# Twenty-Fifth

This year designates the 25th anniversary of South Cameron High School. The annual staff wishes to acknowledge this by proudly presenting the following section in honor of the many people who have contributed to South Cameron during its 25 years.

South Cameron High School first opened its doors in the fall of 1956 and operated successfully under the superintendency of Mr. U. E. Hackett and the leadership of Principal R. H. Pittman graduating 35 seniors.

On June 27, 1957, Hurricane Audrey completely destroyed the facilities and eight of its student body: Roger Dale Savoie, Gerald Wayne Theriot, Harmon Mudd, Jr., Betty Anne Conner, Ethel Miller, Belva Boudoin, Edwin Miller, and Betty Jean Clement. Students of South Cameron were transferred to Grand Lake High School and the old Grand Chenier High School during the rebuilding process.

# Anniversary

In 1958, the doors were reopened to 335 students under the principalship of Mr. U. W. Dickerson and seventeen teachers, teaching grades one to twelve.

The school continued to operate this way until 1969 when the neighboring South Cameron Elementary was constructed to relieve some of the growing pains of South Cameron High School. At that time, the elementary students of the Creole area were transferred to the adjacent school, and once again South Cameron became an 8-12 unit until 1969 when the all black Audrey Memorial joined South Cameron High School.

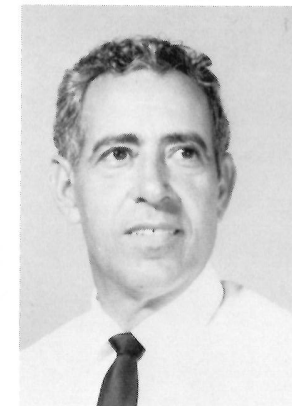

The school has operated under the superintendency of U. E. Hackett, Wilson Montie, Bobby Smith, and T. W. McCall and under the direct leadership of R. H. Pittman, U. W. Dickerson, J. C. Reina, and Frand Brocato. Donald Broussard has also contributed many years of service to South Cameron. His experience and know-how have helped many people during his time at South Cameron.

South Cameron has enjoyed and suffered practically all experiences any other school has: literary rally champions, successful sports program, state champion livestock exhibitions, honorary band members, vandalism, bomb threats, walk-ins, skip-days, etc.

Twelve hundred and thirty-seven graduating seniors have left South Cameron High School to journey into the world to spread their expertise as professionals down to common laborers.

