Cameron: The No. 1 Fishing Port in the United States

Cameron is now the leading fishing port in the nation and is among the top 10 in the world. This is due to the tonnage of fish brought in here, primarily menhaden, and also shrimp, crabs, catfish and oysters. Cameron has the largest concentration of menhaden plants in the nation; here the fish are processed into oil, meal and solubles, and sold to make soap, leather, livestock feed and other products.

Cameron State Bank is proud to have played a part in Cameron being designated as the leading fishing port in the nation. We're dedicated to the growth and prosperity of this area, and we're proud to serve the industries that have built the economic fabric of the parish, including fishing, petroleum, agriculture, recreation and retail.

A WORD ABOUT SUCCESS TO THE SENIORS OF 1981

He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration; whose memory a benediction.

"Memories of Lorne Conner"

Lorne is someone who is thought about,
And in our hearts he will live throughout.

He was always there when you needed him
most,
And in our hearts he will always be close.

Talking was something he would always do,
Making you feel you were special too.

Lorne's interests in life were many,
But his love for football and girls topped any.

In times of trouble, he'd talk to a friend,
Never thinking the friendship would ever end.

In our minds we know he's gone,
But in our hearts he'll linger on.

Lena Duhon
Holly Hendrix

"Our Dream"

If we had a dream we knew would come true,
And in which all our wishes were in,
We would dream of one person who is you,
And it would be like it once had been.

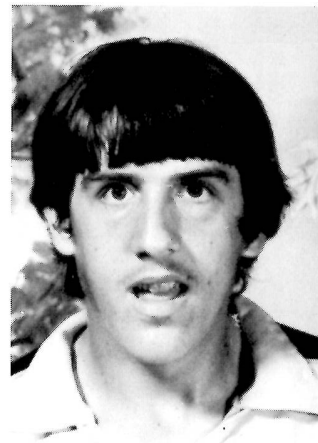

In the dream we would be away and alone,
It would be just you and I,
Our feelings for you would be heavier than stone,
But our freedom would have wings to fly.

In the trees the robins would sing
And the streams would gently flow.
A wonderful smell the flowers would bring,
And together our freedom would grow.

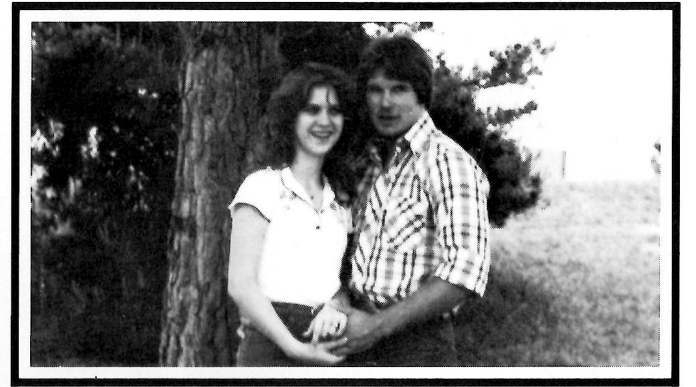

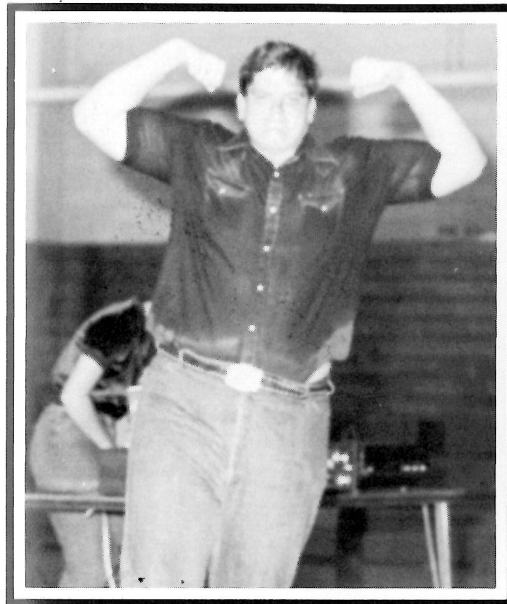

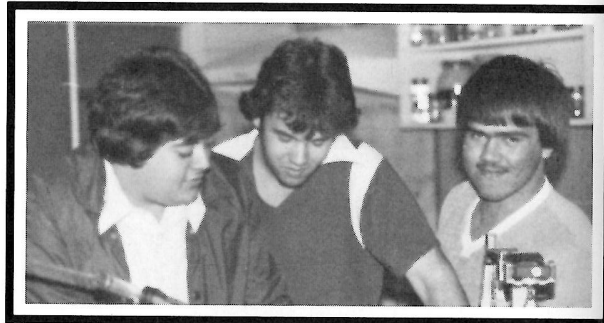

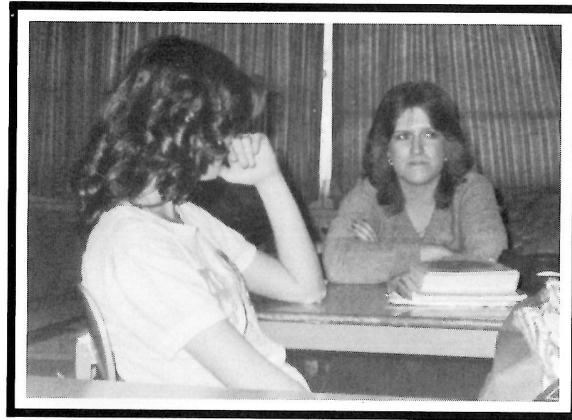

But when I wake up to reality
And find that we're all by ourselves,
No hope in the world would ever relieve us,
When we find that our dreams have left.

So if we had a dream we knew would come true,
No matter how, when, or where,
We'd like you to know that we really loved you,
And that we really and truly do care.
