The Lady Tarpon softball team made school history this season by reaching the state championship. The ladies began the quest for a state championship by defeating Merryville in a tie breaker to claim the title of District Champions. The team won their first playoff against Loreauville 3-0. The ladies then moved on to defeat False River 11-1 to earn a trip to the state tournament in Sulphur. The ladies first opponent in the state tournament was Cedar Creek. The ladies scored in the first inning and held on to win 3-2 and advance to the semi-finals. The semi-finals was the game of the season. The Lady Tarpons scored three runs in the bottom of the seventh to defeat St. John's 5-4 and earn a chance to win a state championship. The ladies took on Sterlington in the championship game. ### Footprints

One night a man had a dream. He dreamed he was walking along the beach with the LORD. For each scene he noticed two sets of footprints in the sand, one belonged to him, and the other to the LORD. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life. This really bothered him and he questioned the LORD about it, "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me." The LORD replied, "My precious, precious Meghan, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints it was then that I carried you."

Best of Luck with all our Love,

# *2003!*

*Trey,  
Parents hold their children's hands for a while but they hold their hearts forever. We watched you grow and you've made us proud. Not one but three state championships, you have already accomplished so much, keep your winning ways. Remember to keep God in your life, love in your heart, good friends at your side and nothing will be impossible to achieve.*

**LOVE ALWAYS,**

**JASON**  
It seems like only yesterday  
You came into our lives  
Bringing great love and joy  
You've changed and grown  
From a red-headed boy  
To the man we've loved and known

From baby blankets  
To toddler toys  
To playing football  
With the other boys

Finger paint and  
Computer games  
Hunting camps  
And silly nicknames

Off to Tarpon games  
And tailgate parties  
From detention to suspension  
For having a million tardies

Collecting memories  
With every smile  
Making great friends  
All the while

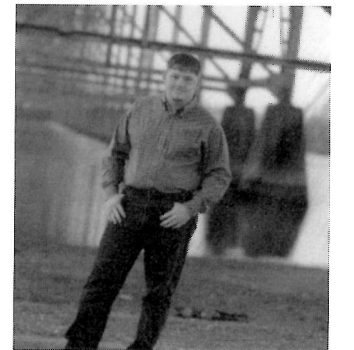

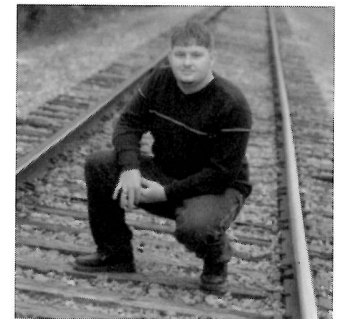

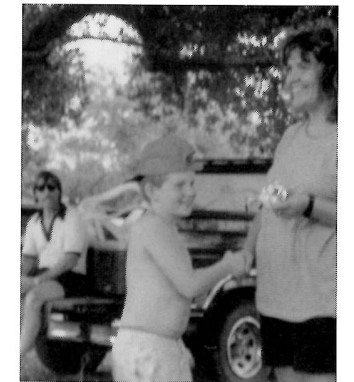

Getting dressed up  
On graduation day  
Walking down the aisle  
Not knowing what to say

Fallen tears  
And sniffing noses  
Embracing loved ones  
As you pass out your roses

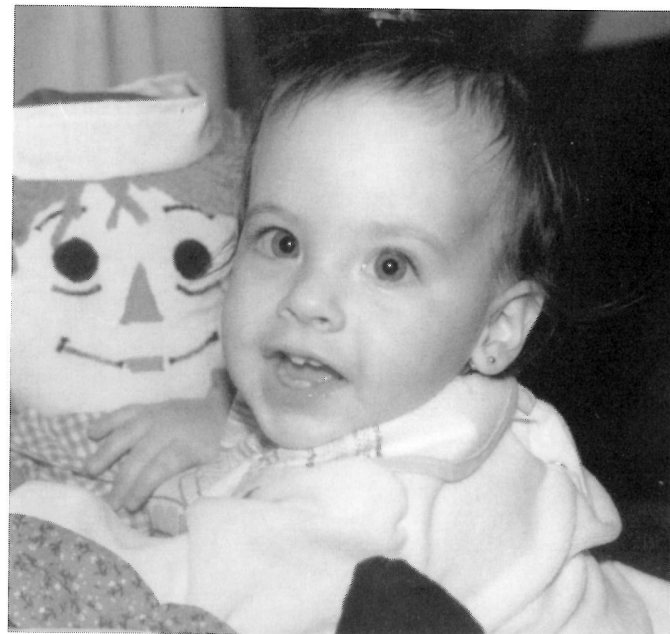

This closed chapter  
Opens a new door  
Of a great adventure  
You've never known before

We know you'll succeed  
In everything you do  
But always remember  
We love you "J".

