The temperature registered 101 degrees when our group-20 South Cameron students and 9 adults- left for a tour of Europe. In the next 10 days, we toured 6 countries. Our first arrival was London where we toured St. Paul's Cathedral and Westminster Abbey, the sites of the 2 royal weddings. We also toured the Tower of London, Buckingham Palace and Big Ben. The next day, we boarded a ferry and traveled across the English Channel to Paris where we toured the "Ile de la Cite", which featured Notre Dame, the Lourve, and the Statue of Charlemagne. We also toured Concorde Square and Versailles Palace but, the most breathtaking view was the Eiffel Tower. In Switzerland we traveled through the Swiss Alps and visited the famous Lion Monument and Mount Pilatus. In Austria we visited the site of a crystal factory and the site of the previous Winter Olympic games. Our final stop in Munich, Germany, we visited Castle Nyphenburg and a German beer garden. At the end of our 10 days, we were dead tired, but we were steeped in knowledge, and had learned many lessons we would never forget.

Homecoming week was brought to an end Friday, September 30th, as the Tarpons defeated the Waterproof Tigers 44-14. Senior Maid, Dayna Willis, was crowned the 1988 Homecoming Queen during the half-time festivities. She was crowned by last year's queen, Melanie Faulk. Principal Wayne Batts presented Dayna with a bouquet of roses. Dayna recalls that night for us:

"Being crowned Homecoming Queen was the best honor I have ever received, and will be a great memory that I will always cherish. South Cameron High School will forever hold a special place in my heart, no matter where I go."

The 1988 Homecoming Court: Telesha Sturlese, Jenny Theriot, Patricia Henke, Billie Jo Trahan, Dixie Willis, Sherrie Thomas, Hope Nash, Dayna Willis, and Sharonda Williams.

HOMECOMING WEEK

Homecoming Week is just one rare occasion when students get the opportunity to "hand loose" and show their true colors. Shown below is the schedule of events for this year's homecoming.

Monday - Mix-Match Day
 Tuesday - Nerd Day
 Wednesday - Punk-Rock Day
 Thursday - Hobo Day
 Friday - Red, White & Blue Day

"The Wild Wild West crew:" J.M., Kelly, Patrick, and Robin with "Kool MOE-DEE" Charles

Derinda Morris and Dayna Willis are all smiles with their new outfits from "Chenier Perdu".

"Hip Hip Hooray, it's Nerd Day!" say SC cheerleaders.

Chad Mudd starts the fire for the homecoming bonfire

"Eat your heart out Tom Cruise!" says Shawn Bonsall.

Look out! Box Car Willie has nothing on Chantell.

FUR AND WILDLIFE

Cameron Parish is filled with excitement during the annual Fur and Wildlife Festival. This year's festival was held January 12-14. South Cameron students of all ages took part in the food, fun, and contests.

The festivities started Thursday night with the Little Mr. and Ms. Cameron Parish Contest. Friday was filled with oyster shucking, archery, muskrat skinning, and arts and crafts contests. Rhonda Perry was crowned Miss Cameron Parish and J.B. Meaux was named Fur King at Friday night's pageant. Saturday held fun for all with the annual parade. The Fur Festival was brought to an end Saturday night with the crowning of the 1989 Fur Queen, Michelle Morris.

Although the weather was unseasonably warm for the coldest festival in Louisiana, everyone had a great time.

Rhonda Perry was named Miss Cameron Parish.

Casey Pinch and Shawn Fawver were named Little Mr. and Mr. Cameron Parish.

Rhonda Perry enjoys her Fur Festival Parade ride.

FESTIVAL

J.B. Meaux was named 1989 Fur King.

The 1989 Miss Cameron Parish Contestants were: Charlotte Griffith, Joanie Constance, Patricia Henke, Chantell Sturlese, Rhonda Perry, Belinda Haride, LaTisha Trahan, Telesha Sturlese, Robin Peavy, and Rhonda Verswywelt.

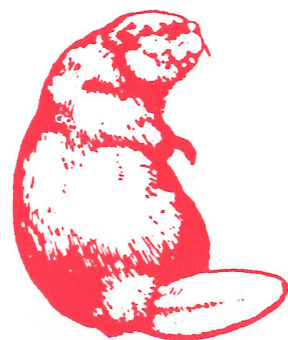

THE FUR FESTIVAL

Taking aim, Patrick Booth warms up for archery shooting.

Rusty Welch, Lane Bonsal, and Todd Conner proudly display their plaques from the muskrat skinning contest.

Fur skinning is an art, as shown by Todd Conner.

SNAPS

"Let's do it." The Wild Thing has had a real effect on Lana Bertrand.

Frog Racing! Tim Billings, Jill Boudreaux, Keith Portie, and Brian Trahan will do anything for extra points.

