Yesterday is a Memory.

Many memories of yesterday are with us as we have traveled from rodeo to rodeo with you watching you giving your best and learning from your mistakes while climbing the ladder of achievement.

Today is Reality.

Today we see you having a courage and believing in yourself. God gave every person the ability to perform his own unique talent and when you believe in yourself anything is possible.

Tomorrow is a Dream.

Tomorrow is dream and no one can make your dreams true but YOU! Remember to let the choices you make today be choices you can live with tomorrow, so with God as your guide and faith in your heart start upward and climb till you reach your dream -- for faith is a mover of mountains and there is nothing you CANNOT achieve.

You have made us so proud in all that you have accomplished so far. You were a wonderful child who has grown up into a fine young man. Just remember that life is what you make of it, and sometimes it is too short for so many. You must live each day to the fullest and make the most of what you do. If you keep reaching for the moon and beyond you will make a difference in our world. As you go out into this vast world and establish yourself, just remember to always keep the good Lord above first in all you do. We wish you the best in all your goals and future endeavors.

Ericka,
 We have been blessed having a child like you, in all that you are and all that you do. May God Bless you and steer your course
 through life's decisions.

Love, Dad, Mom , and Erin

Success is not measured by how you do compared to how somebody else does.

Success is measured by how you do compared to what you can do with what God gave you.

For that success, Bobby, God gave you not a sport that required a football, basketball, baseball, or a golf ball.

God had something better in mind for you to achieve success, a sport that required a roping rope, a horse, a calf, a steer and a lot of hard work and determination.

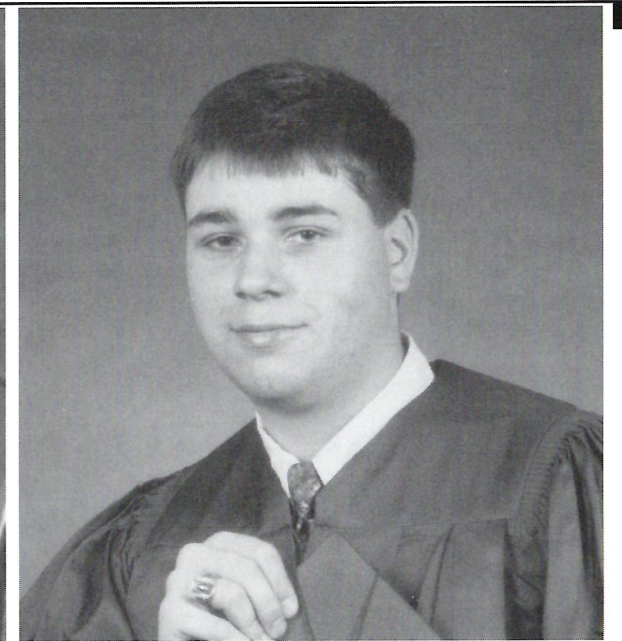

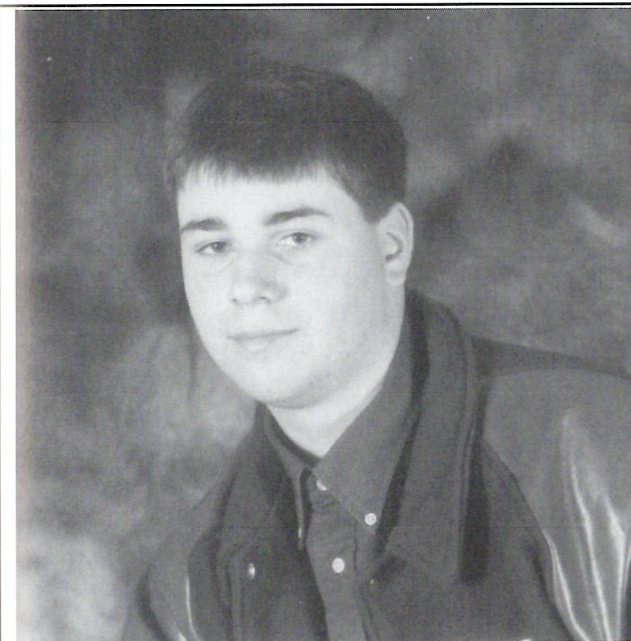

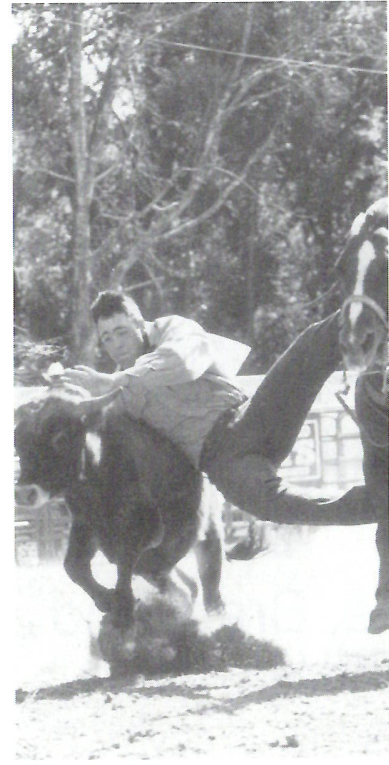

Through your abilities and actions and yours alone you have achieved many accomplishments and have made us all very proud of you!

May God Bless you and keep you in his care.

Congratulations Bobby!

Love,

Dad, Mom, Alicia, Danica, and Callie

Congratulations Erik!

We watched as you took your first steps as a toddler, and now as you take the first steps to manhood. You have made us proud. May God bless you as he has blessed us with you, with a beautiful future and wonderful moments to remember.

With the eyes of children we started
 Never knowing the price of a dream
 Never feeling the bond of our union
 Till we joined our hands as a team
 Then though many times we hated
 Many times we loved as well
 As our knowledge grew stronger,
 Our dreams did the same
 And we know that our bond would not fail
 Now, that bond must be broken
 We are children no longer it seems
 So we'll face the loss of our union
 Because that is the price of our dreams
