**OUR  
NEVER  
ENDING  
STORY....**

In August 2006 students began their school year in a temporary facility. Despite the hardships experienced following the destruction of Hurricane Rita, students, faculty and staff showed a great deal of determination, an enormous amount of spirit and much heart adjusting to the new setting. Classes began, new friendships were made, clubs were reorganized, and sports events, once again, became a social gathering for the fans of the South Cameron High TARPONS.

As the year progressed, improvements to our surroundings were steadily made. A groundbreaking ceremony was held for the new school. Restoration of the football field and the gym was complete by the end of the year. A ribbon cutting ceremony was held to officially open the refurbished gym just in time for graduation. An era of new memories began.

Cherishing memories is a way of holding onto things loved and lost. Although SOUTH CAMERON HIGH lost much, the memories are embedded in its students minds, and they know that HAPPINESS IS BEING HOME!!!!!!

# South Cameron Consolidated Campus

*South Cameron Elementary, Cameron Elementary, and South Cameron High were consolidated into the South Cameron High Campus. The 2006-2007 school year was started in a temporary facility at the site of the former South Cameron High School.*

*Teachers, staff, students, and volunteers worked diligently in the hot days of August to make things come together at our new campus before students arrival on the 1st day of school.*

## THE FIRST DAY OF SCHOOL AT OUR NEW CAMPUS

*As faculty, staff, and students entered the grounds of the new campus for the first time they were welcomed with this sign erected by Brian Doxey.*

*On the first day of school on the new campus everyone gathered in the stadium. On that day "Tarpon pride" was showing as bright as the sun. Everyone was happy to be back home in "Tarpon Country."*

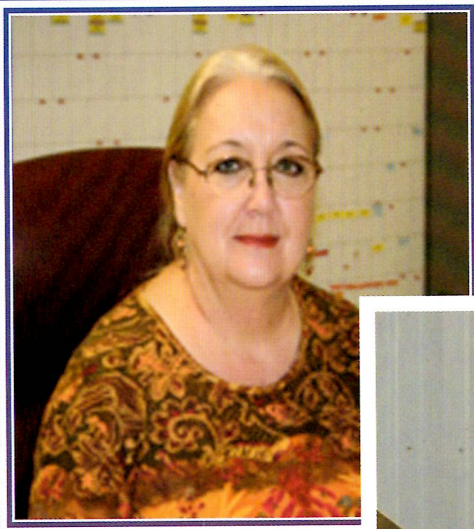

*Students arriving on the first day of school.*

*Vocational Agriculture students in Mr. Nicky's class worked hard putting furniture together in the new school.*

IN MEMORY OF

# Justin Scott Picou

When we look at these walls  
and see this place  
we remember high school  
and see your sweet face

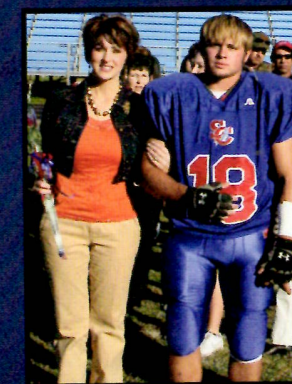

Looking back at memories  
we don't understand how,  
From football games to graduation  
You're not here with us now

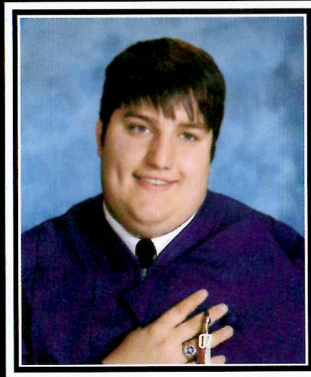

For everyone who knew you,  
Remembers an awesome smile and handsome face  
For there could never be anyone  
Who could ever take your place

Rest in Peace  
September 15, 1988 - October 26, 2008

If tears could build a stairway  
and memories build a lane,  
We at SCHS would walk up to heaven  
and bring you home again.

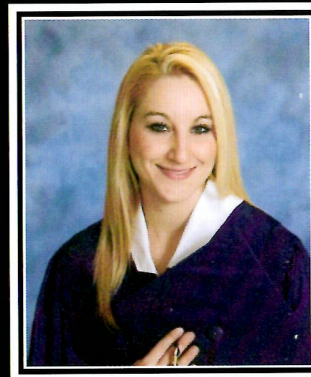

You are missed dearly "Picou"

When I look at you,  
I not only see a daughter,  
but I see a girl who has become  
an amazing woman.

When I look at you,  
I think of your kindness  
and compassion and how positively  
you view the world.