Each year, South Cameron students elect a Witch and Warlock from the faculty. It is all part of a yearly fund raising activity of the Annual Staff. Students "vote" for their favorite witch or warlock by placing spare change in the teacher's jar. The male and female faculty member with the most money is the winner. All monies collected go to the Annual Staff to help with expenses. This year's winners were Mrs. Booth and Coach Griffin.

PEP
RALLIES

A spiraling pyramid takes shape as the cheerleaders perform at the pep rally.

ANTICIPATION: Ms. Devereaux and Ms. Dupre draw the names of the pie throwers.

Pies are airborne as Jared, Cody and Marlena try their luck at hitting Derinda.

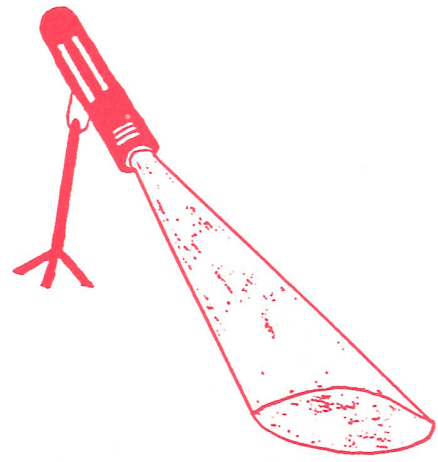

Who ARE those people? They are just the cheerleaders performing a skit at pep rally.

TOTALLY AWESOME! The cheerleaders give their all at the homecoming bonfire pep rally.

Mmmmm! That pie sure would taste better in your mouth, Derinda!

BLOOD DRIVE

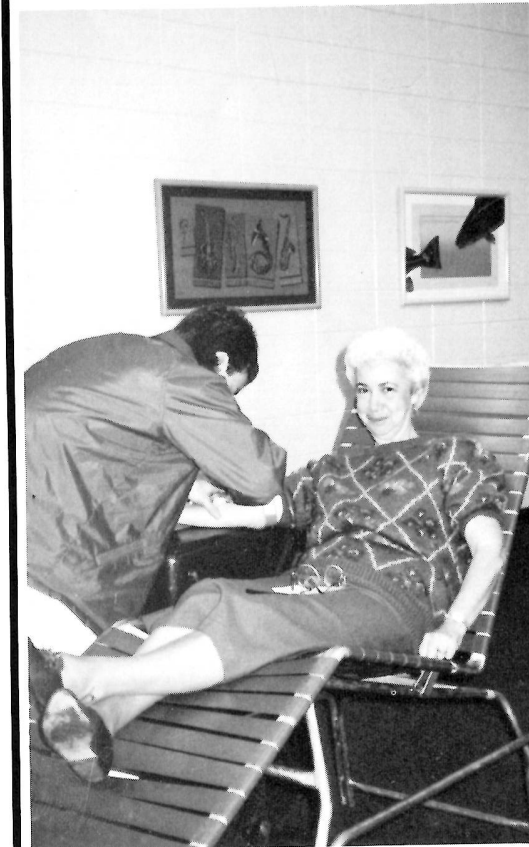

The American Red Cross holds a blood drive every year at South Cameron High. Students and faculty members take time out to help others by donating blood.

"And you call yourself a MAN!" Micheal Richard holds Ken Mudd down to get his blood.

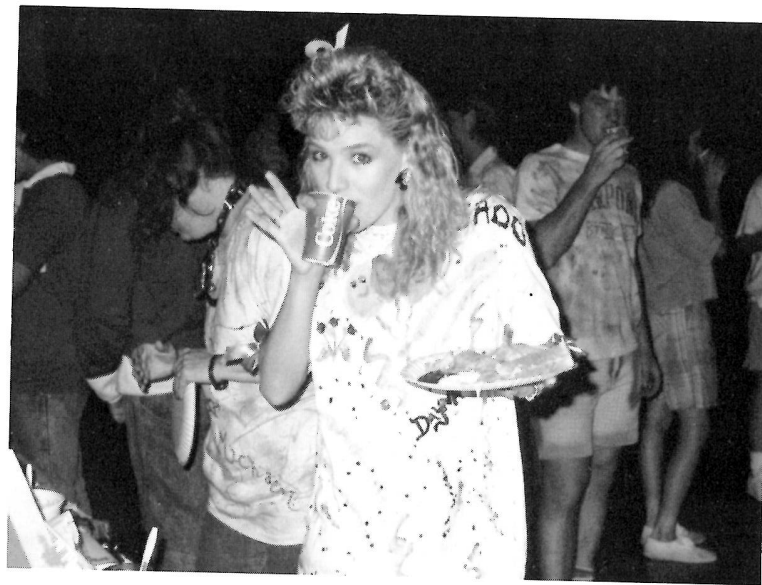

"OUCH!" exclaims Henry Gayneaux.

