Shelby

We loved you for the little girl you were, the young lady that you have become and the unique daughter that you will always be.

We are very proud of your success and accomplishments. They will always be yours to treasure but ours to cherish. We pray that this new beginning will bring you the hope of something great, the courage to follow your dreams, and the ability to be successful.

No matter where life may lead you, no matter what you do, always believe in yourself, be thankful for what you have, and always be the best you can be. We'll always be your biggest fans and we'll be here for you.

We love you,
Mom, Kannon, Dad, Haley

Ross

We can't begin to tell you
Just how loved you are
We can't believe how time has flown
And how you've come so far.

Forgive us when we stop and stare
And tears fall from our eyes
Time flew by so quickly
Sure took us by surprise.

Now here you stand before us
A respectful, honest man
Strong-willed and determined
Who always says, "I can"

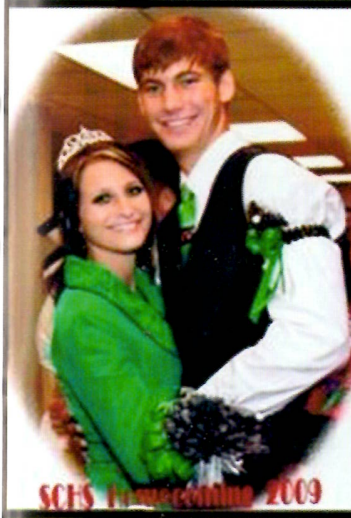

We flip through all your notes and cards
And pictures that you drew
Recall your quips and humor
"Unique", dear son, that's you!

There are no doubts within our minds
That you'll indeed succeed
Your future holds so much in store
But "That Smile" is all you need.

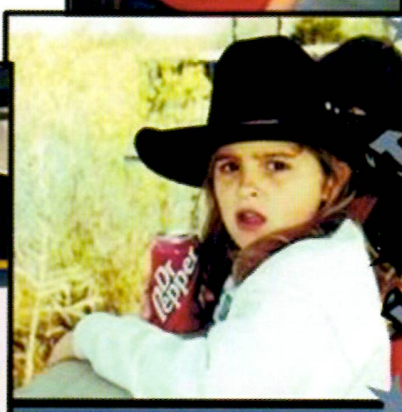

You've always been gentle
So loving, kind and giving
Having you as our son, Ross
Is another term for "living".

No matter what life leads you
No matter what you do
We'll always be your biggest fans
And we'll be here for you.

Love, Mom and Dad

Brandon DeBarge

I know you will accomplish anything you set out to achieve. You have always been a cheerful, strong-willed, independent child.