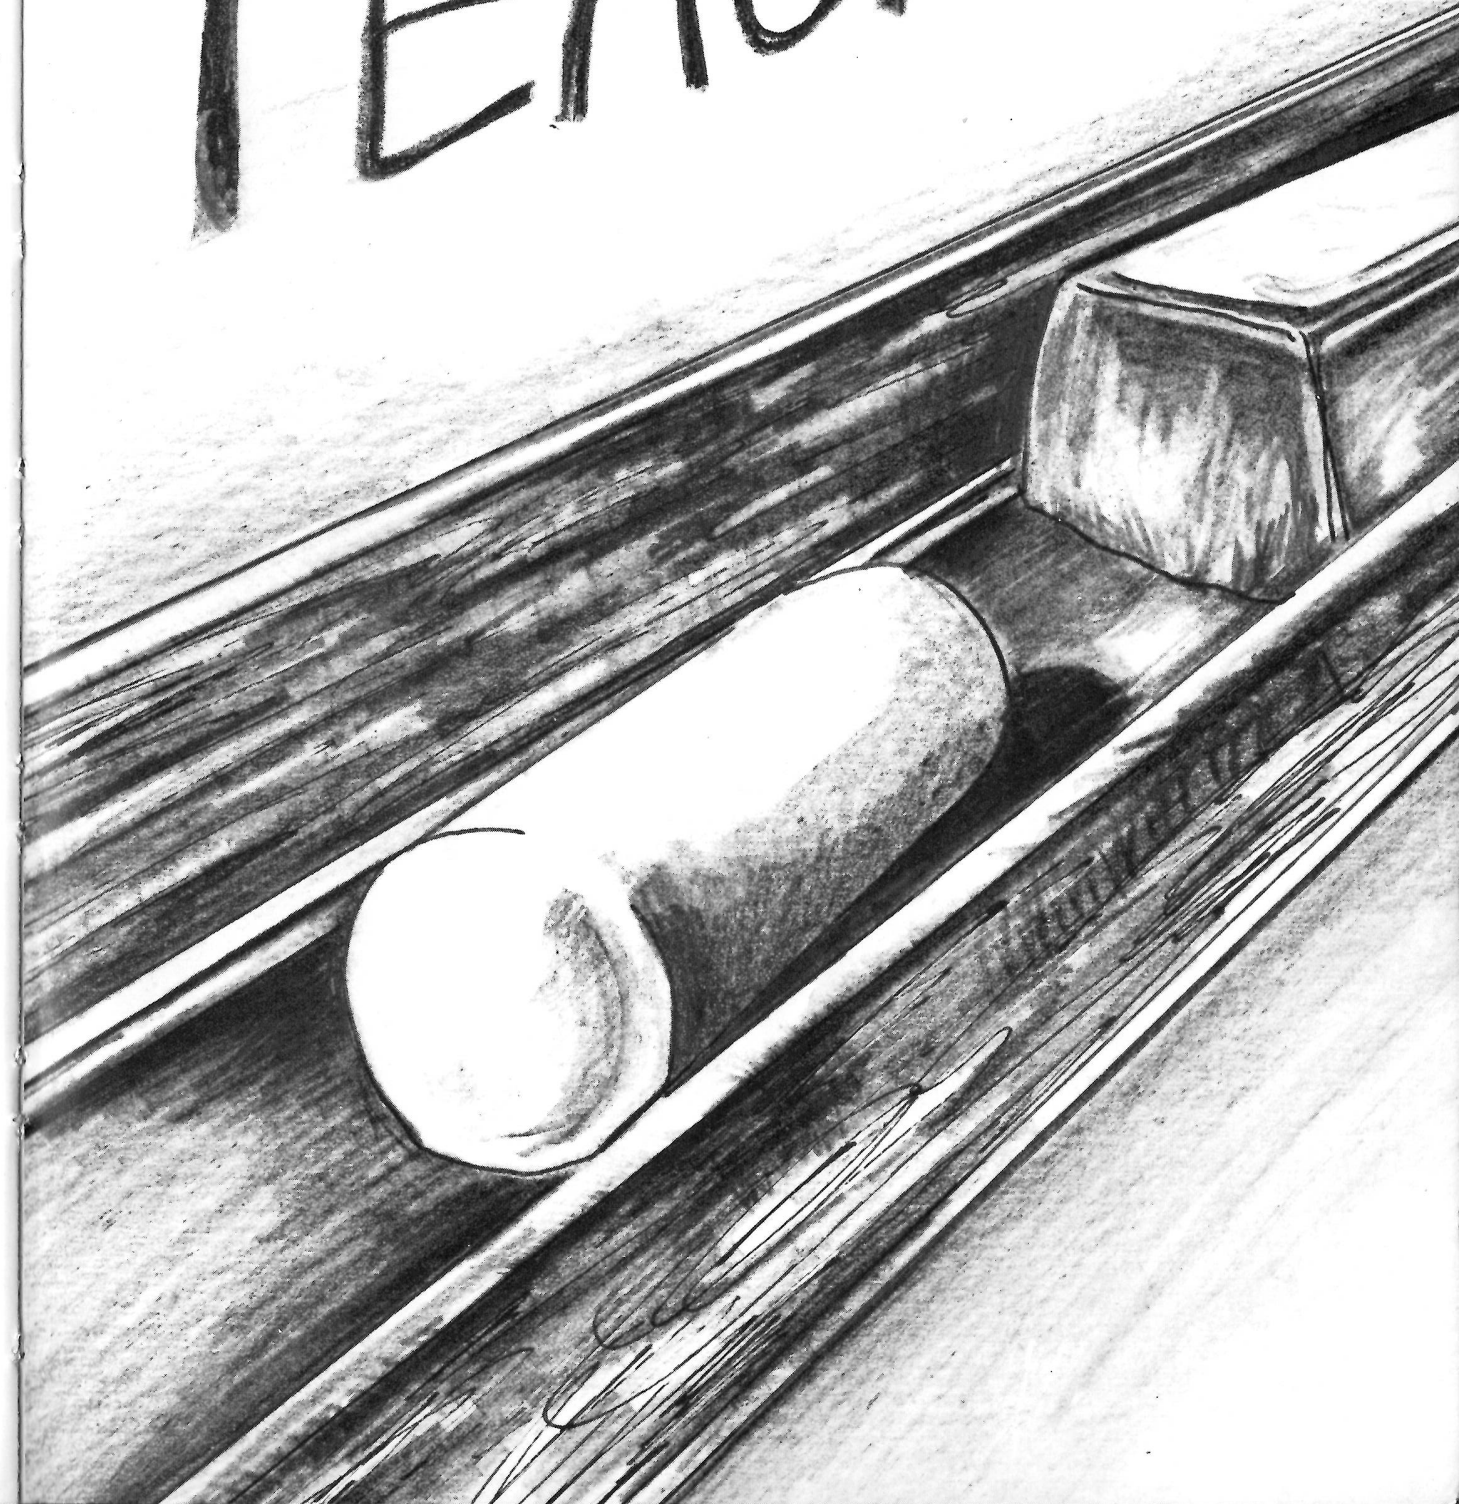

The school has received accreditation from the Southern Association Accrediting Agency and, therefore, participates in any activity that other member schools do.

The student body and faculty comprise a very diverse group all striving toward one goal — to produce quality members of society.

The school serves a vast rural area with busses traveling a total distance of 224 miles and the farthest route a distance of 26 miles. The school community encompasses approximately 836 square miles.

Secretary

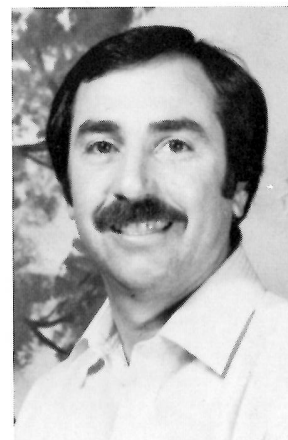

The 1981-82 school year should remind us all of the positive actions taken in our local communities and our school. While the world mourned the violent death of Anwar Sadat and the attempted plots to assassinate our President and the Pope, we at South Cameron High were making our school and community a better place. One of my fondest memories this year was the effort of the community to get the bond issue passed which will eventually better than double the size of the school.

I shall always remember the effort that we all made on behalf of Ed Stamm, an 8th grader who is battling cancer. Our salute to our veterans was memorable. The blood donor's programs stand out as efforts of warmth and sincerity for our fellow man.

Academically, we made a better effort to help students by ability grouping the 9th grade English classes to improve their course work.

With our 1982 seniors foremost in our minds, the faculty and I salute the students of South Cameron High. We offer a cordial thank you to the yearbook staff for their continued effort to capture the pleasant memories of high school.

# TEACHERS

The faculty of South Cameron High School had many new faces this year. The new teachers are Mona Dahlquist, Cindy Vernon, Ingrid Garofolo, Marie Materne, Lyle Van Horn and Donna Nash. A new secretary, Mrs. Bobbie Primeaux, joined Mrs. Savoie in the office this year.

In addition to the new teachers, many family changes occurred in the faculty. Mrs. Harper became Mrs. Dahlquist, Mrs. Duplechin and Mrs. Richard had babies in the fall, and Mr. Marcantel became a new father in May. All of the coaches are expecting new arrivals next year. The faculty and staff were asked the question, "If you had one wish what would it be?" Their responses are listed throughout this section.