Nothing to it. Ms. Jeanette Savoie shows those boys how it is done.

Candace McCain sure looks happy since she's out of class. Ron Lantier and Selema Armentor lead the group in "Soul Train."

DANCE

COLOR SPLASH '89 was the theme for the annual S.A.D.D. (Students Against Driving Drunk) Dance. Preparations for the event started early Friday, May 12th, with S.A.D.D. and faculty members pitching in to decorate the school gym. Working hard all day, S.A.D.D. members went home and rested for the big event.

At eight o'clock that evening the music started. The Disc Jockey this year was "Midnight Magic". Refreshments were also served. Everyone who attended enjoyed the good food and music. The S.A.D.D. Dance proved to be a huge success.

The 1988-89 Junior Leadership Conference was held on Saturday, October 15, 1988, from 8 a.m. until 4 p.m. at South Cameron High School. Participating schools were Hackberry, Johnson Bayou, GrandLake, and South Cameron. The guest speaker, Joe Stevens, used humor and wit mixed with serious discussions in which he helped the students recognize and understand drug abuse and peer pressure. Although serious in purpose and content, everyone laughed a lot and had a great time. The students left with a renewed commitment to be aware of these problems and were willing to help other students from their respective schools with their problems.

The 1988-89 Junior & Senior Banquet was held Tuesday, March 14, 1989 at Pat's of Cameron. The evening started at 6:30 with the reading of the senior wills by Henry Gayneaux and Penny LaBove. After the wills students & faculty took a short break to get a taste of Pat's seafood buffet. After the meal Sue Carroll and Julie Aubey read the prophecies, wrote by the juniors, which seemed to leave everyone in laughter. The Jr. & Sr. Banquet is always considered a memorable event, it seems a shame to have to wait a whole year before the next one.

Chad Mudd and Rhonda Perry were named Mr. and Miss South Cameron. Other members of the court were Rebecca Theriot, Latonia Andrews, Dennis Hebert, and Brian Trahan.

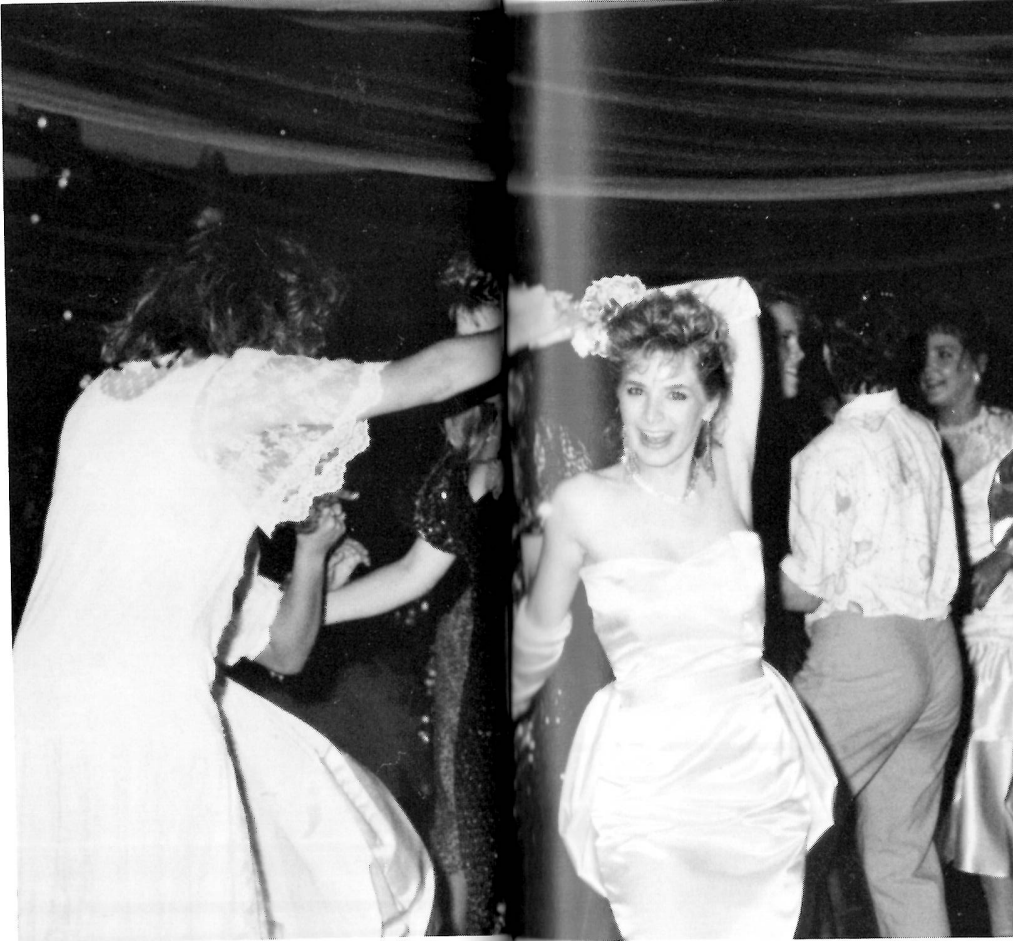

A good time was had by all and the prom was considered a huge success.