# ALICIA MHIRE

Life develops and grows through time and phases,  
You have gone through infancy, toddler, child, and teen stages.

Through the years, we have watched you grow,  
And have loved you more than the day before.

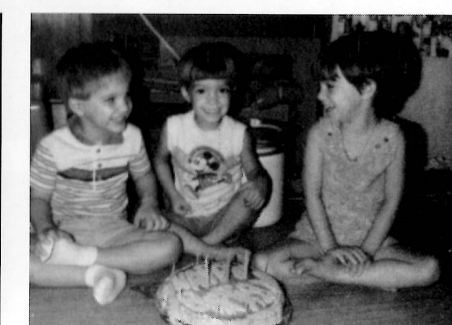

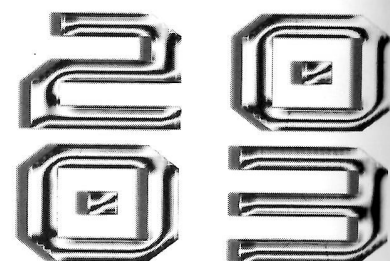

As your high school days are ending,  
There's another phase of life beginning.

So set your goals and strive with all your might,  
Always letting God and your heart tell you what's right.

Congratulations as you leave South Cameron High,  
And best wishes as you enter into another stage of life.

Your Maw-Maw Dub has written this for our Alicia, so dear,  
But is shared by family members of both Whiteard and Mhire.

Love, Mom, Dad, Bobby, Danica, Callie, & Amanda Kaye

Congratulations, Tiffany!

Best wishes and always strive to do better and all your wishes and dreams will be filled.

*To Casie,  
When you were born we held you in our arms and just kept smiling at you. You always smiled back. Your big eyes wide open and full of love. You were such a beautiful, good, and sweet baby. Now as we watch you grow up and become your own person, we look at your laughter, happiness, and simplicity. We know that you will be able to enjoy a life of sensitivity, goodness, accomplishment, and love in a world that hopefully is at peace. We want to tell you that we are so proud of love and we dearly love you.*

# JOSHUA KEITH MCKOIN

Parents seldom realize  
Until their son is grown

The many ways  
He's touched their hearts  
Or how the time has flown.

Then suddenly the boy is gone  
And who's this in his place?

A young man  
Filled with more than dreams  
But hope and promise, too.