## Coaches Comments

### Coach LaLande:

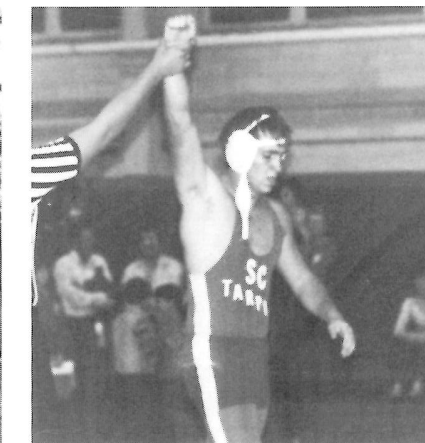

The boys gave 110% effort and were very cooperative in their work. Competition is getting stiffer and stiffer at state and I hope next year they'll be on top.

### Coach Beniot:

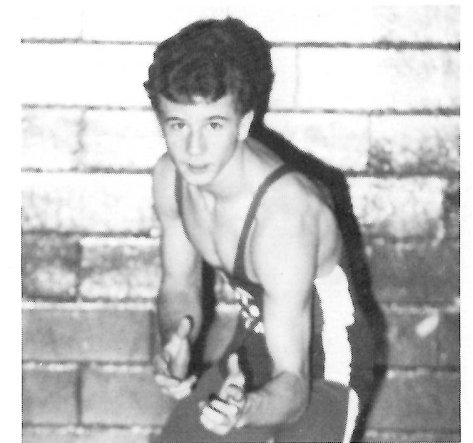

I think our wrestling program was a success this year, but not as successful as we had hoped for. We had good efforts from the boys during the year and during the state meet. The seniors that are graduating will be missed, but I think we have a good crew returning.

# MEMORIAL

"Lewis"