"We are having a blast at our senior prom," exclaims Dayna Willis, Velma Mock, and Patricia Henke.

Mr. and Miss South Cameron High School - Chad Mudd and Rhonda Perry.

"Smile Dana Trahan! You are supposed to be having fun."

DO YOU GUESS IT IS I?

I am a little thing;
I am not very high;
I laugh, dance and sing,
And sometimes I cry

...

On my two feet I walk;
I run too with ease;
With my little tongue I
talk
Just as much as I
please.

I have ten fingers too,
And just so many toes;
Two eyes too see
through,
But one little nose.

I've a mouth full of
teeth,
Where my bread and
milk go in;

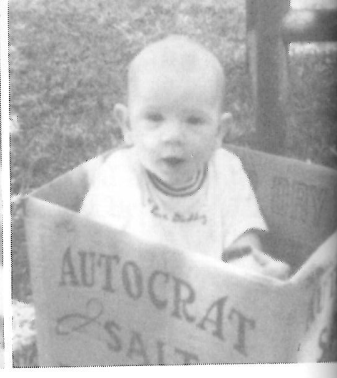

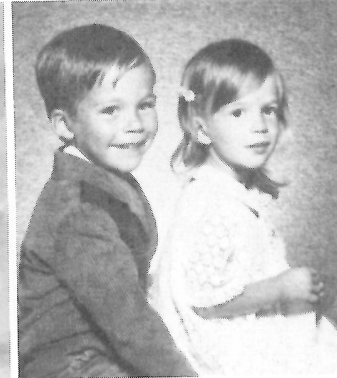

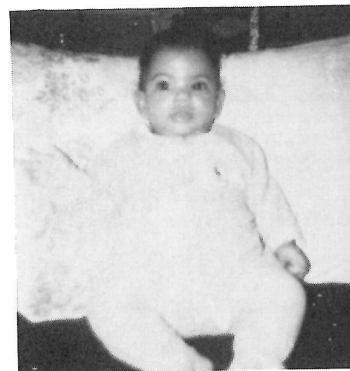

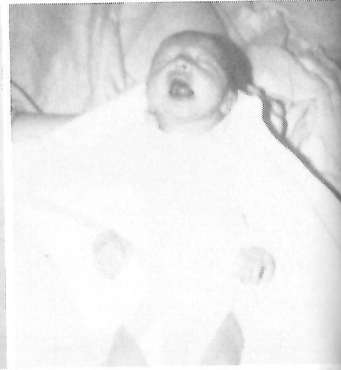

And close by,
underneath,
Is my little round
chin.

What is this little thing,
Not very, very high,
Tha' can laugh, dance
and sing?
Do you guess it is I?

SOUTH CAMERON

This year the students of South Cameron were offered a new foreign language. The class was German I, taught by Mrs. Ingrid Garofolo. The class is shown here singing Christmas carols in German.

Says "Bonjour"

In addition to German the South Cameron students were also offered the opportunity to take a class entitled French II. This class was taught by Ms. Anna Boudreaux. Although small in number, the class has benefited and enjoyed their second opportunity to learn the French language.

South Cameron welcomes their newest faculty members. From left to right they are: Miss Sabine Omer, Ms. Anna Boudreaux, and Mrs. Vickie Little.

Miss Omer is one of the fourteen French teachers from Europe teaching in Louisiana this year. She is participating in the Codifil program which is the Council for Development of French in Louisiana. She is a native of Belgium where she studied to become a teacher for elementary children.

Ms. Anna Boudreaux is currently teaching French II here at South Cameron. She is a graduate from U.S.L. Ms. Boudreaux has lived in Cameron Parish since 1972.

Mrs. Vickie Little is replacing Ms. Devereaux this year. She is teaching 9th grade English.

Not pictured is Mr. Kevin Driscoll.

AND "AUREVOIR"

A SALUTE TO MR. BROUSSARD

This year South Cameron lost a very valuable and dedicated member of its faculty when Mr. Broussard retired. Mr. Broussard had been with South Cameron since 1957. While here he taught various classes, all grade levels of English, 8th grade reading, American History, and was the librarian and girl's athletic coach. Mr. Broussard enjoyed many things about teaching at South Cameron. Most of all he liked the freedom to try new things. His most memorable time at school was the year after Hurricane Audrey when everyone worked together to rebuild. When asked about his retirement, he said the threat of Hurricane Gilbert helped him make that final decision. Now that he is retired, Mr. Broussard enjoys living with his mother, substitute teaching and gardening. His advice to those who are still in the teaching profession is to keep striving for academic excellence. That sounds like good advice. SC salutes Mr. Donald P. Broussard for his 31 years of devoted service to this school and community.