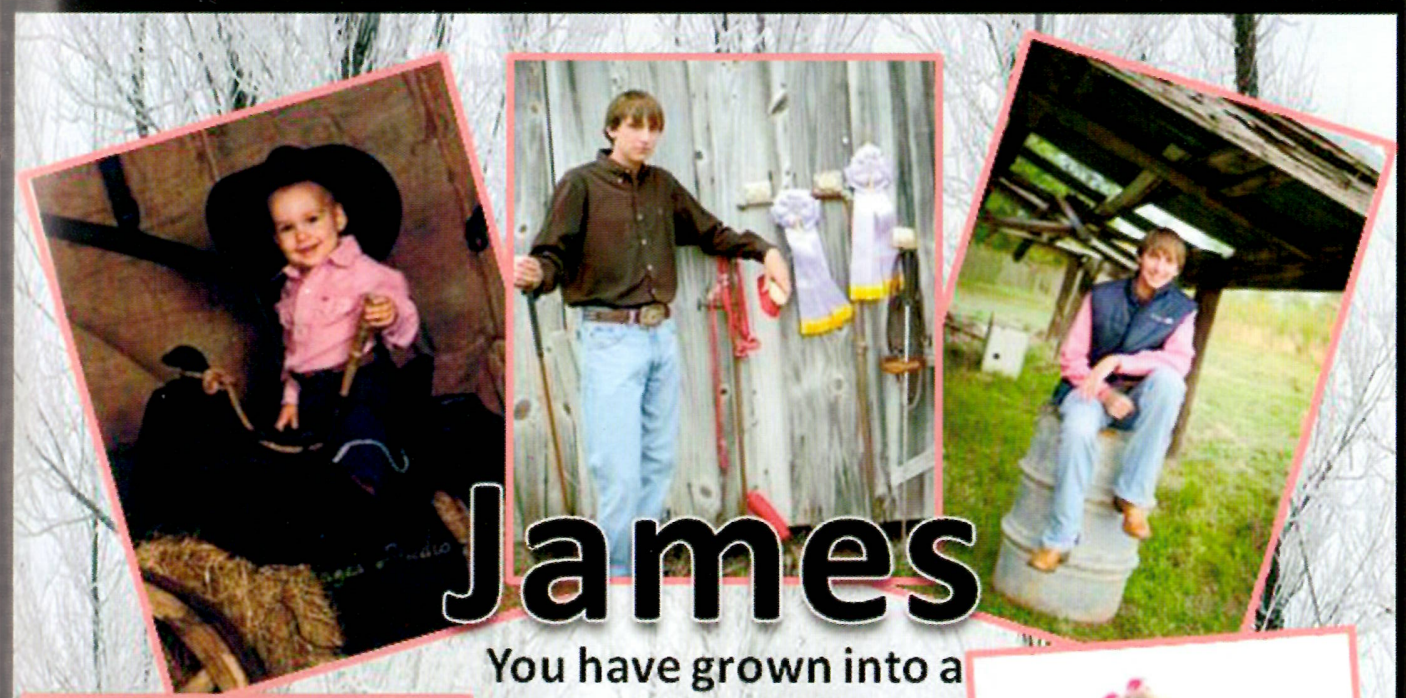

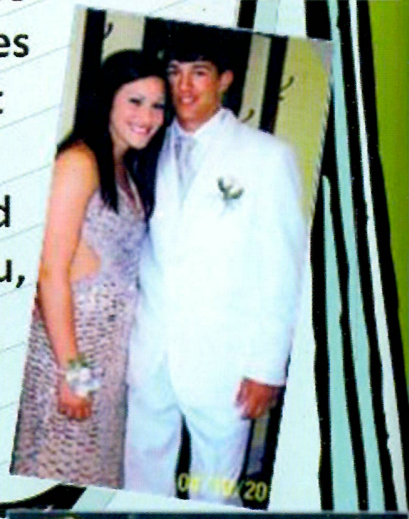

When you were young, your father taught you how to hunt and fish. It's funny now you out do him. You set out to play sports and I'm proud to say you got it naturally because we never practiced with you a day at home.

I deeply appreciate Coach Cormier for having faith in you. #9 definitely shined and #14 was pretty awesome. The person you will be tomorrow depends on the life you live today. Nothing comes easy, you have to work at what you want in life. Always remember to keep the faith and believe....We are so proud of you, Brandon.

