Andrea

A precious little flower that is in constant bloom we watch as yet another milestone around the corner looms. It seems like only yesterday that we shared a breath but now it seems like tomorrow you will leave and we will be left. A tiny little angel that always is in flight as soon as you come into our life you brought us so much light. Your beauty is so stunning your smile makes us melt, we are so proud to be your mommy and daddy, It's the best we have ever felt. Oh perfect little princess with you we are so in love every night before we dream we thank the lord above. How did we get so lucky to have as sweet of a gift as you. If ever you should need us there's nothing we wouldn't do.