Wow! Is Charles D. flying or long jumping

Success was in the eyes of the Tarpon track team. The boys track team became the 1988-89 parish champs. Of course there were tough battles but the war was won.

However, the competition was a lot rougher in the District 8-A meet held at South Cameron. South Cameron placed 4th out of 6 teams. But it was not a total loss for the team; Ronald January placed 1st in the High Jump along with Jim Curtis who placed 2nd in the Shot Put, Ron Lantier 2nd in the Javelin, Walter Jones 2nd in the 400m dash, and the 800m relay team also placed 2nd. South Cameron is proud of the efforts and achievements of the team.

With a record of seven wins and three loses, the Tarpons of South Cameron completed their 1988-89 season. The Tarpons seemed to be especially dominate at home, winning four out of six games. On the road, they slipped to three out of five games. Perhaps the most outstanding victory was against Gueydan with a final score of forty-eight to zero. In another exciting game with Waterproof, the Tarpons posted a forty-four to fourteen victory. Although the

scores were not as dramatic, the Tarpons had equally exciting victories against Delcambre, Vermillion Catholic, Iowa, Davidson, and North Vermillion.

The Tarpons are already looking forward to the next season with great expectations. Since less than ten seniors are graduating the experienced Tarpons could be in contention for the state championship next year.

SCORERS VARSITY BOARD

And the season begins!

The boys varsity basketball team had their best season in several years. The Tarpons finished the season with 14 wins and 14 losses. The players worked hard and made a lot of sacrifices. They gave their best the whole season.