I think of how hard you work,  
yet I see the child within you  
who still knows how to play  
and to dream.

When I look at you,  
I think of so many great times  
we've shared together  
talking, laughing,  
and remembering...

I look at you,  
and I see a daughter  
who has made me very proud,  
a daughter who is a friend for life.  
I am so proud of you!

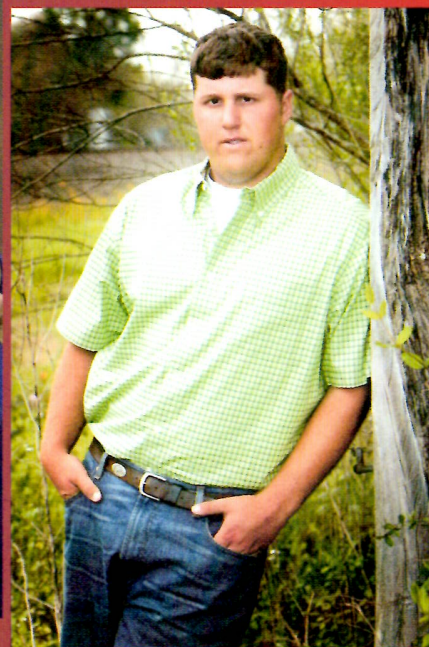

It han't been easy for you,  
being there without me.  
I've wished I could have somehow spared you  
some of the pain.  
But it seems that we each have our own roads to  
travel in life. I've watched you with admiration  
as you've faced each difficulty with strength and  
courage. And even in those times when you've  
wanted to give up you somehow found it in  
yourself to carry on... and you'll continue to do  
so. But even though this is your road to travel  
look along the side from time to time. The  
person you'll see there, the one cheering you on,  
will be me.

I love you sissy... NaNa

# CHLOE' PHILLIPS

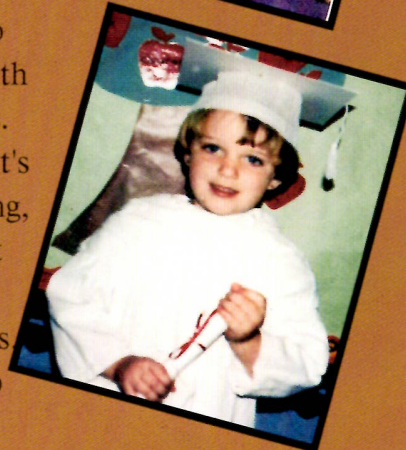

To Chloe', the second of my two beautiful daughters, with a personality to match. From infancy, you were a joy, always smiling. You were called "Gerber Baby" by all who saw you. In school, all your teachers would comment on what happy child you were, still always smiling. And not a day would go by that you didn't say or do something that didn't make us laugh! You were a hoot!

When we moved to Cameron, you and Brittney became such good friends. Your goal in life was to drive Tara and Chelsea crazy and ya'll certainly succeeded in doing just that!

Chloe', you have made us laugh so many times throughout the years with your dingy comments and answers. For example, "St. Edmond, I think it's a catholic school." and "Homecoming, I think it's a home game." To that dinginess which I love, are other qualities--compassion toward others, thoughtfulness, sensitivity--only to name a few. You've grown into a remarkable young lady who I am incredibly proud of. The end of your senior year is the beginning of the best years of your life. Make the best of them and not only will it benefit you but whoever your path crosses. Last but not least, keep God first and all else will fall into place.

We love you, CoCo

"Be Who You Must Be"  
 I dont know where you are on your path. I have never stood in your shoes. I see not with your eyes. I know not what your purpose is here in this stage of your evolution. But I feel blessed to know you. As you are not in my life by chance. You are my teacher as I hope you learn from me. I show reverence to you. I pray not to judge you. I wish to let you be who you are who you dream of being. I will just be beside you and watch you grow. And the day will come for sure when we will know for why our paths have crossed this way. # JACOB TRAHAN

Your presence, is a present to the world  
 You're unique and one of a kind.  
 Your life can be, what you want it to be.  
 Take the days, just one at a time.

Count your blessings, not your troubles.  
 You'll make it through, whatever comes  
 along..

Within you, are so many answers.  
 understand, have courage, be strong.

Don't put limits on yourself.

So many dreams, are waiting to be realized.  
 Decisions are too important, to leave to  
 chance.

Reach for your peak, your goal and your  
 prize.

Nothing wastes more energy, than  
 worrying.

The longer one carries a problem, the  
 heavier it gets.

Don't take things too seriously.  
 Live a life of serenity, not a life of regrets.

Remember, that a little love goes a long  
 way.