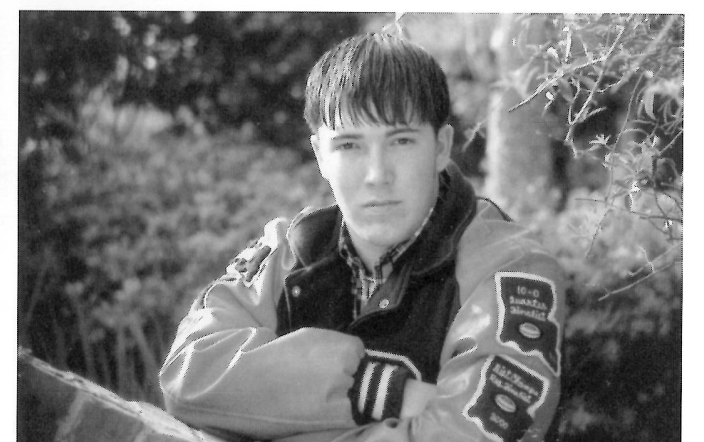

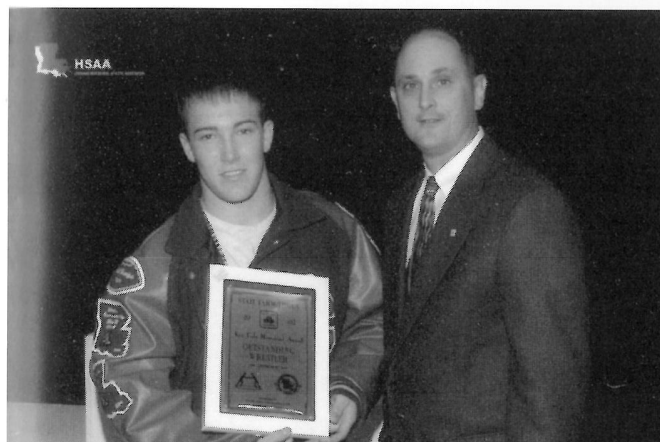

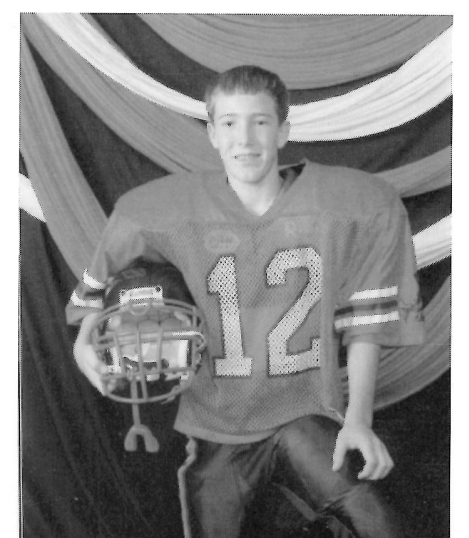

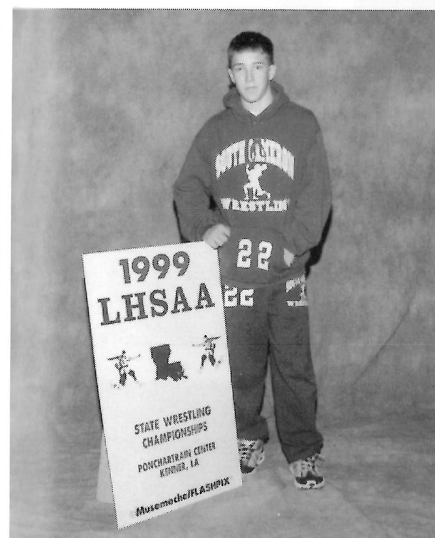

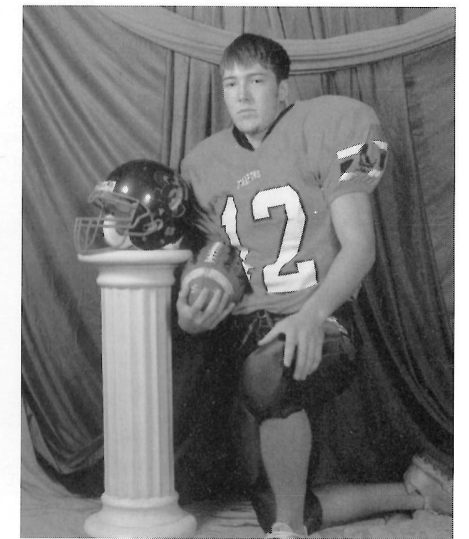

Facing life on his own terms  
With visions to pursue...

And though we always trusted  
You'd be second-best to none,  
We never knew how proud  
We'd be to say...

"THERE GOES OUR SON"

From your,  
Dad & Mom

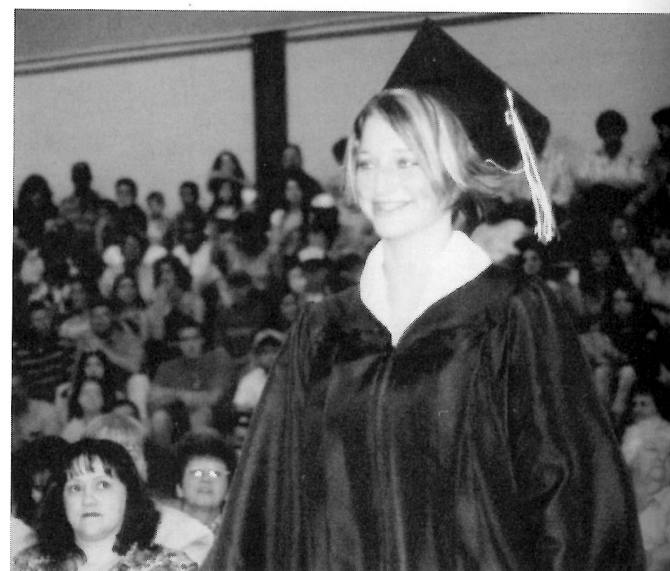

We wish you the very best in  
whatever path you choose.  
Love always,  
Mom, Dad, Kris, & Katie