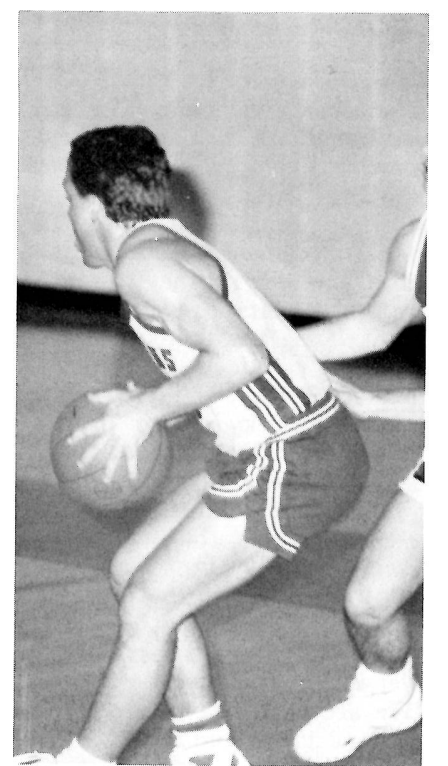

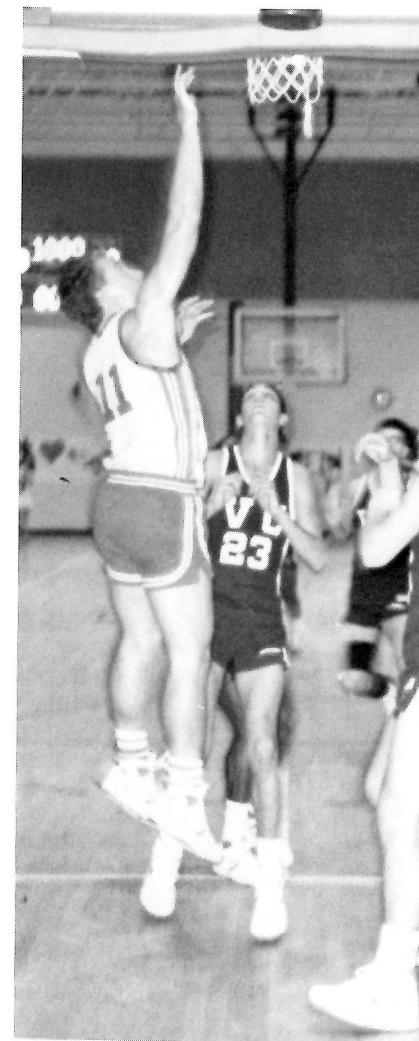

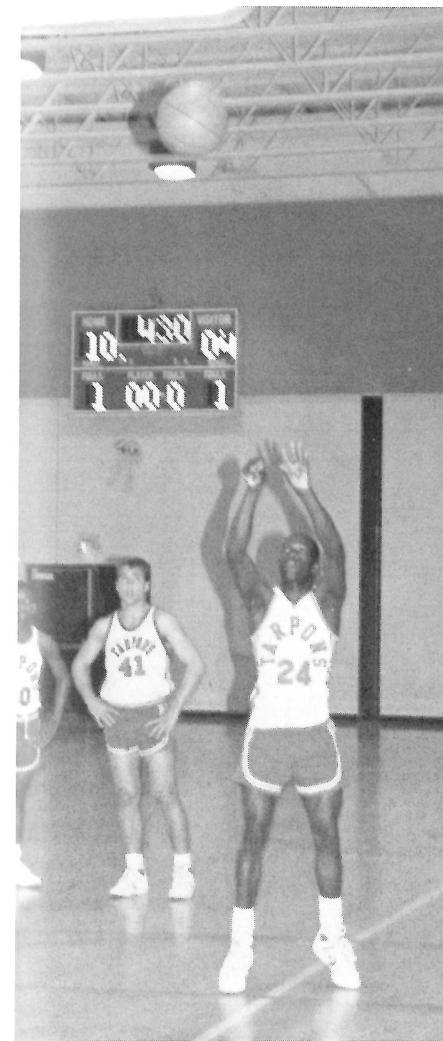

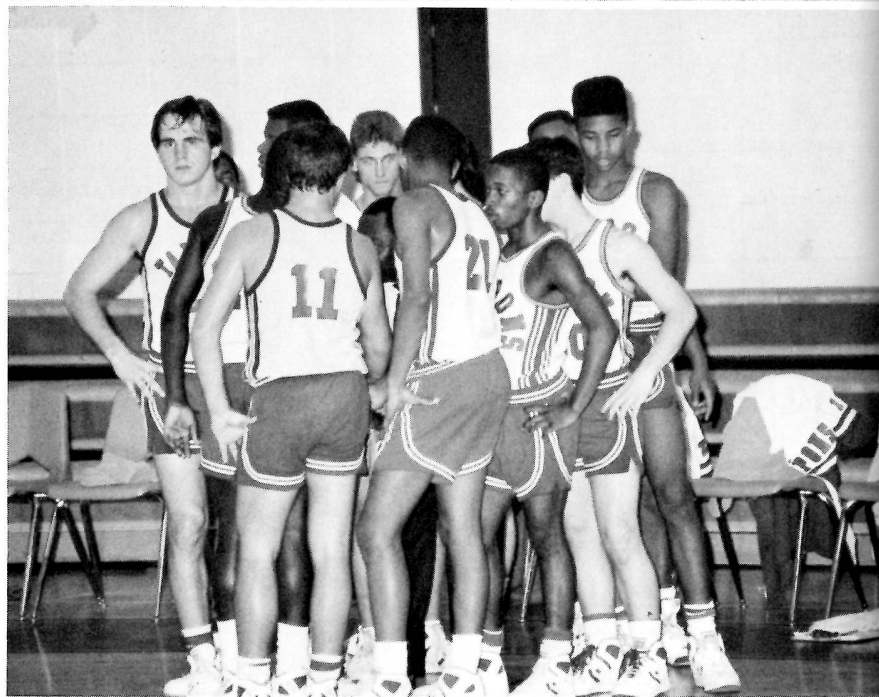

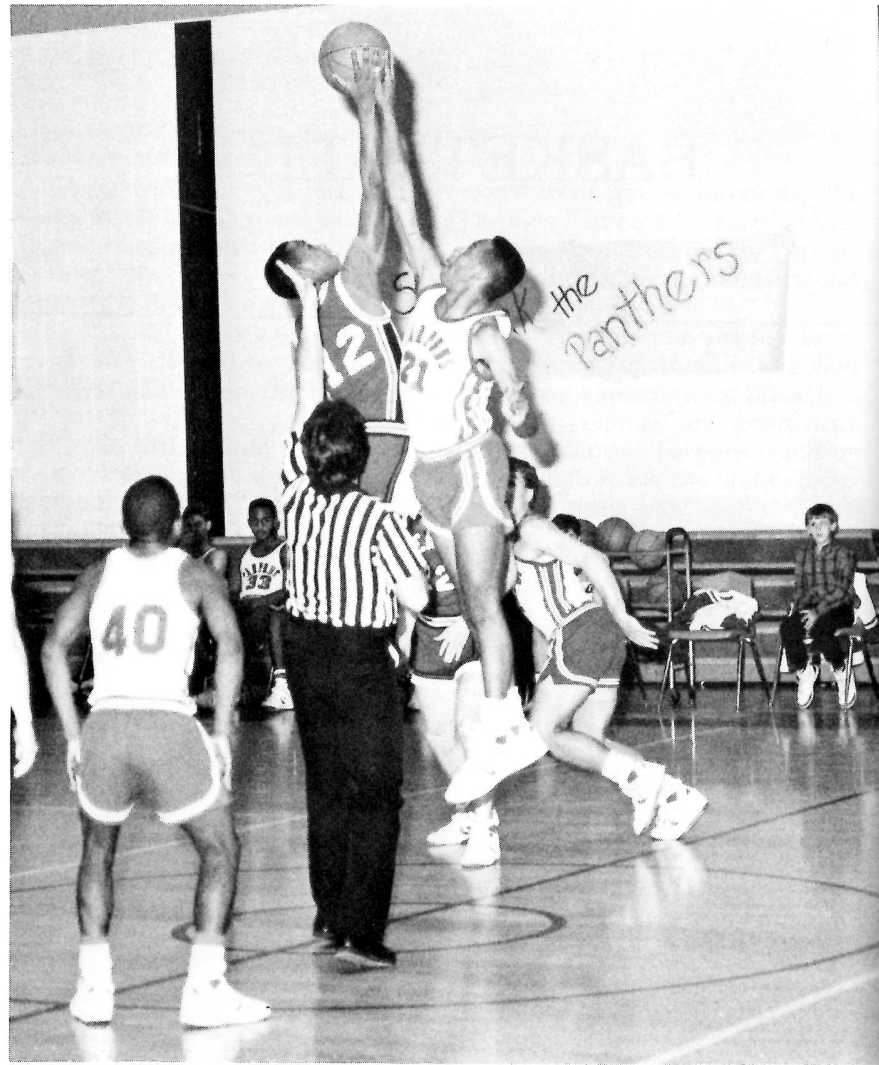

In district play, the Tarpons ended the season with a 4-6 record.

"We are looking forward to an even better season in the future," says Coach Griffin.