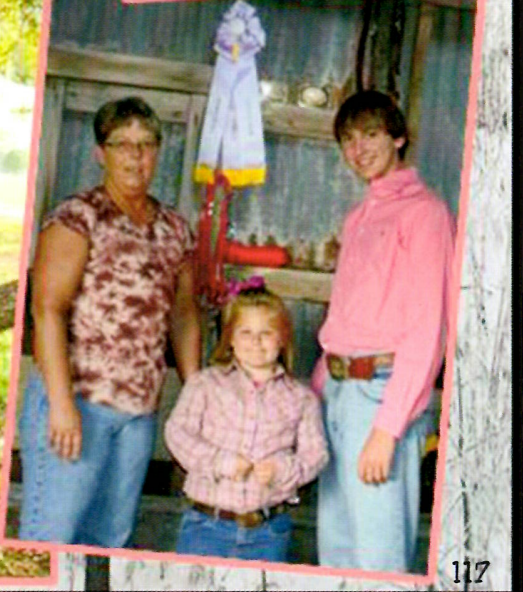

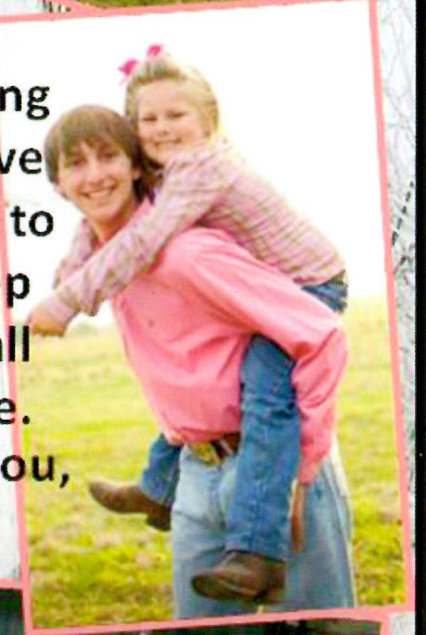

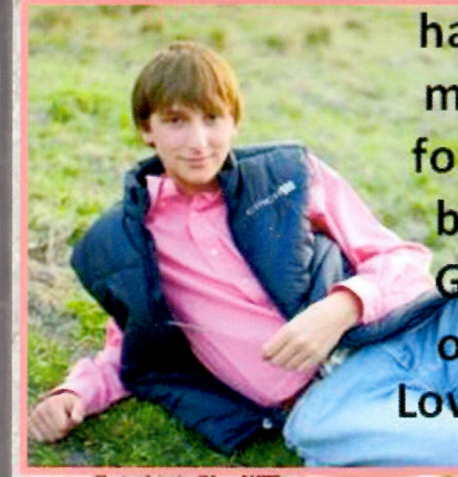

We love you, Mom, Dad, Jeremy, Amanda, Madeline, Brylee, Brant, and Taytum

James

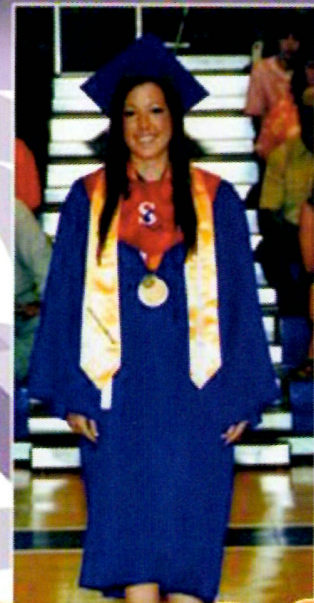

You have grown into a handsome and caring young man. May you always strive for better, but know when to be satisfied. May you keep God in that search. May all of your dreams come true. Love you and So proud of you, Mom

The instant we saw pink and blue gowns
Our lifestyles at home never slowed down....

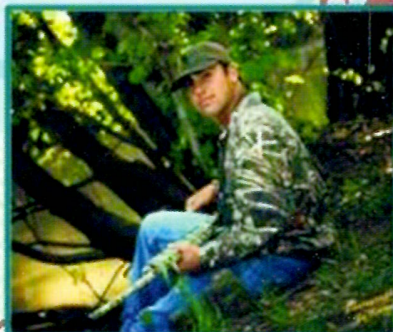

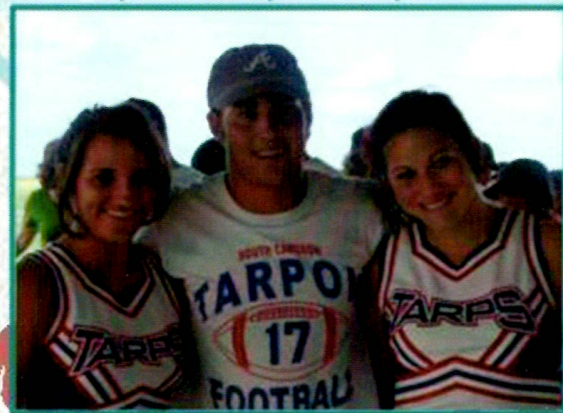

From cheering to wrestling, and practices galore
T-Ball, football, sleepovers and more.....

You went beyond what was expected at birth
We're just thankful God put you on this earth...

We hope you catch all the dreams you chase
And challenge the hurdles your future will face...

These times will be cherished and MUCH missed, too
We enjoyed every moment we spent with you!

Congratulations,

You have grown from a precious baby girl
To a beautiful young lady.

We've put many miles on our cars and you've kept us on
our toes
Traveling around the nation from softball games to cow
shows.

At your softball games, number 12 we would shout
Hoping you would score or strike someone out.

Study and work hard, keep your head in the game,
Our time without you won't be the same.

Life is like a roller coaster with flips and turns along the
way,
Whenever you struggling turn to God and pray.

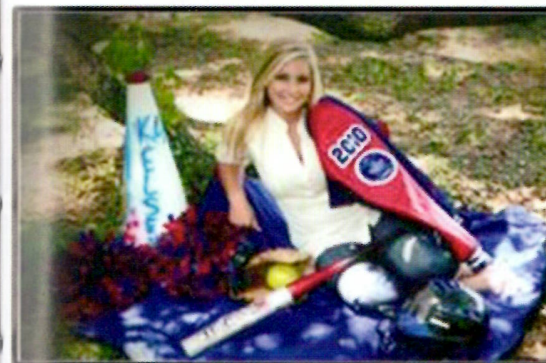

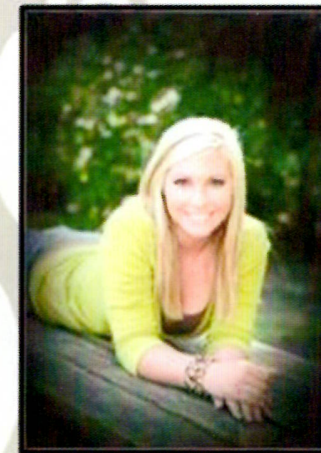

Good luck in the future and all you choose to do
But most of all, please remember how much we love you