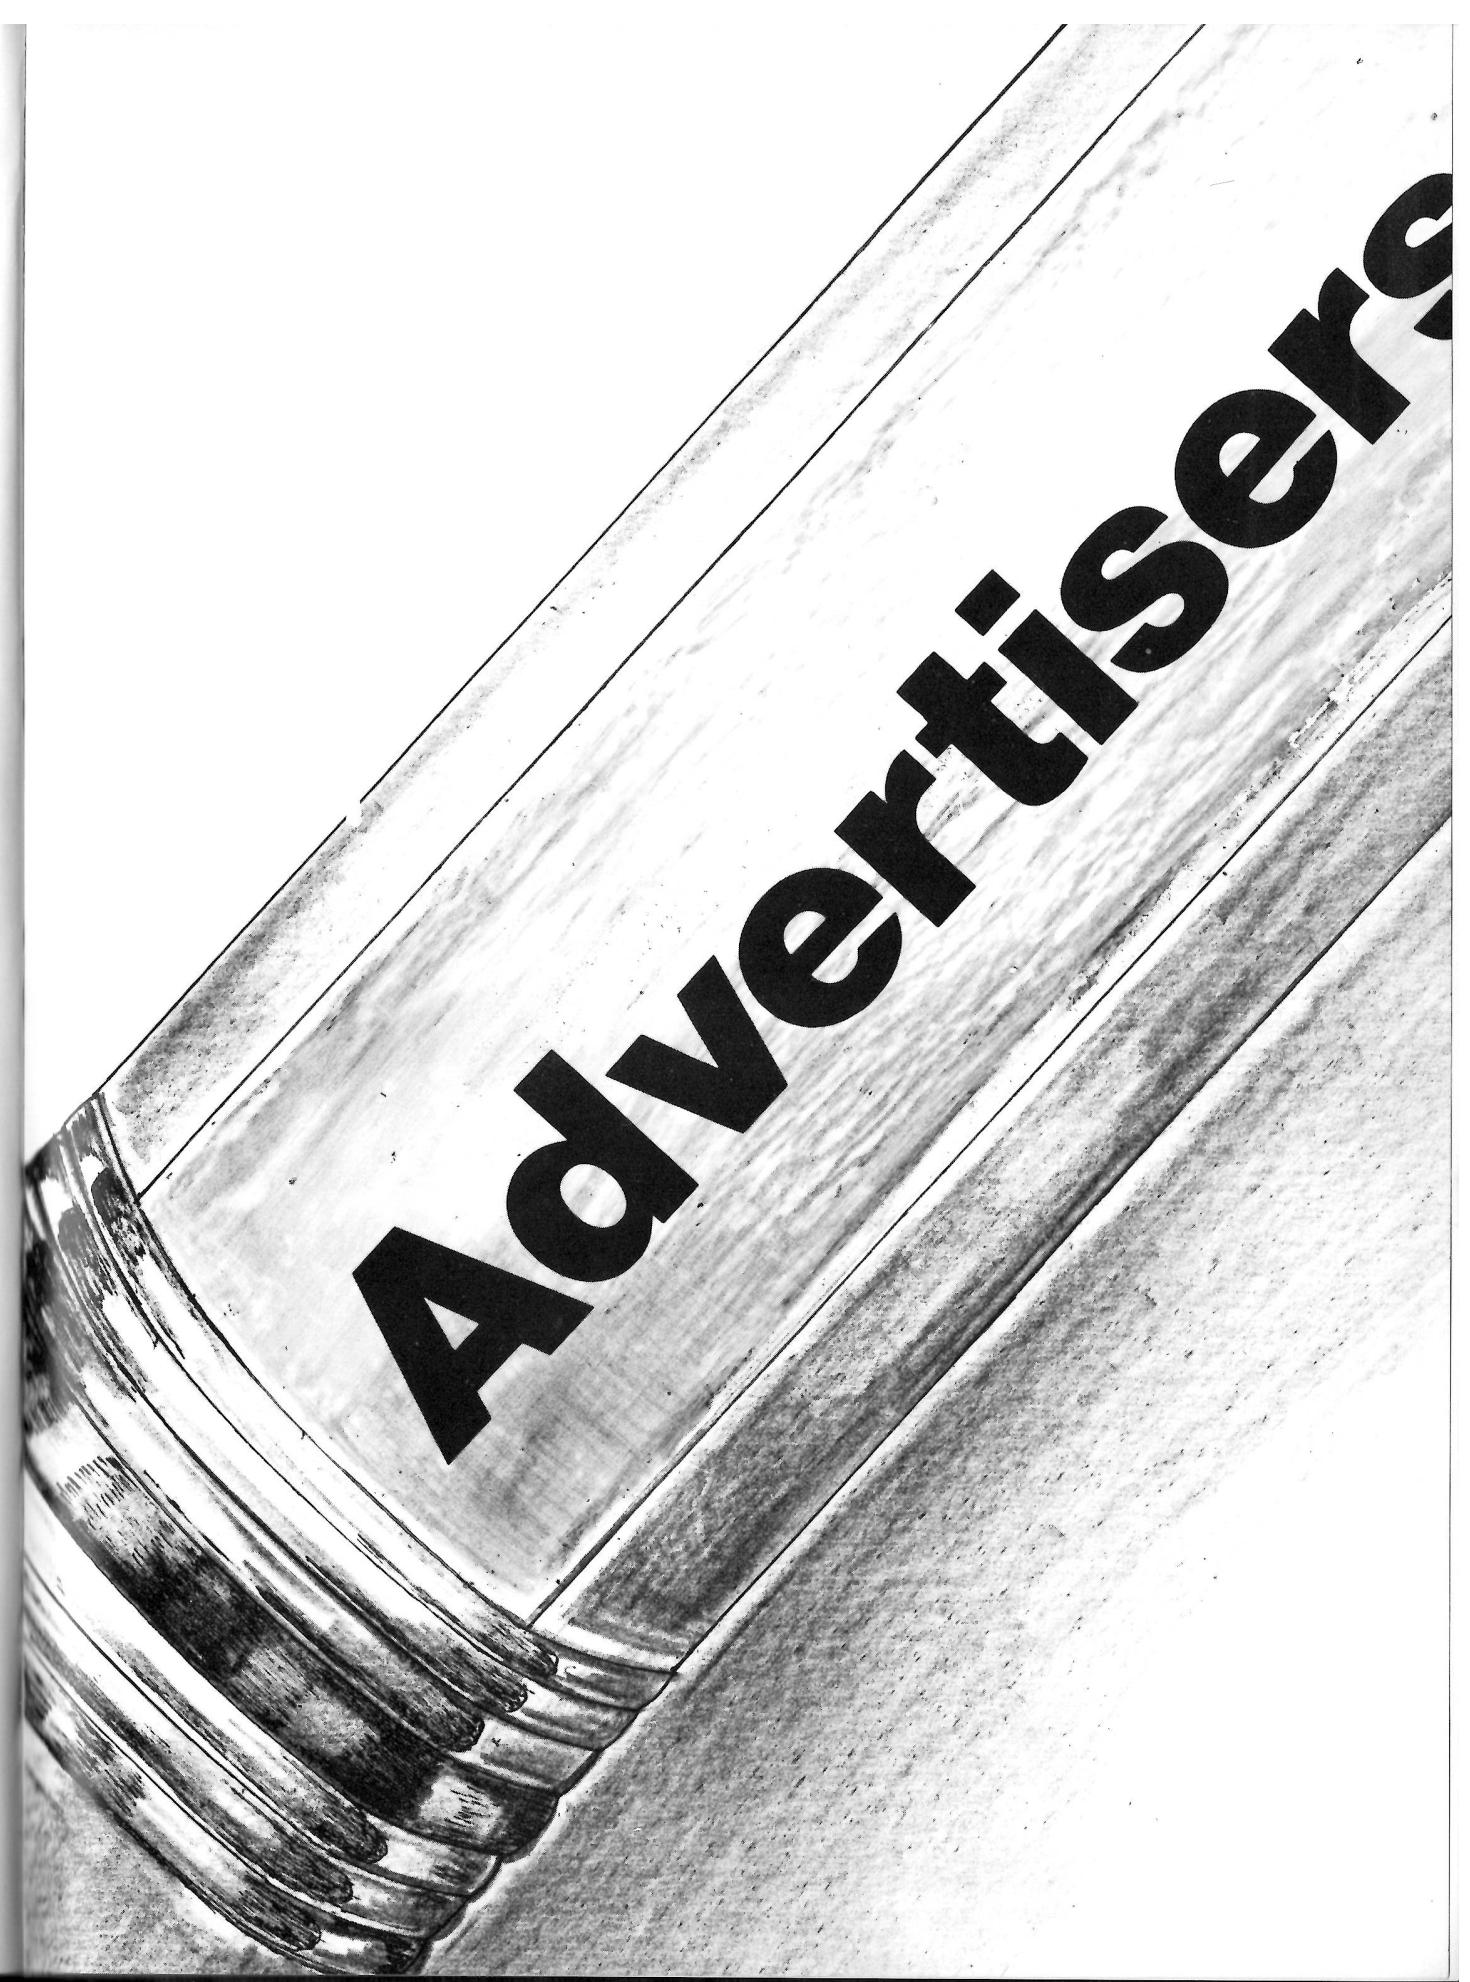

Your gentle face and patient smile  
With sadness we recall.  
You had a kindly word for each  
And died beloved by all.

The voice is mute and stilled the  
Heart, that loved us well and true.  
Ah, better was the trail to part  
From one so good as you.

You are not forgotten loved one, nor  
Will you ever be.  
As long as life and memory last we  
Will remember thee.

We miss you now, our hearts are sore,  
As time goes by we miss you more.  
Your loving smile, your gentle face,  
No one can fill your vacant place.

## **A WORD ABOUT SUCCESS TO THE SENIORS OF 1982**

He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given the best he had, whose life was an inspiration; whose memory a benediction.