Way to go Tarps! We are proud of you.

Jump up high, Ronald!

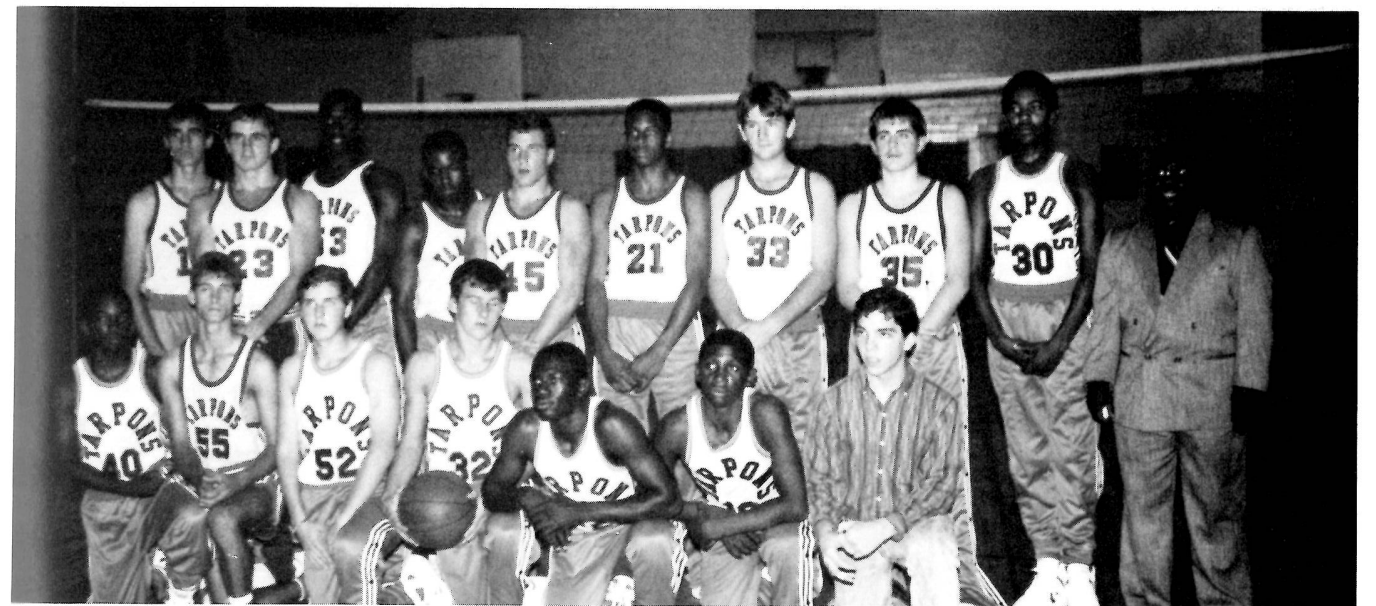

Pay attention Joseph! You're missing the game plan.

GIRLS BASKETBALL

The girls varsity basketball team had another great year. The girls ended the season with an 11 win, 11 loss record.

