They seek to protect and to be protected.

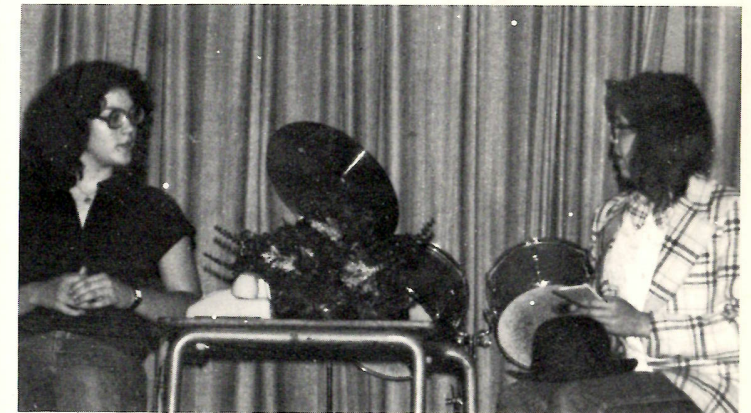

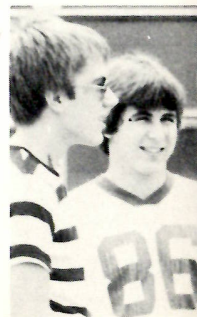

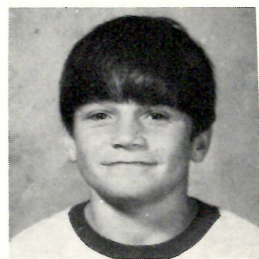

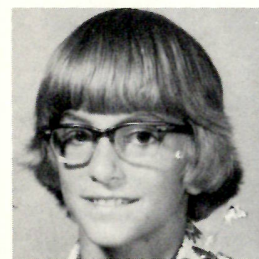

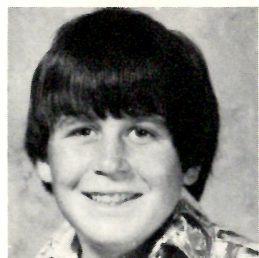

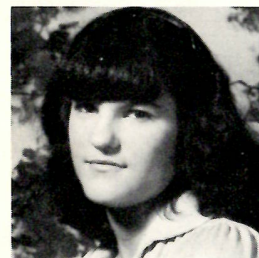

May we remember that we are all children in the game of life.

They may be quick to anger, but they are equally quick to forgive. And they know how to live without limitation.

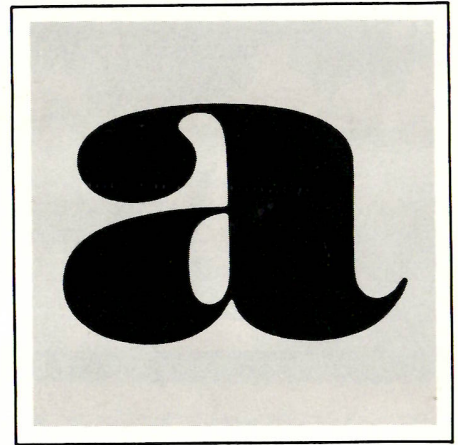

Seniors Through the Years!

Susan,
 So a very sweet
 friend of mine that
 I like ~~about~~ alot. We
 have had some fun times
 together. I like when you
 grabbed the steering wheel
 in your car & we almost
 luck with Kevin and whatever
 you do. I'll leave Kevin all
 to you ok.

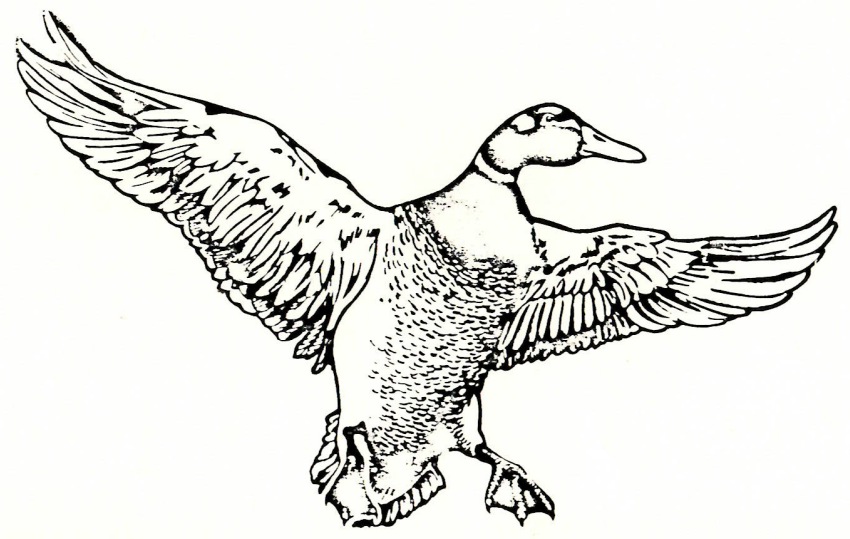

Best-Nicks!
 Mrs. B. Muzey

ADVERTISERS . . . suburban suppliers provide: sidewalk sundaes or double dip ice cream cones to go . . . hamburgers smothered in sauce, lettuce and relish (where's the meat!) . . . loose leaf paper, ball point pens and a handful of #2 yellow pencils . . . photographs for parents, portraits for boyfriends, snapshots for memories . . . books for redeeming value, literary classics, the paperback inspiration for the movie that has 'em lined up for blocks . . . music for home, car or carrying . . . gifts for friendship, birthday, good cheer . . .

Love ya,
 and a real sweet
 and nice girl that I
 have known since I've
 been in the 8th grade. Good luck
 luck in the future with
 everything you do. Keep good

Susan

So a very sweet + pretty girl that I have known ever since we were in high school! Remember all the good times we had in the past like when we use to go sit in your daddy's bus + act like we were driving! Esp when we went to Baton Rouge + I almost got all of Cameron, Creole + Grand Chenier young one arrested

COMPLIMENTS

I was so damn scared but the dumb cop was OF: just trying to scare us but when he started giving us our charges then I got petrified. If you were only there instead of well you know where!

SAVOIE LUMBER

We use to have so much fun when we way young + we can still have a lot of fun cause we are here for a while I think. I hope your senior year will be the best + with you in it I know it will. I hate to see you for graduation! You'll probably be screaming + shit. Good luck in the future + whatever you do + esp with Mr. Paul Boudreaux

A WORD ABOUT SUCCESS
TO THE SENIORS OF 1980

He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration; whose memory a benediction.
