This year's Homecoming brought about a year of change. For the first time, the Homecoming Queen was selected by the entire student body.*

*Lane Bonsall seems to be having a great time!*

*"What do we do now?" asks Shelly Broussard.*

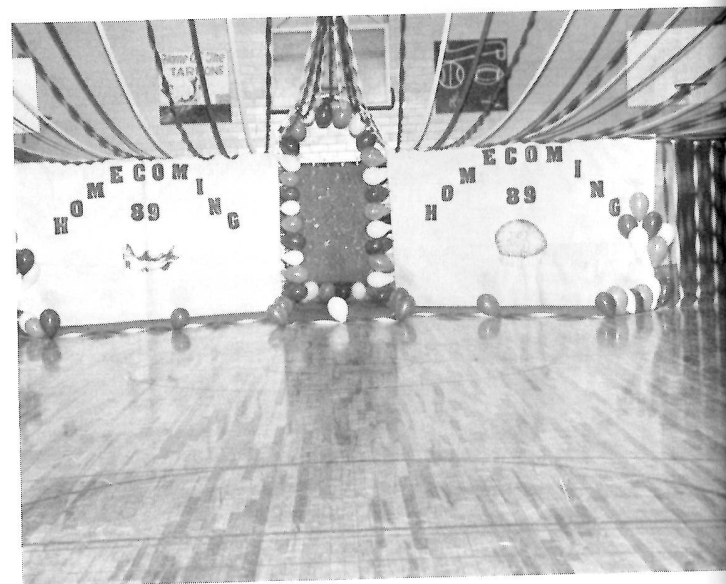

*Dayna Willis is really excited to return to SCHS.*

The guest speaker, John Hewitt, used wit and shocking statistics in an effort to make Cameron Parish Students more aware of dangers of drug abuse. Student involvement was great as students developed and performed anti-drug skits. Students left with a feeling of awareness and were willing to share what they had learned with others.*

# OUTSTANDING

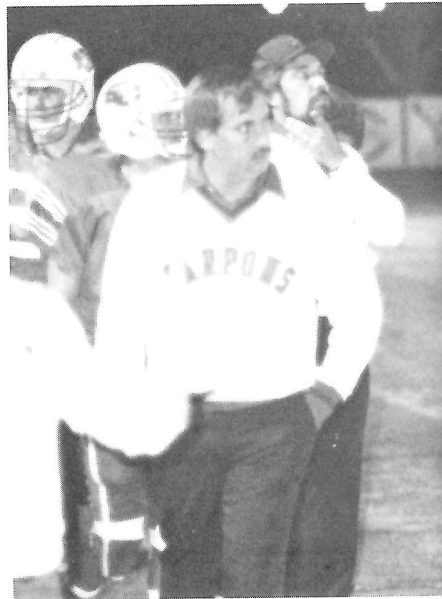

This year was a very good year for the Tarpons. Another winning season with the record of 14 wins and only 2 losses. The Tarpons marched through the regular season with one loss to an AA playoff contender. The Tarpons were undefeated district champs with a win over 9th ranked Merriville. From there, the Tarpons advanced into the top ten teams in the state. In the playoffs, the Tarpons took the Bi-District title, Regional Champs, and were finally defeated in the semi-finals to University High out of Baton Rouge.

Jamie Carroll was selected all district defensive tackle, and the district's most valuable player of defense among other titles. Head Coach Parry LaLande was district 7-A "Coach of the Year".

Congratulations Tarpons on a job well done!

Jamie Carroll (79) was the recipient of many district and state awards.

Head Coach, Parry LaLande received the district 7-A "Coach of the year" award.

# BASKETBALL

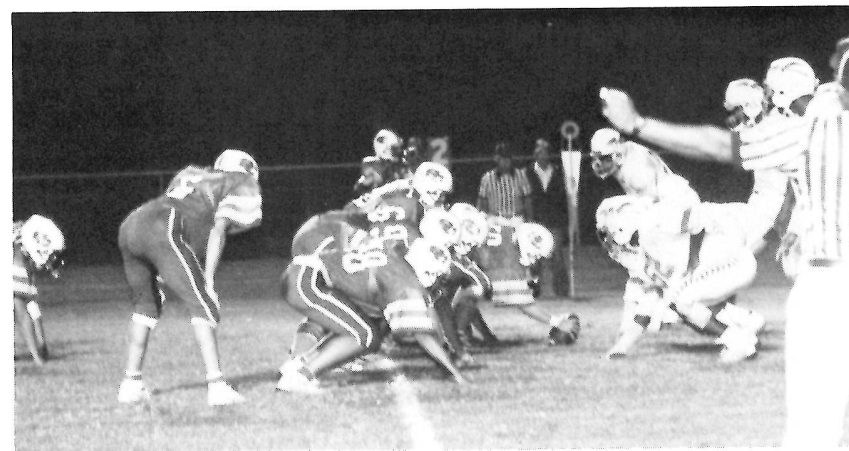

*Come on GUYS this isn't Wrestling. Show some roughness out there!!!!!!*

*Takes more than a tug to pull down a Tarpon, says Shane as he runs for another T.D.*

*Charles, what are you going, you're suppose to run the other way.*

*The mighty Tarpons in great concentration, exert all their energy, for another Tarpon T.D.*

*The 1989-1990 Lady Tarpons finished with a 12-14 overall season. The team this year was very inexperienced. There were two juniors and one senior with very little playing time. The team placed 2nd in the parish tournament with all-tourney player Djuana Nunez and Renee Lalande. District was a lot tougher for us. We finished fourth in our district with a record of 4-6. Although our district finish was disappointing, three players were selected to second team all-district. These players were Billie Jo Trahan, Renee Lalande and Djuana Nunez. I am proud of all the girls on the team and appreciate the effort they put forth.*

Being a first year coach I really didn't know what to expect from this years wrestling team. But with a lot of hard work and a winning attitude, we went from a bunch of gym ceiling light counters to runners-up in the state.

Thanks for the ride guys,

# TIME FLOWS CONTINUOUSLY

## Take an After-dinner Tour of the World

Have you—and your family—ever toured the world, of an evening? You can. You can go to Venice, to Holland, to Spain and Morocco. You can sail the Grand Canal of the old Italian city of romance and glory; you can see the dramatic canals of work in Amsterdam; the olive orchards in old Languedoc; the land of hyacinth days in the meadows of the Meuse.

You need only a Rand McNally Atlas of the World. It is informative. It is fascinating. It puts knowledge, valuable, usable knowledge, at the disposal of every member of the family. It answers a thousand questions. It furnishes a thousand subjects for study and discussion—at home or in a gathering of men and women. Boundaries in Europe have changed. There are new countries now, in name and form. If you've never crossed an ocean, you ought to own one now—a Rand McNally. It is filled with a wealth of new data that will astound you.

**JOHN JAY LABOVE**

John Jay is an athlete: football player for the Mighty Tarpons, discus thrower and shot put in field events, weight lifter, and a pitcher in the 18-and-under Softball League. **#69**

John likes "critters" large and small, from tropical fish to the Herford bulls he has shown at Baton Rouge FFA events.

At cabinet making, he thinks "big" and can show you a six-foot armoire and a (6) gun cabinet. Along with being an Eagle Scout, John Jay is also a fantastic chef, which not everyone knows.