The girls placed 2nd in the Johnson Bayou Tourn, and 3rd in the Parish Tournament. Tiffany LaSalle received the "All Tourney" award in both tournaments. Freda Blackwell brought home the Johnson Bayou Tourn.

In district play, the girls experienced an unlucky season. Most of the games were lost by a few points and last minute shots. The girls, at one point, were holding the number one spot. But as the season progressed, the Lady Tarps hit a losing streak losing 3 games in a row. Surprisingly, the teams that put South Cameron out are teams that S.C. beat earlier in the year.

"We are switching into a harder district next year and losing 3 starters, but we think we can pull off good seasons in years to come since most of us are young." says D'Juana Nunez.

Brandi! Stop daydreaming. You're going to drop the ball.

D'Juana shows off her dribbling skills. Look at her go.

That's the way to rebound, Tarps.

Bosom Buddies! A new form of cheerleaders developed at South Cameron this year as Kelly Vincent, Joseph Duhon, Chad Mudd, Kelly Richard, and Jim Curtis show what they got.

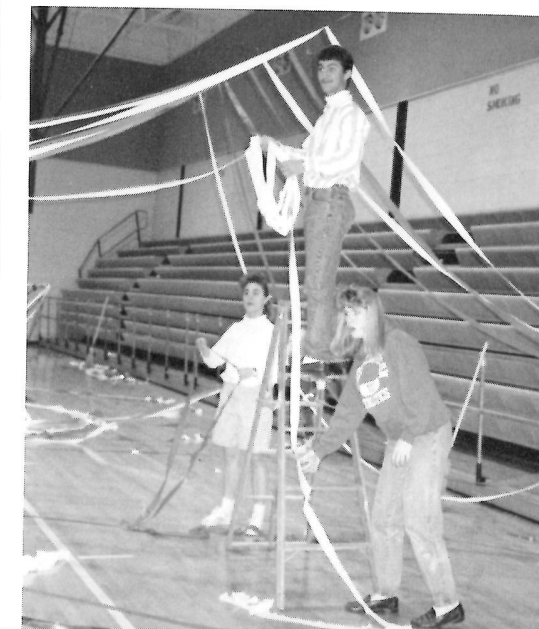

STUDENT COUNCIL

Totally Awesome!! Marsha Hardy and Mrs. Richard give their best shot in decorating for the Sweetheart dance.

Pretty tangled business huh, Dayna? Becky Theriot looks as Dayna Willis does her best in trying to untangle the streamers to decorate the gym.

CHEEESE!!! Ken Mudd just grins and bears it as he gives his soft touch to the decorating. (with the help of Patricia Henke and Derinda Morris of course!)

THE FOOTPRINTS ...

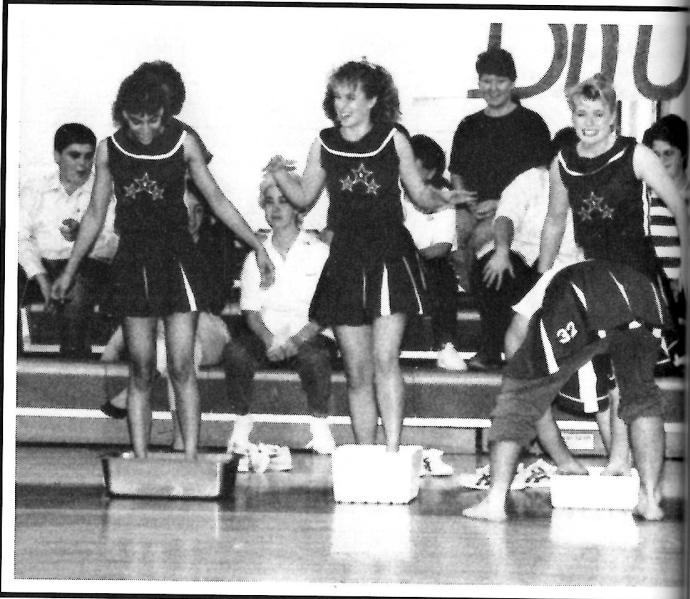

South Cameron Tarpons #1

Although our school isn't as big as some,
 We like to think of it as number one.
 The cheerleaders and the pep squad all agree,
 We've got the best school in history.
 The players that fight to win each game,
 Well . . . there's really too many to name.
 But if no one helps and shows no might,
 We won't have anything left to fight.
 So let's take our spirit and show our pride,
 To let everyone know we're on South
 Cameron's side.
 So with all the help from everyone,
 Our school will always be
NUMBER ONE!

TO THE FUTURE

Can't think,
Brain dumb,
Inspiration
Won't come

Just do your best, my son, in whatever you do. Even though, sometimes it may not be easy for you. Positive thinking is good for the soul.

Just do your best. That's all one can ask, in spite of odds, whatever the task. When each day is through, you'll know in your heart you've done everything God expected of you.