Remember, that a lot of love goes forever.

Remember, that friendship is a wise  
 investment.

Life treasures, are people.... together.

Realize, that it's never too late.  
 Do ordinary things, in a extraordinary way.

Have health, hope and happiness.

Take the time, to wish upon a star.

And don't ever forget...

For even a day...

How very special you are.

Your diploma means a future without  
 boundaries

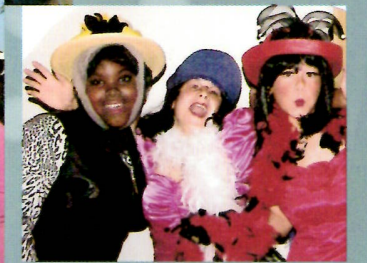

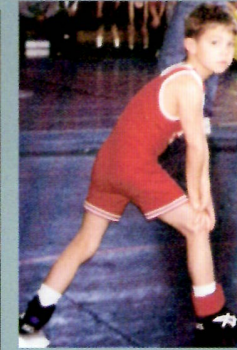

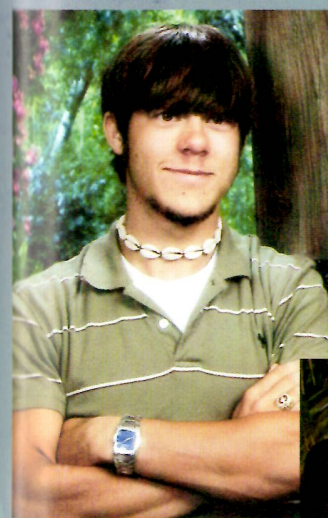

A world that's full of energy and fun.  
 So as you reach for all life has to offer,  
 Remember that you're second to no one.  
 Pursue your goals, yet keep your loved  
 ones close,

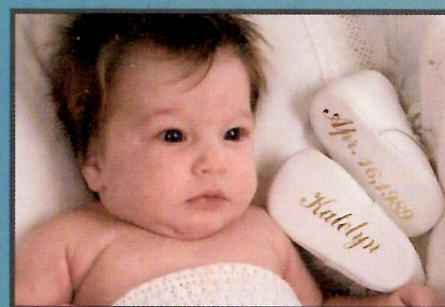

As you utilize your talent and ambition  
 Let your friends and family give you  
 their support,

And you'll master every challenging  
 transition.

And always, Jacob, know you  
 can achieve the things you really want, if  
 you believe.

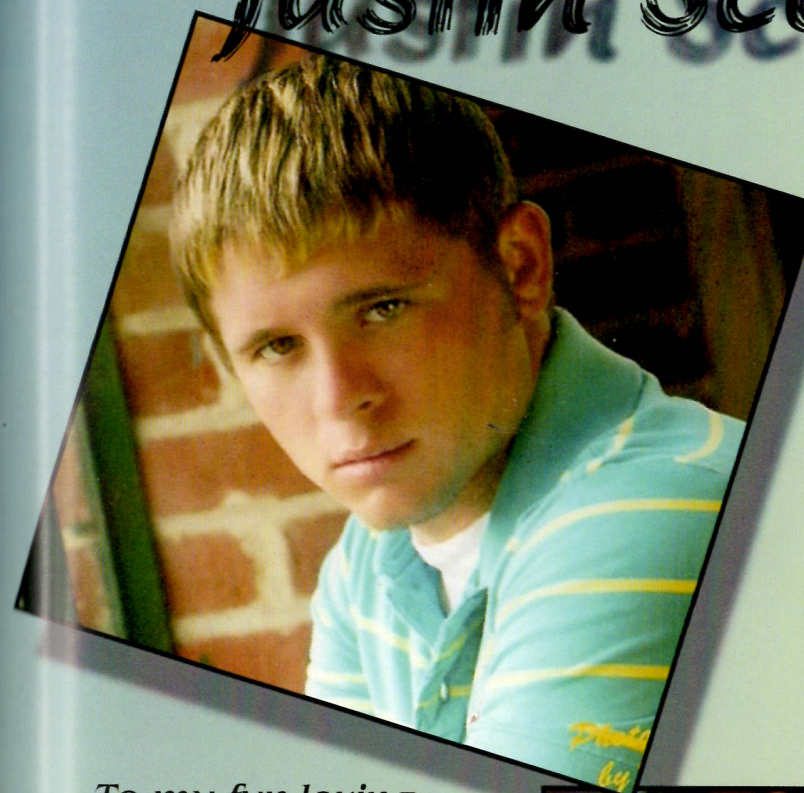

We love you and are proud of you,
